

Healthfulness of Corn, Celery, &c.

Corn is claimed to be a medicinal as well as a fat producing food. The medicinal effects of corn arise in part from the roughness of the particles gently irritating the surface of the intestines, &c., and in no way can you have the full medicinal properties as from the corn in the ear; green corn is then food and medicine combined. Celery, perhaps contains more medicinal properties than any other plant. It is the American's cure-all, or rather preventive, for they go under the head that prevention is better than cure, and there is a good deal of inconsistency in the average American, and as a rule they are inveterate smokers; they smoke to soothe the nerves, at the same time eat largely of celery to nullify the bad effects of the tobacco upon the nervous system. Celery acts as a gentle laxative, cools the blood, relieves the kidneys, feeds and nourishes the brain and nervous forces and aids materially in the building up of the entire system; it assimilates with other food assisting in its proper digestion. The celebrated Dr. Hall, of New York, advises if you are sick to diet for it, and our advice is not to gulp down quack medicines, but by a judicious observance of the foods best adapted to your requirements, to build up a constitution that will stand.

Gay & Son keep a full supply of Celery, Corn, Cabbage, Pickling Cucumbers, Tomatoes, Fruits, &c. Orders attended to promptly. Send for our wholesale prices. Address J. J. GAY & SON, P.O. Box 12, -dy wy2w Pownal.

SUFFERERS from indigestion, loss of appetite liver or kidney complaints, rheumatism or neuralgia, would do well to give Ayer's Sarsaparilla a trial. For all such disorders, no medicine is so effective as this, when faithfully and perseveringly used.

THE LATE PROF. PHELPS.

The above is a portrait of the late Prof. Edward E. Phelps, M.D., LL.D., of Dartmouth College. He was a strong, able man, whose good high literary and scientific attainments were generally known, but it is, nevertheless, the truth, that Prof. Phelps was the discoverer of what is known to the Medical Profession and Chemists universally as Paine's Celery Compound, unquestionably one of the most valuable discoveries of this century. This remarkable compound is not a nerve, an essence, a sarsaparilla or any devised article, but a discovery, and it marks a distinct step in medical practice and the treatment of nervous complications. It has been freely admitted by the best medical writers in the land, and also by the leading chemists and scientists, that for nerve troubles, nervous exhaustion, insomnia, debility, scindly and even the dreaded and terrible Paresis, nothing has ever been discovered which reaches the disorder and restores health equal to this discovery of Prof. Phelps. Paine's Celery Compound is now being prepared in quantities, and can be procured at any reputable druggist. An attractive bunch of celery is to be found on every wrapper. It has become specially popular among professional men, mind workers, ladies burdened with exciting social duties and frequenters of the leading clubs.

WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indifferently miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or "gourmandness" or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, vertigo, headaches, blurred eyesight, "floating spots" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indelible feeling of dread, or of impending calamity? If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Constipation. It is not with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subdue it. If taken according to directions for a reasonable length of time, it is cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney disease, or other general maladies are quite liable to set in and, sooner or later, induce a fatal termination. Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever source arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an antispasmodic, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicinal has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases. Dr. Pierce's Golden Medical Discovery CURES ALL HUMORS, from a common Blotch, or Eruption, to the worst Scrofula. Salt rheum, "Feverishness," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Healing Powers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Scrofulous Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Gout, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections. "FOR THE BLOOD IS THE LIFE." Thoroughly cleanse it by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION,

which is Scrofula of the Lungs, is arrested and cured by this remedy. If taken in the earlier stages of the disease, it restores the marvelous power over this terrible fatal disease, when first offering this novel remedy, seriously, and calling it his "Consumption Cure," but abandoned that name as too restrictive, for a medicine which, by its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for Consumption, but for all the Scrofulous Diseases of the

Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy. Sold by Druggists, at \$1.00, or Six Bottles for \$5.00. Send ten cents in stamps for Dr. Pierce's book on Consumption. Address, World's Dispensary Medical Association, 253 N. 3rd St., BUFFALO, N. Y.
