Grain

WINNIPEG, Sept. 20 — (CP) — Grain prices generally showed a higher trend today on the Winnipeg Grain Exchange, reflecting unfavorable harvest weather which stimulated buying in all commodities.

Barley received good support attributed to export interests in connection with reported export business to Germany and Denmark. Oats moved up under shinner purchases. Offerings were light, especially in the October contracts. Rye attracted some local buying, while flax was being picked up by locals and seaboard interests. No export loadings of Canadian wheat were reported today.

Prices for I.W.A. and class two wheat were up one-quarter cent from yesterday.

Closing prices: Oats: Oct. 88½¢; Dec. 84½¢; May 86¼¢. Barley: Oct. 1.25¼¢; Dec. 1.17¾¢; May 1.17¾¢. Rye: Oct. 1.77¼¢; Dec. 1.72¼¢; May 1.74¼¢. Flax: Oct. 4.17¢; Dec. 4.00¢; May 3.96¢.

The special speaker at the convention. Rev. W.A. Harper spoke on the topic "Growing in Christian Character and in Relationship to Others." Two film strips, "Teaching Juniors" and "Steps in Preparing a Lesson" were shown by Rev. E. G. Sullivan.

Miss Sparling addressed the evening meeting, using the theme "World Fellowship." Two musical numbers were much appreciated, a solo, "O Lord Rebuke Me" (Handel), by Miss Margaret MacMurdo of North Bedeque, and a duet by Rev. L. M. Murray and Roscoe Walker of Kensington.

The accompanists for the convention were Mrs. W. A. Harper and Mrs. Jack MacLeod.

Rev. J. K. Campbell closed the convention with prayer. WISSANT, France, Sept. 20 — (Reuters) — Mrs. Betty Cohn, 51, Brooklyn's "swimming grand-mother", left here today for Folkestone, England, to await more favorable weather conditions for swimming the English Channel. She had been waiting here more than six weeks for suitable weather.

Name Delegate To Maritime Trade Board Meeting

Mr. Silas MacFarlane was appointed last evening as the official delegate to the annual meeting of the Maritime Board of Trade which will be held at the Isle Royal Hotel, Sydney, N. S., on Tuesday and Wednesday, October 2nd and 3rd. Mr. Harold Rodd, the secretary of the local board was also appointed as a representative of the Summerside board.

Last night's meeting was the first meeting held after the summer recess and was presided over by the president, Mr. Fred Bell. Mr. Kenneth Calbeck, chairman of the marine and fisheries committee spoke of the condition of the Summerside harbor and pointed out that it was gradually filling in due to shifting sands. This was caused he said by south west currents. The present breakwater, built some years ago takes care of the currents which carry sand in from the south direction and he suggested that some move be made to have a new breakwater erected from the Miscouche shoals outward.

Mr. Frank Arnett suggested that survey of the harbor should be made to get an accurate report on the actual condition and the secretary was instructed to write to the Dominion Department of Public Works and ask that a survey be made of the outer and inner waters.

Mr. A. S. Hopkins, of the transportation committee, brought several suggestions to the attention of the board, the first being that warnings should be issued over the broadcast system on the car ferry to drivers leaving the boat to drive carefully to avoid accidents. It was felt that this would be a worthwhile safety measure to adopt. Mr. Hopkins suggested that in view of the condition of the road from Cavendish to Summerside that the Government should be asked to have this road improved. He felt that if this was done there would be many more tourists come to Summerside to do their shopping during the summer.

The secretary was requested to write to the Provincial Government asking what plans they may have in connection with an improved road from Cavendish to connect with the highway leading to Summerside.

Condition Improved

The condition of AC. 1 Allan S. Harvie (above) of Alberton, in a Halifax hospital suffering from polio, was reported yesterday to be somewhat improved. He was taken off the danger list on Wednesday and placed on the seriously ill list. It was learned that he was removed from an iron lung on Wednesday. His wife, who was flown to Halifax by the R.C.A.F. on Monday, returned to Alberton last night. AC. 1 Harvie has had a varied career. He served 17 years in the merchant navy as a steward, travelling in many parts of the world. He was ten times torpedoed and reported missing, believed killed on five separate occasions. He has the George Medal and 11 other medals and campaign stars. He joined the R.C.A.F. in February this year and was transferred to Summerside in June. He is serving in the medical branch.

IN MEMORIAM

MRS. JOHN P. GAUDET

The death of Mrs. John P. Gaudet occurred at her home in St. Edward on Monday evening, Sept. 10th, after several months' illness which she bore with true Christian courage in spite of her intense suffering.

As a woman of sterling character, her memory will long be cherished, not only by her own family but by her many friends in the community, where she was always willing and eager to lend a helping hand in time of need. During her illness she was frequently visited by her pastor, Reverend Patrick Walsh, who administered to her the last sacraments of the Roman Catholic Church. Mrs. Gaudet was 74 years of age, and passed away on the 57th anniversary of her marriage. She is survived by her husband, Mr. John P. Gaudet, and four daughters and three sons, as follows: Mr. Alby Gaudet and Mr. Wilfrid Gaudet of Montreal; Mr. Arthur Gaudet in St. Edward; Mrs. Glorice Gallant and Mrs. Charles Dwyer of Andover, Mass.; Mrs. James Brown of

Ammonia Gas Leak At S'side Freezing Plant

A safety valve blew out at Polar Quick Freezing Plant on Noonan Street, Summerside last evening and in a short time the air in the eastern section of the town was polluted with ammonia fumes. Warnings were being broadcast for residents of that vicinity to stay indoors and for others to stay away from the locality but the only person to suffer any ill effects was Mr. John Russell of Halifax who was working on the equipment at the time and got the full blast of escaping gas in the face. He was taken to the Prince County Hospital with facial burns but his condition is not serious. The blow-out occurred at about eight o'clock and approximately an hour and a half later employees and firemen succeeded in closing the main valve thus stopping the flow of gas. Assistance of the firemen was in the use and provision of gas masks to enter the gas filled building.

During the period of danger police were stopping motorists and warning them to keep their car windows closed while driving through that section of town.

Montreal; and Reverend Sister Eleanor Gaudet of the Religious Order of Montreal. One son, Roland Gaudet, predeceased her about three years ago.

Her funeral was held on Friday morning in the Immaculate Conception Church at Palmer Road. The Requiem Mass was celebrated by Reverend Patrick Walsh, who also read the committal prayers at the grave.

The pallbearers were: Sylvain Bernard, Edmund Gaudet, Joseph J. Gaudet, Joseph C. Gaudet, Joseph B. Gallant and Isadore Gaudet.

The many Mass cards, spiritual bouquets and letters of sympathy gave testimony to the high esteem in which the deceased was held. R. I. P.
