

THE DAILY EXAMINER.

DECEMBER 20, 1894.

A DISCORDANT NOTE.

LIBERAL and patriotic men of all parties in this city seemed to be delighted yesterday to hear that the Hon. Donald Ferguson had obtained a seat in the Cabinet.

NOTES AND COMMENTS.

The Week contains a long criticism of Mr. Pope's Memorials of Sir John Macdonald by Rev. G. M. Grant. In summing up, Principal Grant says: "Mr. Pope's work has given us a better idea of Sir John than we had before, and he deserves grateful recognition."

The Patriotic Liberals: "Fancy a spirited Liberal-Conservative leader in the Commons having to resign to consult with a (so-called) Tory, like Hon. Mr. Bower, in that deal and alive place, the Senate, to ascertain what he shall do in a particular emergency."

It is interesting to note that Sir John Thompson was "voted in" the Commons while Sir John Abbott was Premier and sat in that "deal and alive place."

It is likewise possible that our own Hon. D. Ferguson will obtain a seat in the Cabinet, without portfolio. As a Senator, it is as much as he could expect.

UNFAIR AND INSULTING.

The unfairness of the levy lately made upon the country is now apparent to everyone. There has been unfairness between district and district and man and man.

In respect to the Hon. George E. Foster the Toronto World says: "He is the best exponent of Conservative policy the party ever had in this country."

PERSONAL.

Mr. E. E. Murray, Moncton, is registered at the Hotel Davies this forenoon.

Mr. H. J. Massey, representing the Confederation Life Insurance Company, is in the city on a business trip.

The Dominion note circulation declined close upon a million dollars in November, from \$22,212,884 to \$21,284,163.

At Port Sillery, on Sunday, 9th inst., the wife of L. R. Inez of a daughter.

DIED.

In this city on December 19th, Henry Barr in the 45th year of his age.

LETTERS TO THE EDITOR.

CANCEROUS TREATMENT.

Sir,—I was much surprised to learn that the Medical Act of this Province permits laymen to treat cancerous disease without fear of prosecution.

It is a fact that all cancerous diseases are aggravated by debilitating measures and relieved by those which strengthen and which have the power of exciting a new and salutary action in the diseased tissue.

Thus the cancerer must understand the therapeutic properties of the various drugs, alteratives, narcotics, sedatives, Tonics, will be able to handle the most perilous cases with ease.

The peculiar kind of cancer must be known, the special treatment necessary. But more; the cancer doctor is a superior kind of person altogether.

TO WHOM IT MAY CONCERN

Messrs. Geo. Carter & Co., in announcing the appointment of "ticket agents of the Canadian Pacific Railway for P. E. Island," take occasion to say that they are prepared to issue tickets at lower rates than any other ticket agent on P. E. Island to Montreal and all points west in Canada and United States.

While it is quite within the province of Messrs. Carter & Co. to compete with other merchants in the prices of their goods, they are not prepared to do so in the case of their railway tickets, which govern the Intercolonial, Grand Trunk and Canadian Pacific rail ways.

To competitive points in Canada and the United States the rates are, the same via Lewis and via St. John's. CAN BE NO DICKERING IN RAILWAY TICKETS. The advertisement is equally misleading in stating that "this is the only Ticket Agency in a position to issue tickets via Boston to western points, etc."

Mr. W. W. Clarke, Charlottetown, or Mr. D. Gordon, Summerside, Grand Trunk Railway Agents, and see if you cannot be supplied with tickets to any competitive points via Boston and Lewis at the very lowest tariff rates.
