## EVER HAVE CRAMPS?

Kind of fierce to be tied up to a knot at midnight with cramps. Keep Nerviline handy. Ten drops quiet cramps instantly. Used occasionally Nerviline prevents this trouble entirely. From Stratford, Ont., Wm. Dee writes: "Nothing I know of will give such quick relief to cramps, colic or pain in the stomach as Nerviline. If you feel squeamish or sick, just ten drops of Nerviline in water and you're well next minute." Think of the protection and comfort contained in a 25c bottle of Nerviline, and get it today.

## A GREAT COAL OR WOOD SAVER

That is what the "Sunshine" Furnace does for its owner. It is specially constructed so as to obtain a long travel of the heated gases and to extract the greatest amount of heat from a minimum amount of fuel. Read the following testimonial:

Kensington, P. E. I. March 18, 1904  
The McClary Manufacturing Co.  
GEN FLEMEN—I bought a furnace from you two years ago and can say that I have had perfect satisfaction with it. Last winter we burnt four tons of coal in five months; this year we will probably use six in the same time owing to the extreme cold weather. If we had three stoves burning day and night they could not produce the same amount of heat and it is easier to attend to than a common stove.  
Yours truly,  
(Signed) GEO. MURRAY.
