BAPTISTS IN SESSION.—At the recent session of the Baptist ministers' Institute at Bear River, N. S., Rev. G. C. Carey, of Charlottetown, was elected one of the vice-presidents, and also contributed an interesting paper on "The Function of Baptism."

SAD SCIENCE.—A man named Martin Myers, about seventy years of age, committed suicide at Fort Augustus today by hanging himself in his barn. No cause is assigned for the rash act. Myers had a wife and large family. Dr. Conroy, coroner, will hold an inquest to-morrow.

LAWN TENNIS.—The Maritime Provinces lawn tennis tournament will be held this year at Windsor, N. S., on the 5th, 6th and 7th September. Entries for same must be made not later than the 1st. Charlottetown possesses many good players, and we hope to see her well represented at the tournament.

AS OLD FRIEND HEARD FROM.—Our old friend, John Newson, whose heart is always in the right place, has not forgotten the new Cathedral bazaar. We learn from the managing committee that he has presented them with a beautiful bedroom suite, which will be disposed of at the bazaar on the 24th prox.

FISHING OUTLOOK.—Fishing continues to be poor around the coast. No really steady, heavy catches of mackerel have yet been made. The hopes of the fishermen are, consequently, low. Late thought it is in the season, there is still time to make up for the failure, and we are informed that in past years like this, good fishing obtained through September and October.

WHISTLING BOY.—A whistling boy has been moored in 9 fathoms, 2 miles N. E. by N. from North Cape lighthouse, at the North extremity of Prince Edward Island.
Lat. N. 47° 5' 30"
Long. W. 63° 58' 50".
This boy is a first-class Courtney automatic whistling boy, with "North Cape Bell" in white letters, and is actuated by a 10-inch whistle, which will be operated by the motion of the buoy on the waves.

C. M. B. A.—The Grand Council of the Catholic Mutual Benefit Association meets at St. John on Tuesday, and will remain in session until Friday. The Most Reverend Archbishop O'Brien of Halifax, will preach a sermon in the St. John Cathedral at the opening. Delegates from all the branches in Canada will be present. The island delegates are the Rev. Father Burke, District Deputy for the Province, the Rev. D. J. G. McDonald, and Mr. James McLean, O. K. Frazer, Esq., a member of the late Hon. Christopher Frazer, is the present Grand President.

A LAWN TENNIS EVENT.—The following invitation has been received from the Windsor Lawn Tennis Club:
"The President and members of the Charlottetown Lawn Tennis Club are invited to play on Thursday evening, 6th Sept., at 8.30 o'clock.
Marine Hall. J. C. Littlewood, Secretary, Windsor, N. S.

A GOOD PLAY.—Mr. J. Albert Brennan, of English Bay, who believes in doing all he can to advance the interests of his town. One method followed by him in furtherance of this laudable object, might be adopted by business men throughout the Island at a trifling cost to themselves, and much good to the town in which they live. It is this: In his correspondence, Mr. Brennan uses envelopes on which is printed the following brief and concise description of his town:
"English Bay, a flourishing farming and fishing village, the terminus of the Prince Edward Island Railway. Has high schools, convent, two churches, newspaper, two trotting parks, four hotels, etc. Tignish is noted for its beautiful situation and has the most beautiful climate of the Maritime Provinces. Surf and sea bathing within easy reach of the village." He concludes with a reference to the rush of business, and an invitation to patronize his store.—Journal.

A BAD ACCIDENT.—A lad named Thomas Higgins, 17 years of age, fell from the top of the upper flats in Anld Bros' egg establishment on Grafton Street, early in the afternoon. He was badly injured. It is reported that young Higgins was lowering some flour by means of a hoist, and was alone at the time. The flour was on the second floor, and whether he fell from that, or from the hoist, is not quite clear. It is known, however, that while he was lowering the flour he "tripped" the top, and fell to go up to the third floor to fix it. Whether he slid down on the rope to the second floor and fell from there, or whether, in attempting to slide, he fell all the way from the top story, is not known. When picked up, young Higgins was unconscious, and continued in that condition up to the time of his removal to hospital. The injuries are mostly about the head, and are very severe. Drs. Kelly and Warburton were called in as quickly as possible, and did all in their power for the unfortunate lad.

LETTERS TO THE EDITOR.

THE INSURANCE TAX.

Stu.—Your article in yesterday's issue on the action taken by the Board of Trade with reference to increased insurance rates, certainly strikes the right nail on the head.

The insurance companies did not wish to increase the rates, but being heavily taxed they had to protect themselves, just as Mr. Bonjard's agents would do were the Government to pass a heavy duty on marble mantel-pieces. The people here, therefore, to thank the Peters Government for any increase that has been made in the rate of the insurance tax, and the Queen and Mr. Bonjard in Rogers certainly stultify themselves in protesting against the increase.

The result of their own action in the matter of the insurance tax, is that the Government has been forced to pass a heavy duty on marble mantel-pieces. The people here, therefore, to thank the Peters Government for any increase that has been made in the rate of the insurance tax, and the Queen and Mr. Bonjard in Rogers certainly stultify themselves in protesting against the increase.
