Recounts Interesting Visit To California

The following is a description of a trip to California and other American states taken by Mrs. Moryel M. Bell of Summerside, who recently returned to her home.

Mrs. Bell who went to California in company with Mr. and Mrs. Silas MacFarlane, had planned when she left to return via San Francisco, Seattle, Victoria and other Canadian cities, but for reasons of health, on the advice of her doctor in California and her nephew Dr. J. Ralph Calder, of the Henry Ford Hospital, Detroit, she was regrettably unable to return by the Canadian West route. Returning by Detroit, she and Mrs. Calder, and had the advice of some of the best doctors on the staff of the Henry Ford Hospital.

Mrs. Bell states that the weather during their first few weeks in California was rather cool, and more like the rainy season of March and April, but both she and the MacFarlane's enjoyed many weeks of delightfully sunny weather. While there they stayed at a delightful spot in Encino, outside of Los Angeles, just five miles from Van Nuys, where Mrs. Bell's cousin, Mr. Roland Tuplin and Mrs. Tuplin reside. The island visitors were royally entertained by Mr. and Mrs. Tuplin, and visited many places of interest, including "the Knott's Berry Farm," which is famous throughout Southern California, also "the Farmers' Market," described as "a town within a town," and a place long to be remembered, and motored through Coldwater Canyon and Beverly Hills, famous for its beautiful homes. They also visited Exposition Park, where they stopped to see the famous "Tar Pits," where the bones of prehistoric animals are to be seen, also the museum connected with the Park. This lovely park had in gorgeous bloom 15,000 roses, 145 varieties, a picture too beautiful to describe.

After a three weeks' stop-over in Detroit, Mrs. Bell returned via Montreal spending a few days there before returning to her home in Summerside.

Mrs. MacLeod was found in Nehemiah 13:31. A Life Membership Certificate was presented to Mrs. A. W. Leard.

Miss Louise Callbeck, guest speaker, gave a most interesting and enlightening address on the verse "Speak unto the children of Israel that they go forward," and a talk on the life of Kawagawa, an outstanding Christian leader in Japan. Miss Callbeck also read excerpts from a letter received from a friend missionary who visited Japan in 1953 and was warmly welcomed. She was greatly encouraged with the results during the past few years. Miss Callbeck repeated The Lord's Prayer in Japanese as well as singing their National Anthem. A solo solo "Near to the heart of God" was rendered by Miss Ruth Simmons. The following were appointed as delegates to attend the P.E.I. Baptist Association which meets in June. A social committee comprising Mrs. Robert Palmer, Mrs. Arthur Dunn and Mrs. A. W. Leard was appointed.

The closing hymn "In Christ there is no east nor west" was followed by the benediction. Refreshments were served by the members of the local W.M.S. Miss Phyllis Britten, on behalf of the guests, expressed appreciation for a most enjoyable evening.

How to KEEP FIT after 50

In the old days fifty seemed the signal to slow down—take things easy—watch your diet—get more rest. It's still good advice. But these days you can face fifty with many interesting and active years ahead, —active, that is, if you can avoid backache and the "third-act" feeling, due to kidney and bladder disorders, that often develop around that age. For more than 60 years Dadd's Kidney Pills have been helping men and women of all ages to keep kidneys and bladder in good order,—helping them to feel better, to work better, and get more fun out of life. If you are approaching fifty, or past it, Dadd's Kidney Pills may help you, too. You can depend on Dadd's.
