

Canadiens Edge Rangers; Rec Wings Defeat Boston

MONTREAL (CP) — Montreal Canadiens did their scoring in the first period Thursday night to pull out a 2-1 win over the Rangers in their first victory over New York since this season.

Canadiens widely outshot the Rangers but needed the first period goals by Jean Beliveau (Boom Boom) Geoffrion and Marcel Bonin to scrape through. Bill Gadsby coughed up New York in the first period after Montreal had taken a 2-0 lead. Bonin scored on a rebound and Geoffrion scored on a breakaway goal. Marcel Paille of Montreal scored twice.

The Rangers pulled themselves together after a shaky start but found themselves on the defensive through most of the final period when Canadiens kept up persistent drive for more goals before a home crowd of 13,782.

In the four previous meetings this season, both in Montreal and New York, the Canadiens had scored three wins and a tie. Their loss Thursday night left them still in second place in the National Hockey League race, trailing Canadiens by nine points.

Royals & Aces Beat Summerside

Barry's Parkdale Flyers showed they were the team to watch as they overpowered the Summerside Intermediate Aces 12-7 last night in the first game of the newly formed Island Senior Hockey League to be played in Charlottetown.

The Flyers were led by Joey Arsenault who scored three goals and two assists. Jim MacLeod, Flick Landry and Appas Arsenault who each scored two tallies.

The Parkdale crew led right from the start of the game. Flick Landry got the puck three minutes into the game and passed it to the Aces by two goals. Appas Arsenault teamed up with Joey Arsenault to put the Flyers into a 4-2 lead midway through the period, he added another minutes later and Gillis put the Flyers beyond reaching distance a while later.

Claude Gaudet scored his third tally to move the Aces back into the game and Benny Granger added a few seconds a few seconds later to lift the spirits of the Summerside team. Joey Arsenault put a stop to that by scoring two quick goals.

Justice but now the green light may turn against them.

"Shughnessy was highly pleased over moves that may block the majors' plans for televising Sunday games."

"Now it looks as if we're getting some where," he said in reference to Washington reports that Representatives Celler and Keating may take anti-trust action as heads of a Congressional committee.

Shughnessy led opposition to the majors' plan at the recent baseball meeting in Colorado Springs.

"The greedy major league owners have been coming into our market to suck us dry with their Saturday game-of-the-week," he said. "Now they want to invade our markets on Sunday too."

Already The Crys Raised Break Up Champion Braves

BY BEN OLAN
 NEW YORK (AP) — The Milwaukee Braves have broken baseball's championship world record by winning two and already the city is being sent up "Break up the Braves."

Time was when they'd had the same thing about New York's Yankees. But the apparent strengthening of the Chicago White Sox and several other American League clubs in recent trades has cut short the clamor. It's a different story with the Braves. They're loaded, and an inspection of their roster today shows why.

Last week's deal that moved pitchers Bob Feltz, Don Kessinger and outfielder Ed Hahn from Chicago to Milwaukee served to strengthen the Braves' chances of winning the 1958 National League pennant and, for that matter, the result may be more spooling the title for many years to come.

Vice-President Buzzie Bavasi of the Los Angeles Dodgers was one of the first to admit the situation for the rest of the season. "The Braves looked ominous. 'Let's face it,' he said, "it makes it that much tougher for us next year."

LONG WAY BEHIND
 Roy Janney, general manager of the Philadelphia Phillies, chipped in with, "Guess I'll have to go to work and do something now. But I guarantee you that I won't let the Braves catch me in that line of thought."

Many other baseball men also felt the transaction which sent pitcher Taylor Phillips and catcher Sam Taylor to the Cubs and Feltz and the others was one-sided.

At any rate, the other clubs have a lot of catching up to do. And it's going to be a mighty tough job matching a pitching staff led by Walter Johnson, Lew Burdette and Bob Buhl... with the likes of Gene Bevens, Roy Brown, and Don McMahon, a d embellished with Juan Pizarro, who recently fanned 19 batters and pitched a no-hit game in the Puerto Rican winter league; Carlton Willey, the only 20-game winner in the American Association in 1957; and Moore and Joey Jay, a 17-game winner who fanned 199 batsmen in the AA.
