MORTUARY STATISTICS.—For the following mortuary statistics of the City of Charlottetown for the month of June, 1890, THE EXAMINER is indebted to Dr. Johnson: Number of deaths, 19; for same month last year, 10. Cause of death—Scarletina, 4; pneumonia, 1; croup, 1; whooping cough, 1; consumption, 3; old age and general debility, 3; adenia, 1; hemorrhage, 1; scrofula, 1; tumor, 1; asthma 1; accidental fall, 1. Age at death—Under 5 years, 6; from 7 to 22, 5; from 55 to 76, 8. Average age at death, 33 7-12th years. Religion—Protestant, 7; Catholic 12. Nationality—English, 6; Scotch, 2; Irish 11. Sex—Males, 10; females, 9.

ENGINEERS INSPECTION.—The Charlottetown Engineers are being inspected to-day at Ravenwood, by Major Davidson, R. E., of the Royal Military College, Kingston. The task for competition is the tracing and profiling of a field redoubt, for the accomodation of 150 men. The work will be done to the scale of half the real size, and as the company is limited in strength to 35 non-commissioned officers and men, only a portion of the work will be completed. The company will be inspected in infantry in the evening at the Drill Shed at 8 o'clock.

KENSINGTON HALL.—The first Sabbath evening service was held in this Hall, last evening, at seven o'clock. The hall was well filled with a highly appreciative congregation representing all classes in the community. Mr. Sutcliffe addressed the meeting on the conversion of Zaccheus, Luke 19, chap. 1-6. The speaker brought his subject to bear on matters of every day life, and thus made his discourse one of the most striking and forcible to which we have listened. We do not wonder why he was so popular in the various districts of the Old Country in which he has labored for some time past; and we believe he will become a power in our midst for good. We understand that his discourse on next Thursday evening, at 8 o'clock, will be for the especial benefit of young men.

CHAPTER OF ACCIDENTS.—Mr. R. S. Carruthers, of Carleton, while handling an unmanageable cow a few days ago, had one of the fingers of his left hand taken off with the rope by which he was leading the animal.

Mr. John Howatt, salesman in the store of Messrs. Wright Bros., got somewhat badly hurt by a kick in the stomach from a horse, while driving out of St. Eleanor's last Thursday evening. We learn that the doctor says, had the blow been much more severe it might have caused his death.—*Pioneer.*

On Sunday evening 29th ult., a two-year-old Westlawn filly belonging to Mr. B. L. Woodside, of this town, was found in her pasture, so badly cut about the legs and sides that she was thought to be completely ruined. By what means the accident occurred is not definitely known, but it is generally supposed that one of the other horses, while they were together in the shed, kicked at her, causing her to jump back, coming in contact with a set of spring tooth harrows which were in the shed Mr. James Macdonald, V. S., is in attendance.—*Agriculturist.*

Dyspepticure—Is not a palliative, but a cure; it first relieves, then controls, and finally entirely subdues the irritation and inflammation of the stomach that causes indigestion and dyspepsia.

SPECIAL DESPATCHES TO THE EXAMINER.

Arrested for Murder.

GRAND FALLS, N. B., July 6.

David Jervis was arrested at his house last night, charged with the murder of John Desrosier last Monday night. It appears that Desrosier left a neighbor's house about ten o'clock at night, for his home, only a short distance away. His son-in-law, who was the first to give the alarm, stated that early next morning he found his lifeless body on the road, face downwards in the mud, with a big stone laying on the back of his head which had been crushed almost to a jelly. The stone weighed over 70 pounds. Public opinion soon pointed to the son-in-law as the culprit, hence the arrest. The prisoner was taken to the jail at Edmunston and the preliminary examination will be commenced the first of the week.
