PAINFULLY INJURED—Mr. Merrill Cameron, son of Mr. C. B. Cameron, Head of Hillsboro, met with a very severe accident on May 1st. The young man, who is nineteen years of age, was driving a team to Warren's Mills when the horses took fright, bolted, throwing the driver heavily to the ground where he struck a stone, severely injuring him inwardly. Mr. Cameron pluckily held on and was dragged for some distance before help came. He was tenderly cared for and Dr. Toombs is in attendance and it is hoped his recovery is but the matter of time.

For sprains and bruises. There's nothing better for sprains and contusions than Dr. Thomas' Electric Oil. It will reduce the swelling, follow a sprain, will cool the inflamed flesh and draw the pain. It will take the ache out of a bruise by counteracting the inflammation. A trial will convince anyone who doubts its power.

IM MEMORIAM

MR ALBERT WEBSTER

The calling home of Mr. Albert Webster of Frenchfort in the Royal Victoria Hospital, Montreal, on April 25th has filled his home and the community of Frenchfort with great sorrow. Mr Webster had not been enjoying good health for a couple of years and had gone to Montreal for treatment where he went through an operation which gave recovery, but complications set in and the end came suddenly and unexpectedly. Mr Webster lived all his life at Frenchfort. He was a member of Marshfield Presbyterian Church for many years and also filled faithfully the office of trustee of the church for several years. He was an honest and industrious man and a faithful church worker. His death at the early age of 52 was a great loss to the church and community and especially to the home. He is survived by an aged and invalid mother and a sorrowing widow, formerly Miss Mira Coffin, of Mr Stewart, two brothers, Joseph of Dunstaffnage and Robert of Colchester Road, and three sisters Mrs Moore of Dunstaffnage; Mrs Saxton, New Brunswick; and Mrs. at home. The funeral was largely attended by friends from far and near, who came to pay their last respects to one whom they revered. The burial took place in Marshfield Cemetery.

MR. RODERICK CAMPBELL

The death of Roderick A. Campbell took place at his home in Newport on Wednesday, April 26th, at the age of seventy three years. His death came as a great shock to his family and to his friends, as Mr. Campbell, although not of a very strong constitution had been in his usual health and had been going about among his friends until the day preceding his death. Mr. Campbell will be sadly missed, not only by his family who are in his death experiencing one of the greatest sorrows, but also by the whole community of which he had been a lifelong resident and in which, by tireless ambition and well-directed industry he had, with Mrs. Campbell, built up one of the finest homes of the countryside. Especially from his home will his presence be missed, for his cheery smile and words of welcome made his friends frequently by his friends and neighbors. To his family he was the kindest and wisest of fathers, setting an example by his industry, encouraging them in their work, and joining in their successes; to the community, a kind and charitable neighbor, and a zealous advocate of everything for the good of the parish. He leaves to mourn his widow (who was Miss Annie Morrison of Launching), six sons, Allan of Bridgeport, Conn., Everett of Providence R. I., Capt. Frank D. of S.S.R. W. Hendry, Pictou; Magdalen Soudris route, George, salesman for W. H. Schwartz & Sons, Halifax, William A. of the Imperial Oil Company, Halifax, Reginald of

P.E.I. Bible Society

A special meeting of the Executive Committee of the P. E. I. Auxiliary Bible Society was held in Charlottetown on May 11th.

Among the various matters brought forward, the following may be mentioned:

The Secretary, Mr. J. D. Seaman owing to ill health was temporarily relieved of his duties and Mr. J. P. Gordon was asked to fill his place. It was sincerely hoped that Mr. Seaman might soon recover his former health.

Mr. A. W. Sterns because of illness, resigned the Treasurership of the Society which he has filled most faithfully for many years. Mr. Sterns' retirement was met with expressions of sincere regret. The President and Secretary were empowered to arrange for a successor. An announcement will be made shortly.

The Sunday School Department reported the issue of folders for the Scripture Memory Work, and it is hoped that all Sunday Schools will make use of them.

During the summer it is expected that the work of the Society will be presented to the public by means of exchange of pulpits by the ministers of the Province.

The President reported briefly on his attendance at the Annual Meeting of the Canadian Bible Society held recently at Toronto. The gathering was the most encouraging in its history. Following is the cable message received from the parent Society in London on receipt of remittance from Canadian Auxiliaries of \$95,000.00.

"March 7. A perfectly staggering letter covering a cheque for £11,357 11s. 7d. This I think is the biggest cheque I have ever received. It came just as the General Committee were sitting and I was able to announce it. There was prolonged applause. I never expected you to beat your previous record. In spite of all the financial difficulties of Canada, you have done amazingly and set an example to the whole Empire. How can we thank you as we ought to. I am sending a cable today but I feel that no cabled words can express all we feel."

FIRST MACKEREL SIGHTED

ST. JOHN, May 12.—Captain Barkhouse, of the Canadian government cruiser Arras, now stationed off Cape Sable as scout, announces that the first mackerel of the season have been sighted. For several weeks schools of the fish have been making their way north from the southern fishing grounds, and with a short time they will be close to the long stretch of eastern Nova Scotia coast, and also probably in the lower Bay of Fundy.
