FOR HOME WORK.

Only the Best Goods Give satisfaction.

Diamond Dyes, the World's Leaders, Do the Best Work.

When you bake you must use the best brand of baking powder; when making a jelly or custard pudding you must make use of the best fluffing extract; when you sew it is economy to use the best sewing cotton; when you have home dyeing to do you should also bear in mind that your success and the safety of your materials and garments depend upon the brand of dye you employ.

When the Diamond Dyes are used you achieve marvellous success. Your old, faded and dingy looking goods after a bath in the Diamond Dyes are made as good as new. The colors are always brilliant, fast, rich and full.

If you unfortunately make use of some one of the many weak, muddy and worthless dyes sold by some dealers for the sake of long profits—we will you must be prepared for cruel disappointments and losses. The Diamond Dyes save time and money, and are solid guarantees of success and good work.

AVOID WORTHLESS SUBSTITUTES

Paine's Celery Compound is Your Only Hope.

WELLS & RICHARDSON CO. GENTLEMEN,—I feel it my duty to let the public know what Paine's Celery Compound did for me and trust it will be a benefit to other sufferers.

I was much reduced in flesh and in a thoroughly broken-down condition, resulting from dyspepsia and nervousness. I was recommended to try the Compound; I did so, and three bottles have made me a different woman.

Previous to taking your Compound I had taken medicine from some of the best doctors in the city, but with no good results. Therefore I have every reason to be thankful for Paine's Celery Compound, and take great pleasure in recommending it to others.

Yours truly, Mrs. M. THOMPSON, 610 Eastern Ave., Toronto.
