

Girl Guide News

Mrs. W. R. Nesbitt, our Dominion Commissioner came and captured the hearts of all with her quiet dignity and charm. She put her personal worry behind her, and "smiling under difficulty" carried out all programmes as scheduled. The Rallies in Summerside and Charlottetown were a tremendous success. Our congratulations to all those who were present. B.A.G.'s, especially Peggy Stewart, of the 12th Zion Co. who received her Gold Cord.

ATTENTION GUIDES

Owing to the lack of Trained Camp Leaders, and the difficulty in procuring tents, there will not be any Guide Camps in the Province this summer. Practically all Companies and Packs have ceased their activities for the summer months. The Leaders, who have given so generously of their time and energy, will have a well earned holiday. Remember Guides and Brownies, the summer is the time to put into use what you have learned during the winter. Don't forget your good turn every day. Have a good holiday and come back in the Fall ready to go to work on the 2nd. Class, First Class and then on to that Gold Cord.

Two of our Island Guides have left for Mushmush, Lunenburg Co. They are Dorothy Perry, Summerside, and Peggy Stewart, Charlottetown. An International camp is being held at Mushmush, and all Guides attending must be 1st Class Guides.

Marina Kays left to represent P. E. I. at an adventure Camp being held at Lake O'Harra, B. C. We wish these girls God Speed, and a safe journey. We hope that they will profit by attending these Camps, and come back prepared to give the knowledge they have acquired at Camp to the Guides in their communities.

GUIDE STORES

Guide stores will be closed for the month of July. Nevertheless all correspondence will be taken care of, all letters addressed to the Field Secretary will be forwarded to her.

Guiding will rejoice to know that our Provincial Commissioner's Mrs. Hutcheson's son Bob, is recovering, after an emergency operation for appendicitis in the P. E. I. Hospital.

CAMP

Owing to the lack of trained Camp Leaders, and the difficulty in procuring tents, there will not be any Guide Camps in the Province this summer.
