FROM HALIFAX.—The steamer Fastnet, Captain Hopkins, arrived here from Halifax via intermediate ports, at half-past two on Wednesday afternoon, with a general cargo and two passengers—Miss Benoit and Miss Macdonald. She left on return at four o'clock yesterday afternoon with a cargo of oats, potatoes, pork, etc., and five passengers.

TELEPHONE REDUCES HIS RECORD.—In the free-for-all races at St. Johnsbury, Vt., Tellic (formerly Telephone) by Abdullah, jr., took first money in a race of five heats, and reduced his record from 2:28 to 2:25. He took the third, fourth and fifth heats in 2:25, 2:33, 2:30. Jerry Almont took the first and second heats in 2:31 and 2:34. Telephone is good stuff, as his time was the best ever made on the track, which is a half-mile one.

ONE OF THE MOST INTERESTING things to be seen the coming fall in the United States, is the big Food and Health Exposition, which takes place in the immense Mechanics' Hall building, Boston, between October 5th and 24th. For many years past these exhibitions have taken place at New York, Philadelphia, Baltimore and other large cities, and have invariably been the magnet of attraction for thousands of people. The Charlotte-town Navigation Co., and the Canada Atlantic Steamship Company will issue excursion tickets, return, to Boston at one first class fare from all stations, to leave Halifax by the S. S. Halifax, October 14th and 21st. Numerous attractions will be offered to excursionists arriving by the steamer Halifax. This cheap rate will induce a large number to take the opportunity of visiting the hub of New England.

SPECIAL DESPATCHES TO THE EXAMINER.

A HEAVY FIRE.

Great Loss of Wharf Property.

Half a Million Burnt Up.

HALIFAX, Oct. 2.

The most disastrous fire that has occurred in Halifax for years broke out at eleven o'clock last evening in Merlin's planing mills, situated on Taylor's wharf, near the Cunard wharves. The following wharves were burned with the buildings thereon: Croan's North Wharf, John Taylor's Wharf, the Liverpool Wharf, DeWolf's two wharves, North and South-West Wharf, and Hamilton's South Wharf. The buildings adjoining these wharves were also burned. The loss will reach at least half a million dollars.

PRESBYTERIAN SYNOD.

MEETING AT HALIFAX

Election of Moderator.

Some Statistics.

HALIFAX, Oct. 2.

At the meeting of Synod last evening the Rev. J. McMillan, retiring Moderator, preached ably from Psalm 122, verse 7, ("Peace be within thy walls and plenty within thy palaces") upon the ambition of the masses in times of prosperity. He showed that the last year has proved that prosperity is largely existing among us. Rev. H. B. McKay, of Wallace, was unanimously elected Moderator. The report on changes since last meeting showed 6 deaths, 8 licenses, and 2 receptions. One hundred and ninety-seven ministers and elders answered to their names. The weather is delightful, and the Synod promises to be the best meeting of its kind.

RECIPROCITY.

Postponement of Negotiations on Account of Blaine's Health.

OTTAWA, Oct. 2.

A telegram was received yesterday from the British Minister at Washington informing the Canadian Government that the state of Mr. Blaine's health is such as to prevent him from taking part in the intended negotiations with Canadian representatives on the 12th inst., requesting that negotiations be postponed until he should be able to participate. A reply was sent last evening assenting to the proposal, but expressing the hope that the meeting would not be delayed beyond the end of the year, as the Canadian Parliament would reassemble early in the next year, and it would be inconvenient for the Canadian ministers to be absent from here during the session.

O'Brien Convicted.

MONTREAL, Oct. 2.

Richard Neil O'Brien was found guilty yesterday morning, in the Court of Queen's Bench, of libelling Prince George of Wales by sending false and malicious despatches to the American papers. The jury was composed of half English and half French and was unanimous in its verdict, but recommended O'Brien to the mercy of the court. Donald McMaster, speaking for the prosecution, said right had been vindicated, and they would be satisfied even if sentence were suspended. Judge Cross then read O'Brien a severe lesson, and he left the court.

Mistaken Missioners.

ST JOHN, Oct. 2.

Reports from the British Farmer Delegates in the Maritime Provinces show that they have quite mistaken their mission and appear much more anxious to resurrect the Cobden Club theories in Canada than to obtain the information which they came to procure regarding our country. The Government have therefore ceased to advise or aid them, and have notified them accordingly.

McGreavy in Canada.

MONTREAL, Oct. 2.

Thomas McGreavy, ex-M. P. for Quebec West, was here to-day, and attended a meeting of the directors of the Richelieu and Ontario Navigation Co.
