IN MEMORIAM
MACPHERSON - In loving memory of John A. MacPherson who departed this life Aug. 19th, 1949. Gone from me but leaving memories that can never take away. Memories that will always linger while upon this earth I stay. Lovingly remembered Tillie.

HIGGINBOTHAM - In loving memory of Gladstone Higginbotham, Montague, P. E. I. who passed away August 20th, 1952. Treasured memories are all we have left. Of a Father we loved and will never forget. Lovingly remembered and sadly missed by wife and family.

N. Y. Stocks Edge Down Second Week

NEW YORK (AP) - For the second straight week, the stock market edged downward last week, thus placing a definite period behind the previous run of advances.

The most brokers it appeared to be a pause, rather than a serious reversal, of the long bullish trend.

A factor in the market is that many persons who bought stock at the low levels of January now have sizeable gains of possibly 10 per cent or so on their investments. They have held their stocks beyond the six months period necessary for them to qualify for the lower tax rate on long-term capital gains so they are taking their profits.

The Associated Press average 50 stock declined 90 cents on the week to \$138.60.

The continued selectivity of the market showed in the most actively traded stocks.

The five most active stocks on the New York stock exchange were: Columbia Gas, up 1/4% at 17 1/2; Gulf Oil, off 3/4% at 44 1/2; U. S. Steel, up 1/4% at 65 1/2; Aluminum Ltd., was off 2 1/4% with a 144 close in the New York stock exchange. Canadian issues: Canadian Pacific was up 1/4% at 36 1/2; Distillers-Seagraves was unchanged at 37 1/2; International Nickel was unchanged at 109.

Canadian oils on the American stock exchange were unchanged for the most part with only changes confined to small fractions.

Nickel Workers Accept Contract

SUBBURY, Ont. (CP) - Employees of International Nickel Company of Canada's Sudbury plant have voted to accept a new two-year wage contract involving immediate wage increases varying between 8 1/2 and 17 1/2 cents an hour.

Mike Solski, president of the 14,000-strong local of the leftist International Union of Mine, Mill and Smelter Workers (I. M. S. W.), which negotiated the contract, said fewer than one-half the eligible workers voted on the contract.

Of 6,649 voting, 3,937 favored the contract, 2,672 opposed and 40 spoiled their ballots.

A similar vote, among 2,000 union-organized employees of the Inco plant at Port Colborne, Ont., previously had voted to reject the contract.
