

MEN'S INTRAMURALS

BY TONY CARROLL

The franchise went down last week as the Sophomore selects lost in their lone playoff game to Day Students.

Some of the stand outs for the day students was Victor "Watchdog" Moore, and their team leader, the Umpire. The latter of the two made the biggest play of the game when two runs were disallowed by a bum call at first base. After a conference with commissioner Vince "Bowie Kuhn" Mulligan all he said was "Dems the Breaks." I would like to say I would like to Break the umpires nose at the next Pig.

Some other big plays of the game included errors made by Darren "nostril" Riggs and Kirk "Jack Rabbit" MacRae. As Jack Rabbit couldn't function due to the night before at Brackley.

In the other playoff game it saw Mean Machine hand Blanchard Hall sound shut kicking (defeat). Mean Machine looks like they are going to coast to their first divisional title in 50 years. M & M have a good pitching Rotation with Hughes, Hughes, and Hughes and have one of the worst infields in the league. Some of the infield include catcher, Phillip "Beaver Teeth" Brown and, Cindy "Face-maker" Judson. Blanchard Hall's loss was expected cause they choke every year in October.

Some chokes on the team are Stephen "Stretch" Giddings and Melvin "Owl" Arsenault.

Even though the selects went down in baseball they already have recruited players for football and hockey and they will even everything except the Lady Bying Trophy, which is for the most gentleman players of the league.

Soccer Team Axed

Winnipeg (CUP) - The University of Manitoba Bison Soccer team, national champions in 1978 have played their last game because the university's athletic dept. would not make a firm commitment to supplying the teams travel expenses.

The Great Plains Athletic Conference (GPAC), of which the Bison's were a member, refused to grant the team an extension on their decision.

"I guess they (the other teams in GPAC) figured they had already made a commitment, we should have as well", said athletic director Andy Bakogeorge.

GPAC excluded the Bison's from the 1980-81 schedule when they would not committ themselves by the deadline.

Soccer team members are not taking the athletic department's indecision lightly. A group of players have circulated a petition protesting the athletic department's lack of commitment to the team. The petition has already collected over 600 signatures.

Dave Stambrook, the soccer team's goaltender said he heard rumors the squad might fold, but he "didn't put any stock in it".

I've heard conflicting stories about why the socc team was chosen for cutback he said, "I'm very disappointed in the way the decision was made".
