

# New Job For Knowles May Complicate CCF Recovery

By DON PEACOCK  
 Ottawa Press Staff Writer  
 OTTAWA (CP)—The process of recovering from its election wounds has been complicated for the CCF by the possibility of Deputy Leader Stanley Knowles taking a high post in the Canadian Labor Congress.

Party sources were tight-lipped Wednesday on reports that Mr. Knowles, who lost his Winnipeg North Centre Commons seat March 31, may be selected for a \$12,000-a-year executive vice-president's job with the 1,000,000-member C.L.C.

But it became known that Mr. Knowles has been approached by some officials of the country's main labor body and that he went to Montreal Wednesday to discuss the prospect further with labor officials there.

**LIKELY SUCCESSOR**  
 Meantime, Mr. Knowles also undoubtedly had in mind the expressed intention of CCF Leader M. J. Coldwell to retire, follow-

ing his election defeat in Rose-town-Biggar, Sask., which he had represented in the Commons since 1935. Mr. Knowles appears the likeliest prospect as Mr. Coldwell's successor.

There are those in federal CCF ranks who would support Premier T. C. Douglas of Saskatchewan as new national leader, but he is known to prefer remaining with the party in the provincial field.

Whether Mr. Knowles decides to stand for the CCF job or try for the C.L.C. leadership, he must make up his mind fairly soon.

The C.L.C. will be held at its convention in Winnipeg later this month. But the CCF national convention at which a decision on its leadership will be made won't be held until the end of July in Montreal.

**HAS NO COMMENT**  
 Before leaving here for Montreal, Mr. Knowles told a reporter he came East from Winnipeg to

discuss with his colleagues the best course for the future. Asked about the reported C.L.C. job offer, he said "I have no comment."

The possibility now arises that Mr. Coldwell might be persuaded to stay on as CCF leader should Mr. Knowles decide to go to work for the C.L.C.

One other name prominently mentioned as a possible successor to Mr. Coldwell is Hazen Ar-gue. He was the only CCF member to survive on the Prairies.

Both Mr. Coldwell and Mr. Ar-gue accompanied Mr. Knowles to Montreal. They were to meet with David Lewis, national chairman of the party.

The party's Commons representation was cut to eight members from 25 in the last Parliament. But party officials say they are not pessimistic about the future and have no intention of letting the movement be stopped by this setback.

# Institute Of The Blind Auxiliary Holds Meeting

Mrs. John B. Murley was elected President of the Charlotte-town Branch of the Women's Auxiliary of the Canadian National Institute of the Blind at the annual meeting of the organization held Friday afternoon at the Charlotte-town Hotel.

Mrs. S.G. Peppin, who has been president of the Auxiliary for the past two years, is presently in Florida and Mrs. Murley assumed the chairmanship of the meeting. She welcomed two new members, Mrs. Clifford Orford and Mrs. J.M. Larabee.

The President's report told of the various activities of the year including the annual picnic for the Blind held at Stanhope beach, the Christmas party at the Clover Club and the distribution of Easter gifts. The report made special mention of many visits made to blind people by members of the auxiliary. These visits it emphasized were eagerly awaited and very

deeply appreciated.

The secretary, Mrs. Blythe Murray, read a letter from the Friendship Club, an organization of local blind people, asking for assistance in holding a cake sale at Holman's store on Friday April 18th. Three members of the executive will actively help out at this sale, Mrs. Allan J. MacDonald, Miss Lorna Weeks and Mrs. John B. Murley. Many other members volunteered donations of cake and other home cooking.

Mr. P.C. Bower, Field Secretary of the C.N.I.B. for P.E.I. expressed in warm terms the thanks of the Institute of the Blind for the unselfish work they are doing. He gave a general talk on the work of the C.N.I.B. in the Maritimes. The President thanked him for his informative talk.

Following is the full slate of officers for 1958:

# St. Pius X C. W. L. Held Annual Meeting

On Sunday, April 6th, the first annual meeting of the St. Pius X Sub-division of the C.W.L. was held in the parish hall, Parkdale. This meeting was held immediately following the regular monthly meeting and was presided over by the president, Mrs. Percy MacDonald and was opened by the prayer offered by the spiritual director, Rt. Rev. R. V. MacKenzie.

The minutes of the previous monthly meeting were read by the recording secretary, Mrs. J. I. Higgins, and adopted.

The corresponding secretary, Mrs. Eugene Gorman, read letters received from the Easter seals campaign committee, the P.E.I. Drama Festival committee, the T.B. League, the National President of the C.W.L. and the Provincial Social Action convener.

The treasurer, Mrs. George Cheverie, presented the financial statement which was approved. Mrs. John L. Beaton, spiritual convener, announced that mass would be offered in the parish church on Saturday, April 26th in honour of our Lady of Good Counsel for all living members of the sub-division and that the perpetual rosary for world peace would be offered in the church throughout the day.

The meeting agreed to the proposal that the members cater to a wedding breakfast on April 30th, a bowling banquet on April 23rd and the Knights of Columbus Communion Supper on June 4th. It was also decided that the annual parish supper would be held in the hall on May 21st.

A very interesting discussion took place regarding national and provincial scholarships. It was decided to donate the sum of \$5 to the national fund for the education of girls in social work and \$50 to the diocesan fund to help maintain young ladies at St. Dunstan's University. A sum of money was voted to Monsignor McKenzie toward the building fund.

Mrs. John Thompson reported that she and Mrs. Leslie McGuigan had attended a meeting at Red Cross headquarters on April 2nd and announced that strong solicitations would be made for donors at the next clinic and asked for the full support of the members for this worthy cause. The meeting was advised that cdo liver oil capsules could be obtained by contacting Mrs. George Cheverie.

The various conveners then presented very satisfactory reports of their activities during the past year and the recording secretary, Mrs. J. I. Higgins summarized these activities in her report which was as follows: "It gives me great pleasure to greet you on this occasion marking the end of our first year of service and to present to you the progress report of the St. Pius X Sub-Division of the Catholic Women's League of Canada. We have made great strides in our sub-division as you will see from the following chronicle of events.

To begin with, on Sunday afternoon, February 24th, 1957, the ladies of our parish met in the church hall to organize a new sub-division of the C.W.L. in the absence of our provincial president and organizer, Mrs. B. W. DesRoches of Miscouche, Mrs. Lorne L. Noonan of Charlotte-town organized our sub-division and the following slate of officers was elected President, Mrs. Percy MacDonald, 1st Vice President, Mrs. J. M. Lee, 2nd Vice President, Mrs. Reg. McCarville, 3rd Vice President, Mrs. Fred Driscoll, Recording Secretary, Mrs. James Higgins, Corresponding Secretary, Mrs. Eugene Gor-

prayer offered by Monsignor McKenzie.

Mrs. Eugene Gorman, corresponding secretary, fulfilled her duties by submitting all correspondence and making all necessary replies.

Mrs. George Cheverie capably fulfilled her duties as Treasurer and reported total receipts amounting to \$4,195.77 received from various fund raising activities of our sub-division. We contributed to our national and provincial organizations, the Catholic Welfare Bureau and other Catholic organizations as well as to the building fund of our newly organized Parish.

John Beaton instituted several spiritual exercises of great value. These included the perpetual Rosary on the first Saturday of each month, monthly group communions and masses for deceased members. Mrs. Beaton also supervised the cleaning of the Church, care of the altar and Church linens.

# Small Grant For Welfare Bureaus

The amount of \$900 is all that appears in the Provincial estimates for the three welfare organizations operating in the Province.

Leo Rossiter (P.C. 2nd Kings) asked, "Is that all the welfare Bureaus are going to get?"

In reply, Premier Matheson said representations for added assistance has been made on behalf of the bureaus by interested parties and added, "It is likely we will have to make some new deal with them."

Asked by Mr. Bell why there was no increase in the annual amount of \$6,500 received by the orphanages, Mr. Matheson said these institutions are largely maintained by public subscription or church support.

Further questioning from Mr. Rossiter revealed that rural residents moving into incorporated areas become the responsibility of the urban area insofar as welfare assistance is concerned.

# Theta Rho Reports On Visit Of Halifax Hi-Y

Hi again from Thea-Tho. Well, things certainly have been buzzing since the last time we reported to you.

The biggest event was the exchange trip between Charlotte-town and Halifax Hi-Y clubs, during the past week. Halifax arrived in Charlottetown by train late Easter Monday night and were greeted at the station by a group of energetic local Hi-Yers including our own robust members waving their Theta-Rho banners and cheering heartily, despite the unpredicted weather condition which prevailed. If you were awakened by the beeping of car horns at approx. 11 p.m., please pardon our inconsideration; you see there was no time to waste in welcoming our visiting Hi-Yers to Charlottetown. We hope you understand.

Following a noon hour banquet where we ate to our stomach's content, we joined all the Halifax-Charlottetown kids to participate in either basketball, volleyball or bowling. Exercise like this always proves healthful, at the end of this every one had worked up an appetite and so food came to the rescue in the form of a banquet followed by a sack hop in the "Y" gym.

**REVIVED**  
 No sleep and many hours later, Wednesday dawned and more sports activities endeavored to wake up the tired bodies. It did so Theta-Rho breezed along with others to four historic points throughout the city and to St. Paul's Anglican church, which was a highlight of the conference Wednesday night wound up the conference when a formal banquet followed by a movie and discussions preceded the orchestral dance held in the gym.

Although all was ended, happy memories were just beginning for all as we waved good-bye to them

at the railway station, we felt deeply that the friendships gained in this short time would always be there.

There is no doubt that the two Maritime Hi-Y chapters — Charlottetown and Halifax are tops in the Hi-Y movement. Each learned much about the other and so valuable knowledge was gained.

**AND NEXT YEAR**  
 At present we're reminiscing over the successful exchange trip and next year we're hoping to jaunt over that-a-way. All we have to look forward to, is a possible one day trip from Moncton sometime this month and of course those life and death final exams in early May.

As for you, hope you are working diligently at whatever you are working at, and so from all of us. So long till next time, meantime enjoy as much of the beautiful spring weather as you can.
