Rate On Overseas Cablegrams Is Cut Sharply

Only \$139,500 For PEI In Supplementary Estimates

OTTAWA, June 23—(Special)—Prince Edward Island fared poorly on supplementary estimates tabled in the Commons today by Finance Minister Abbott. Allotment for the entire Province in the supplementary funds totalled only \$139,500 with not a cent provided for any further work in Queen's County.

Projects listed for the Province include two for King's and two for Prince County. King's County projects are \$24,500 for a breakwater extension at Naufrage and \$50,000 towards reconstruction, improvements and dredging at the railway wharf at Souris. T. J. Kickham, Liberal member for King's expressed satisfaction over both projects.

Coming Events

- Glen Valley Ice cream social. June 26 in school. Come.
- Mail your Films to Garnham Photo Studio, Charlottetown.
- Dance, Orwell Hall, June 28th. Lunches served.
- Dance, Forest Hill Hall, Monday night, June 26th.
- Dance, Lorne Valley, Tuesday, June 27th. Webster's Orchestra.
- Show at Bonshaw tonight. "Wild Horse Phantom" Door prize.
- Dance in Alberry Plains School Tuesday, June 27th. B. and B. Orchestra.
- Meeting at Greenvale cemetery to repair grounds, Wednesday, 2:30 at 1:30.
- Ice Cream Social and drawing for Quilt in Spring Brook School, Monday, June 26th.
- See Spring Valley Players in "The Path Across the Hills", Cavendish Hall, Friday, June 30th.
- Free Photo to every customer Burke's Studio, 142 1/2 Great George Street, Charlottetown. Mail your films.
- Sale of homemade ice cream and cake in Clinton Hall Monday evening, June 26.
- Regular dance at Skyline New London every Tuesday night. Dancing from 9 till 1. Good music and canteen service.

OTTAWA, June 23—(CP)—I'm very glad they've definitely decided to extend the Naufrage breakwater," he said. "Some 36 boats were fishing out from there the last time I was down and had to wait until the tide came in to get into the harbor. The sooner that job is done, the better for the fishermen of that locality."

Mr. Kickham explained that the \$50,000 job at Souris is not related to the larger project of the railway wharf at Souris on which he spoke in the House of Commons last week. It is important, however, and he is gratified that it is being attended to.

"I'm by no means disappointed at not having an estimate for the larger Souris project at this time," the King's member said. "The Works Minister must have time to consider the very fine plans drafted by Mr. Miller of Charlottetown and I am in hopes that he will approve them for next session. In the meantime I feel we are making satisfactory progress in our public works for the time being."

J. Watson Naught said that a new post office at Kensington was essential. Not only was the present building not subject to extension or alteration, but drainage was inadequate, he said. He felt an attractive and serviceable post-office could be built there for \$50,000.

The vote of \$15,000 to widen and improve the railway wharf at Summerside, the member for Prince said, was an essential repair job that must be done in the very near future.

"The Works Department," he explained, "has accepted the principle of completely reconstructing the Summerside wharf. This is a project which may cost \$1,000,000 and spread over some years. This work to be done at Summerside now will be incorporated in the larger project on an economical basis."

W. Chester S. McLure, Progressive Conservative member for Queen's was somewhat disappointed at the lack of any estimate for Queen's in the supplementary estimates. "They forgot Queen's this time," he said, "but there is one thing about all these votes. The Government has to come to Parliament to get the money and I certainly intend to ask some questions on this point. Better than that, I hope to get some action on it."

Fall Of French Gov't Threatened

PARIS, June 23—(AP)—The fall of the French Government was threatened today in the midst of Schuman plan negotiations. Socialist members of the National Assembly announced they were deserting the Government tomorrow on a vote of confidence on a technical question of increased salaries for government workers.

On the surface Foreign Minister Robert Schuman's plan to pool coal and steel resources with five other Western European countries had nothing to do with the Socialist decision.

The defeat of Premier Georges Bidault and the resignation of the Cabinet, including Schuman, in the middle of the negotiations would be a heavy blow to the plan, however.

Moreover, political observers believed that under the surface the pool was deeply involved. French Socialists have declared they want the Schuman plan to succeed, but they also have said they believed it would be dangerous unless Britain joins.

Begin Observance Of Newfoundland Day

ST. JOHN'S Nfld., June 23—(CP)—The gala observance of Newfoundland's discovery 468 years ago began tonight with a provincial Government dinner for guests from many parts of Canada. This city—one of the oldest in North America—was be-flagged in honor of the occasion. Following the dinner, Newfoundland newspaper men were scheduled to throw a party for the visitors.

Representatives of various Provinces spoke in light vein at the dinner. Premier Smallwood started it off, when presenting Premier Jones of Prince Edward Island with a souvenir, by remarking: "I suppose you would rather have an order for potatoes." Mr. Jones had an answer: Prem-

Announcement Is Made By Transport Dept.

OTTAWA, June 23—(CP)—Sharply-reduced rates on radio-grams and cablegrams to the United Kingdom and to all other overseas countries will go into effect July 1.

The Transport Department today announced that the rates will be decreased simultaneously by all countries as a result of decisions taken at the International Telegraph Conference in Paris last year.

With the reductions will come several changes in cable regulations and abolition of the "zone differential" rate system among various Canadian regions.

Replacing the differential system will be a flat rate applicable to all Canadian areas, bringing with it significant rate drops in the Western Canadian areas.

Under the new flat-rate system, a full rate charge of 15 cents per word to the United Kingdom will apply for the entire country. It will replace the existing rates of 18 cents per word from Ontario and Eastern Canada, 27 cents from the Prairies and 30 cents from British Columbia.

Similarly, a 19-cent rate to France will replace the existing rate of 22 cents from Eastern Canada, 31 cents from Manitoba and 34 cents from the other Western Provinces.

New rates and regulations go into effect with all countries and by all overseas routes, operated by the government-owned Canadian Overseas Telecommunication Corporation and Commercial and Anglo American cables.

Principle changes in the regulations: 1. Full-rate and code messages will be unified under one classification, resulting, said the department, "in a considerable reduction in the present full-rate charges." 2. Full-rate messages containing both code and plain language words will be accepted. Code words will be counted at the rate of five characters to the word and plain language words at the rate of 15 characters to the word. 3. The "deferred" or half-rate

Annual Meeting Of Protestant Orphanage Board

A very successful year was reported by the Protestant Orphanage Board at the annual meeting of the board of trustees last evening. The meeting was held in St. Paul's parish hall.

Mr. W. A. Stewart, chairman, Mrs. H. S. Henderson, vice-chairman, and Mr. Ira M. Brown, secretary-treasurer, were re-elected.

Mrs. Henderson, as chairman of finances, reported one of the best years in the long history of the institution. The total receipts from all sources were \$28,974.23. Bequests from estates amounted to \$8,972.32, which was invested in trust bonds and is contained in the endowment fund. The Ladies' Auxiliaries alone collected \$11,622.96. Total bequests to the institution have now reached the sum of \$127,500.

Mrs. Henderson, in giving her report, stressed the fact that due to the very high prices for all necessities, the surplus for the year was comparatively small.

A special vote of thanks was tendered Mrs. Henderson and the ladies of the auxiliaries for the excellent work accomplished.

Votes of thanks were also tendered to the following: (Continued on page 5 Col. 5)

King's County Adds Approval To Potato Marketing Board

Farm Delegates Reject Daylight Time 299-94

The rural population have rejected the compromised Daylight Saving Time proposal that last time commence on August 1, it was announced last night following the tabulation of returns after the King's County Federation of Agriculture meeting in Cardigan.

299 school district delegates or 76.1% of the voters showed their disapproval of the plan. 94 delegates or 23.9% of the delegates voted in favor. Only school district delegates voted on the matter discussed at the three County Federation meetings.

Lt. Col. F. J. Storey, President of the Charlottetown Board of Trade stated the views of the urban population at the Cardigan meeting last night. Messrs. Walthen Gaudet and Gordon MacDonald of the Charlottetown Board spoke at the Bonnet River meeting and Mr. Alan Holman at the Summerside meeting.

Unanimous approval by the three County Federations of Agriculture of the proposed potato marketing plan was received yesterday when the King's County Federation members backed the scheme to a man in overcrowded Cardigan hall.

The Queen's and Prince County Federations gave their approvals in meetings held in Hunter River and Summerside on Wednesday and Thursday. Yesterday's nine hour meeting commencing at 2:30 p.m. was presided over by President Wilfred MacDonald of Brudenell.

King's County farmers appointed to the producer potato board were Messrs. Harvey Douglas Mount Stewart, A. F. Peters, Rollo Bay and David Wright. Lower Montague. The proposed plan was explained by Mr. L. P. McIsaac, Secretary of the Provincial Federation who also spoke on the marketing of eggs and poultry.

Messrs. Walter Witly, Farmington and Andrew Peters, Rollo Bay were appointed members of the Farm Forum Committee. The membership report given by the secretary, Mr. J. B. McIsaac, placed the total at 1237. Organization and growth of the Federation were reviewed by the president, Mr. MacDonald.

Visiting speakers were Hon. C. (Continued on page 5 Col. 4)

German Reds Call For Peace Rally In Ruhr

Maritime Library Ass'n Conference

Delegates from libraries throughout the Maritime Provinces gathered at Dalry House, Grand Tracadie, yesterday for the annual conference of the Maritime Library Association.

Mr. H. B. Chandler, of Charlottetown, President of the Association, presided as the meetings began at 10 a.m. Problems of general interest were discussed during the morning sessions. Reports of library activities in the various Provinces were given by Miss Dorothy Cullen for Prince Edward Island, by Mr. Peter Grossman for Nova Scotia, and by Mrs. G. J. Hart for New Brunswick.

At noon the delegates were guests at a special luncheon, given by the Provincial Department of Education. A brief address was given by Hon. F. A. Large, Minister of Education, who welcomed those attending the conference and wished them a pleasant and profitable meeting. Also present at the luncheon were Deputy Minister of Education L. W. Shaw and Mrs. Shaw, and the principal of Prince of Wales College, Dr. Frank MacKinnon.

At noon the delegates were guests at a special luncheon, given by the Provincial Department of Education. A brief address was given by Hon. F. A. Large, Minister of Education, who welcomed those attending the conference and wished them a pleasant and profitable meeting. Also present at the luncheon were Deputy Minister of Education L. W. Shaw and Mrs. Shaw, and the principal of Prince of Wales College, Dr. Frank MacKinnon.

News In Brief

OTTAWA, June 23—(CP)—Finance Minister Abbott said today in the Commons that he is not going to attempt to influence sales on the stock market by attempting to devalue the Canadian dollar and to Canada's foreign-exchange controls in the future.

WINNIPEG, June 13—(CP)—Hon. James O. McLennan, Manitoba's Attorney-General since 1943, died suddenly at his home today. He was 58.

OTTAWA, June 23—(CP)—Speaker Ross Macdonald announced in the Commons tonight the resignation of Georges Lapalme, Liberal member for Joliette-L'Assomption-Montcalm, who recently was elected leader of the Quebec Provincial Liberal Party.

LANGTON, Ont., June 23—(CP)—A killer with a Sten gun may still be in this Southwestern Ontario district where he robbed a bank three days ago and shot two men who tried to corner him.

WARRINGTON, England—(CP)—A "beetle" doll, 40 inches high and dressed in the smallest detail in the uniform of the Yeomen of the Guard, has been knitted for Prince Charles by Mrs. Alice Rose.

Canada May Seek New Tariff Concessions

WASHINGTON, June 23—(AP)—The United States and Mexico are ending their reciprocal trade agreement Dec. 31, 1950. This is an event of much economic importance because it means higher U.S. tariffs on imports not only from Mexico but from Canada and a number of other countries as well.

Major repercussions will be felt in oil and lead—the tariff will be doubled on lead from Canada, Australia, Peru and Mexico.

Officials said the cancellation will double—by 10 1/2 cents a barrel to 21 cents—the tariffs on about half the oil imported into the U. S.

The effect also may be some price increases in the U. S. on a range of goods from toys to oil. The State Department, which announced the cancellation of the treaty, said it was done because Mexico banned some imports in order to cope with a dollar shortage, and raised tariffs on many other products because of pressure to protect her own industries.

The agreement, signed in 1943, sharply reduced U. S. tariffs on many Mexican products. In turn, Mexico gave lower rates to many U. S. products.

Under the most-favored-nation policy, the U. S. automatically gave the benefits of the Mexican treaty to other countries. (It has treaties with many countries, including Canada under which it pledges to give them as good treatment as "the most favored nation.")

Thus, with the termination of the Mexican treaty, the effect will be felt by Canada and other countries besides Mexico.

May Seek Concessions
OTTAWA, June 23—(CP)—Canada may seek new tariff concessions from the United States as a result of the proposed cancellation of the reciprocal trade agreement between the U. S. and Mexico, it was learned tonight.

One Government official said it would be impossible to accurately (Continued on page 5 Col. 3)

Montreal Fur Auction Results

MONTREAL, June 23—(Special)—The Canadian Fur Auction Sales Co. Ltd., offered 12,000 silver fox and mutation pelts today. Platins and pearl platins were selling on last April's basis but standard silvers and white marked silvers were neglected. All types of mink were very firm.

(The above was supplied by Mr. George A. Calbeck, manager Fur Marketing Dept., Canadian National Silver Fox Breeders Association.)

Mother To See Daughter Elevated To Sainthood

VATICAN CITY, June 23—(CP)—For the first time in the 2,000-year history of the Roman Catholic Church, a mother will see her daughter elevated to sainthood tomorrow.

Mrs. Assunta Goretti, now 87, will be among the hundreds of thousands who will see Pope Pius preside at the canonization of Maria Goretti, who died in 1902 at the age of 11 of 12 dagger wounds received in defending herself from the impassioned attack of a country youth.

Maria Goretti, it is expected will be presented to the world by the Catholic Church this holy year as a model for Christian children and a "martyr of purity."

Her slayer, now 68, lives in a Capuchin monastery doing menial tasks. He is Alessandro Serenelli, who served 27 years in prison for his act, and who later was one of the principal witnesses in the investigation preceding Maria's elevation to sainthood.

Tomorrow's canonization will be the first ever to be held in the square outside St. Peter's Basilica. Maria Goretti died begging forgiveness for her murderer. Maria was declared venerable in 1945, and blessed in 1947. Miracles credited to her were certified before and after beatification.

Nfld. Signs Agreement On Trans-Canada Highway

Queen Square Cadet Corps Wins Honors

The Queen Square School Cadet Corps brought distinguished honor to this Province, it was learned here yesterday by capturing the efficiency award in cadet work over all other competing cadet corps in the Provinces of Nova Scotia and Prince Edward Island.

The word was received here yesterday by Lt. Col. Leo F. MacDonald, E.D., school principal and chief instructor of the Queen Square School Cadet Corps, and was contained in a telegram from Headquarters, Eastern Command, Halifax, N. S.

The following is the text of the message: "Your Corps first place in efficiency rating for all cadet corps in N. S. and P.E.I. Congratulations."

The Q. S. S. Corps, affiliated with the Prince Edward Island Regiment (17th Recce.) under Lt. Col. A. W. Rogers, E.D., Officer Commanding, was inspected here on June 9th by Brigadier W. W. Reid, D.S.O., E.D., accompanied by Lt. Col. Rogers and Captain Haldwell, Cadet Officer, Eastern Command.

Protestant Orphanage Auxiliary

The annual meeting of the Protestant Auxiliary of the Orphanage was held in the Orphanage yesterday. There was a very large attendance with the President in the chair.

The excellent reports presented showed a year of great achievement. Net receipts were \$11,532.96 while many boxes of clothing, toys and treats of all kinds were sent in to the children.

Mr. W. A. Stewart, chairman of the Trustees Board, expressed the appreciation of the Trustees for the outstanding work of the Auxiliary.

Fitting reference was made to the passing of Mrs. W. M. Rowe, a charter member of the Auxiliary and for many years a true friend to the children.

A resolution of thanks was extended to the "Home" Auxiliary, to Mrs. Gillespie of Charlottetown and to the Orphanage Staff for (Continued on page 15, Col. 5)

OTTAWA, June 23—(CP)—Newfoundland today became the eighth Province to sign the Dominion-Provincial Trans-Canada Highway agreement.

The signature of Canada's youngest Province assures completion of the highway's most easterly section and adds some 610 miles to the road designed to eventually provide a two-lane, hardsurfaced, highway across Canada.

Only sections of the 5,000-mile route now lacking approval are in Quebec and Nova Scotia.

Resources Minister Winters, announcing Newfoundland's action in the Commons today, told Percy C. Black (P.C.-Cumberland) that any decision as to the time when Nova Scotia would sign was up to that Province.

Nova Scotia has indicated it hopes to sign the agreement once certain terms are clarified. Quebec has given no indication that it intends to join in the agreement.

Cost of the highway is estimated at about \$30,000,000 of which the Federal Government has agreed to pay \$150,000,000. The Dominion also has agreed to reimburse the Provinces for half the cost of existing highways incorporated into the Trans-Canada route, providing such highways measure up to standards set for the new road.

Mr. Winters told the Commons the Newfoundland agreement had been signed today for the new Province by Hon. E. S. Spencer, its Minister of Public Works.

The 610-mile route through Newfoundland will run from the capital at St. John's to the village of Holyrood, thence to the big airport at Gander and through the towns of Bishop's Falls, Grand Falls and Corner Brook to the western terminus at Port aux Basques.

The link between Newfoundland and the mainland will be provided by a Canadian National Railway ferry operating between Port Aux Basques and North Sydney, N. S.

EVERYONE IS MONEY MAD—MAD BECAUSE THEY HAVE'NT ANY!

HALIFAX, June 23—(CP)—Official forecasts issued tonight by the Dominion Weather Office at Halifax.

Skies were sunny over most of the district on Friday, but there was some cloudiness and occasional light rain in the southwestern sections of New Brunswick and Nova Scotia and in the eastern half of the north shore region of Quebec. Afternoon temperatures were in the sixties, a little below the normal for this time of year.

Much the same weather is expected over the week-end. Skies will often be cloudy but little or no rain is forecast. Temperatures on Sunday are likely to be somewhat higher.

Regional forecasts, valid until midnight Saturday, with an outlook for Sunday: Prince Edward Island—Cloudy with few clear intervals. Not much change in temperature. Light westerly winds. Low and high Saturday at Charlottetown 45 and 69.

High tide today at 4:49 A. M. and 5:28 P. M.
Sun rises at 4:27 A. M. and sets 8:03 P. M.
Summerside tide eighteen minutes later than Charlottetown.
