

Saints Team Leaves Today.

By JIM CULLEN

The St. Dunstan's High School hockey will leave today for Campbellton, N.B. where they will represent Prince Edward Island in a three team round-robin tournament for the Maritime juvenile hockey championship.

The Saints went into Civic Stadium and pulled an 8-3 decision over the western juvenile club and they trampled the Summerside lads 11-2 in the second game of the series which was played at the St. Dunstan's rink Wednesday night.

Cecil MacDonald, captain of the Saints, was voted the most valuable player in the two-game series. MacDonald is a rangy hockey player with a lot of ability and an unlimited desire and he has been a big cog in the St. Dunstan's machine. Cecil will probably be performing with John Kane's Varsity club next year and we think young MacDonald should prove to be one of the best homebrew players to lace on a pair of skates with the Varsity squad.

The Red and White team will leave today for Campbellton and the opposition in the Maritime competition will come from Windsor, N.S. and Campbellton, N.B. The Saints have the majority of the players that performed for the Bert Steele coached aggregation throughout the season in the Charlottetown and District Junior League. Francis McNally will replace Carl McQuaid in the St. Dunstan's cage and this will be the only major change in the Red and White lineup.

The locals also captured the Island Interscholastic Senior 'A' title this season as they ousted Summerside High School in the finals. The Steele coached squad has a well balanced club and should stand a good chance of nailing down the Maritime crown. This observer thinks the sole reason for them losing to Rogers Rangers in the Charlottetown and District loop was that they didn't shoot enough; they wanted to make a nice play every time.

Tid Bits From Here And There

New England middleweight champion Larry Carney of Lowell will meet Canadian British champion Blair Richardson of Sidney, N.S., in the 10-round feature at Boston Arena Friday night, April 9. Carney, fresh from a three-round knockout over Eddie Owens, is reportedly in for a rough struggle with Richardson, who twice defeated Joe DeNucci and has appeared on national TV against the number one middleweight contender, Joey Archer. After wobbling Archer with a solid smash to the chin, Richardson was outpointed over the 10-round route. Archer is considered by many to be the 'uncrowned' middleweight champ.

We had a call from Eddie Devine last night and he was frothing about an utterance attributed to him by the author of Sports Best, Bill Ledwell. Eddie insists Mr. Ledwell must have had a bad phone connection when he called the Devine home because no son of his (Eddie's) would have dared quote his father as saying Montreal Canadiens would oust Toronto Maple Leafs. Eddie added that Mr. Ledwell must be in the twilight zone these days. "Of course" commented Mr. Devine "Bill's predictions are always so far from what does occur, he's trying desperately to make others look as bad as a prophet as himself." And former Sports Front author, Pius Callaghan says he must agree with Eddie on this last statement.

Queen Charlotte High School basketball team will host Summerside High School in the second game of their best of three series for the Island junior high school loop championship at the Queen Charlotte gym tonight. The North River Road students drew first blood in the series as they toppled the SHS hoopers on their home court. Action is scheduled to get underway at seven o'clock.

Ivan Doherty, president of the Charlottetown Minor Hockey Association, has been hard at work the past couple of days attempting to arrange a two day round-robin tournament at the Charlottetown Forum to decide the Maritime middleweight championship. The respective winners haven't been declared in either Nova Scotia or New Brunswick in this division yet.

Nats Hook Walsh Out For 5 Years

SUMMERSIDE — Borden defenceman Hook Walsh was suspended five years yesterday by PCHL President, Squadron Leader Stewart Logan.

Walsh will be barred five years from engaging in the local league and automatically re-filiated with the MAHA and C.A.F. Walsh received the suspension stemming from Wednesday's Walsh play off game between Borden Nationals and RCAF Eagles.

The defenceman was given a m a t e c h misconduct after he caught referee Glen Mathews with a cross checking penalty.

Charley Sark of Borden was suspended one game. Sark threatened an official.

Walsh or the Borden team can appeal to the MAHA and C.A.F. Logan's decision of suspending Walsh.

The annual spring flight of wildgeese has finally gotten underway. The first of April saw the first worthwhile flight of 'honkers' to reach our shores.

Several hundred were observed on Thursday of this week. One concentration of approximately three hundred were observed feeding in a stubble field and another flock numbering close to the three hundred mark were resting in the Hillsboro River off Falconwood. A few small bunches were present late in March in a sector south of the Hillsboro River. They appeared to find the securing of food a problem and one flock at Portree Creek only remained a few days. A few warm days will start the ice moving from our tidal marshes. It is reported to be porous and without much body.

Up to the present time our black ducks are among the missing. One keen observer, who travels extensively by car, told me a few days ago that he has yet to see a single black duck. This columnist has been approached by numerous people who hunt and others who don't, who have suggested a close season on black ducks. Others are quite definite in their opinion that a close season would be a senseless gesture as our local black ducks are non-existent at the moment.

DELVECCHIO SCORES TWO

Normie Ullman's Marker Gives Detroit 4-3 Win

By JERRY GLADMAN

DETROIT (CP)—A goal by centre Norm Ullman late in the third period Thursday night gave Detroit Red Wings a 4-3 win over Chicago Black Hawks in the first game of their best-of-seven Stanley Cup semi-final.

Ullman's goal was Detroit's second of the final period and came exactly three minutes after Alex Delvecchio had tied the score with his second of the night. Floyd Smith counted Wings' first goal.

The Red Wing victory overshadowed a towering performance by Chicago's Bobby Hull, who was a questionable starter until game time. Hull counted on the first Hawk goal and assisted on the other two, markers by linemates Chico Maki and Phil Esposito.

Hull, who has been suffering from knee injuries since early in February, went all out for the visitors throughout and gave strong indication that he has returned to the form of old.

The teams were locked 1-1 after the first period and 2-2 after the second. Chicago grabbed a brief lead at 1:01 of the third period when Maki scored on a power play.

The Wings got that one back.

NORM ULLMAN

also, with a man advantage, when Delvecchio blasted a screen shot from the left point. The goal appeared to start the home club on their way to victory.

BATS IN PASS

The winning goal came only seconds after Ullman left the penalty box where he'd just served a minor for roughing. He skated in front of the net, took a pass from Parker MacDonald and batted a hard backhand shot past goalie Glenn Hall.

The seven goals counted were no reflection on the play of Glenn Hall or Detroit netminder Roger Crozier. Both goalies made brilliant saves. Hall stopped 32 drives as opposed to 29 for Crozier.

Wings did most of the pressing in the first part of the opening period and their attack paid off at 12:51 when Smith converted a Ron Murphy rebound.

With Doug Barkley off for holding, Bobby Hull evened the score for the Hawks. Crozier made three dazzling saves from close in before Hull banged the puck in.

Red Wing defenceman Marcel Pronovost was at fault on Esposito's goal as he turned the wrong way to allow the Chicago centre to skate in on Crozier. He fired a low shot along the ice to beat the goalie.

Detroit's second goal also came on a power play with Delvecchio beating Hull unassisted from the left point.

Checking was furious throughout the game, but there was never any real threat of a fight breaking out. Referee John Ashley assessed seven minor penalties to Detroit and six to Chicago.

A Goal By Bob Rousseau Earns Montreal A 3-2 Win

By BILL NEVILLE
MONTREAL (CP)—Bobby Rousseau's spectacular power-play goal midway through the final period earned Montreal Canadiens a 3-2 victory over Toronto Maple Leafs Thursday night in a viciously-played opener to their best-of-seven Stanley Cup semi-final series.

A surprising small Forum crowd of 14,007 saw Rousseau split the Toronto defence with Jean Beliveau's pass and shovel the puck over sprawling Leaf netminder Johnny Bower before sliding into the boards himself to provide the winning margin.

It came at 12:29 of the third period with Toronto's Tim Horton in the penalty box and it recouped a hard-earned victory for Canadiens who had seen an apparently solid 2-0 lead disappear earlier in the final stanza.

Centremen Henri Richard and Ralph Backstrom gave Canadiens their early margin with first-period goals, but Dickie Moore and Carl Brewer got those back for Toronto within less than three minutes of the third.

That left it up to Rousseau to send Canadiens to the front in the series and end a wild-and-woolly game which threatened for the first 40 minutes to disintegrate into a gang rumble.

opening two periods, including four majors, a misconduct and a match penalty for a total of 71 minutes.

Things cooled down in the third, however, with only two minors for game totals of 26 penalties and 75 minutes, both well off the playoff record of 31 and 102 respectively.

Leaf defenceman Kent Douglas got the match penalty after the most vicious episode of the night, a stick-swinging duel with Canadiens' winger Dave Balon during which Balon was felled by a savage blow from Douglas' stick.

The match penalty was imposed under the National Hockey League's "deliberate attempt to injure" rule, meaning an automatic \$100 fine for Douglas and mandatory review at the case by NHL president Clarence Campbell.

Campbell, who watched the game from the stands, probably will rule on whether Douglas merits further punishment before the two teams tangle here in the second game Saturday night.

Three of the majors—to Toronto's Peter Stankowski and Frank Mahovlich and Canadiens' Ted Harris—and the misconduct to Jim Roberts of Montreal resulted from a second-period flareup which threatened at least three different fights but produced little from any of them.

SUMMARY
First period 1, Montreal, Richard (Tremblay, Larose) 11:02; 2, Montreal, Backstrom 14:34. Penalties—Moore 0:04, Toronto bench minor (served by Stankowski) 2:30, Laperriere 4:39, 19:30, Harris 6:09, Horton major 6:40, Douglas, match, Balon, minor 11:02; Talbot 14:30; Beliveau, Moore 18:00.

Second period — No Scoring. Penalties—Harris 1:52; Moore 6:16; Mahovlich, Stankowski, Harris, majors, Roberts, misconduct; Bann, Ferguson, Backstrom, minors 9:10; Laperriere, Shack 16:03; Stanley 16:59; Bann 17:43.

Third period — 3, Toronto, Moore (Brewer, Kelly) 8:04; 4, Toronto, Brewer 10:46; 5, Montreal, Rousseau (Beliveau, Horton) 12:29. Penalties—Horton 11:51, Laperriere 19:17. Saves
