GOOD WORDS FOR JAPAN.

An American who has been practicing
law in Tokyo for the last seven years and
has just returned home to New York is ab-
solutely in love with Japan and its people.
He says the nation deserves to win in the
war with China, precisely as civilization
deserves to follow barbarism, and must al-
ways follow it, according to the laws of
man. No one who is not in direct contact
with the Japanese can appreciate the fer-
vor and the in-doubtable will that animate
every man at this period of the country's
enlightenment. It seems to move like an
electric current through each class of the
people, from the highest to the lowest.
This gentleman further says that thought-
ful men in the centre of this struggle
watch the development of the Japanese
with a feeling akin to amazement; pro-
gress usually proceeds with a slow step,
but the new Japan it goes with leaps
that can be felt and seen.

ENDORSES DR. ROSE.

A Quebec Physician who Carroborates Dr.
Rose's Opinion.

PORTLAND, Dec. 3.—The letter of Dr. A.
G. McCormack, of Richmond, Que., testifying
to his complete and permanent cure from
Bright's Disease by Dodd's Kidney
Pills, has been read with much interest
here, supporting as it does the recent let-
ter of Dr. E. A. Rose, of this place, who was
cured of Diabetes by the use of these
pills. The fact of the corroboration
of the curative qualities of Dodd's Kidney
Pills was required other than the testi-
mony of Dr. Rose, but it is a satisfaction to
know that other medical men are able to
join the Dr. in testifying to the worth of
the pills from personal trial.

safe and excellent, as well as palatable

there is no other Remedy quite so good
for these ailments as PERRIN'S EMULSION.

is sufficient—remember it is PERRIN'S EMULSION—

What is

CASTORIA

Castoria is Dr. Samuel Pitcher's prescription for Infants
and Children. It contains neither Opium, Morphine nor
other Narcotic substance. It is a harmless substitute
for Paregoric, Drops, Soothing Syrups, and Castor Oil.
It is Pleasant. Its guarantee is thirty years' use by
Millions of Mothers. Castoria destroys Worms and allays
feverishness. Castoria prevents vomiting Sour Curd,
cures Diarrhoea and Wind Colic. Castoria relieves
teething troubles, cures constipation and flatulency.
Castoria assimilates the food, regulates the stomach
and bowels, giving healthy and natural sleep. Cas-
toria is the Children's Panacea—the Mother's Friend.

Castoria.
"Castoria is an excellent medicine for chil-
dren. Mothers have repeatedly told me of its
good effect upon their children."
Dr. G. C. Osmond,
Lowell, Mass.

"Castoria is the best remedy for children of
which I am acquainted. I hope the day is not
far distant when mothers will consider the real
interest of their children, and use Castoria in-
stead of the various quack nostrums which are
destroying their loved ones, by forcing opium,
morphine, soothing syrup, and other harmful
agents down their throats, thereby sending
them to premature graves."
Dr. J. F. Kitchell,
Conway, Ar.

"Castoria is so well adapted to children that
I recommend it as superior to any prescription
known to me."
H. A. Anderson, M. D.,
111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's depart-
ment have spoken highly of their experi-
ence in their outside practice with Castoria,
and although we only have among our
medical supplies what is known as regular
products, yet we are free to confess that the
merits of Castoria has won us to look with
favor upon it."

"MAKE HENS LAY."

Such is the caption of an advertisement
that appears not only in the local, but
many leading agricultural papers, and
which suggests the propriety of a few
thoughts upon the subject. It may be led
down as a rule that most people indulge in
raising poultry not for the pleasure it
gives, but for the profit that is realized
from the same, which must come from
young chicks or eggs, and since the chicks
must come from the eggs, the real profit
may be traced to egg producers, and the
advice given in these words is of vital im-
portance to the poultry raiser. "The
advertisement referred to recommends
Sheridan's Condition Powder to make
make hens lay, and so do we," says Mr. A.
P. Hunter, poultry editor of Farm-Poultry.
A hen to lay prolifically must be in perfect
health, must be in condition, and here is
based the true theory of the value of
Sheridan's Condition Powder—it promotes
the general good health of the fowl, gently
quickening digestion, and stimulating all
the various organs of the body as well as
the ovaries, to perform their functions. It
softens the vent, and cures the pain, the
Sheridan's Condition Powder is very valuable
for laying hens and young pullets. By its
use now they will get young earlier when
the price for eggs is very high. J. S. John-
son & Co., Boston, Mass., are the manufac-
turers of Sheridan's Powder, will send for
\$1.00; or for \$1.20 one large two pound
can of Powder, postpaid, six cans \$5.00,
express prepaid. Sample copy of the best
poultry magazine free.

CO LIVER OIL has long been known to
the Medical Profession as perhaps the best
single remedy for CONSUMPTION and
other Wasting Diseases—but most sick or
ailing people have an unconquerable aver-
sion to it, in its crude state.

The Hypophosphites of Lime and Soda
are only second to CO LIVER OIL in their
curative effects; in the above complaints.
In PERRIN'S EMULSION OF OIL, while
retaining all its medicinal virtues, is com-
pletely disguised both from eye and palate,
so as to be agreeable to the most delicate
stomach, while its curative effect is en-
hanced one hundred per cent. by its
scientific association with the salts of
Phosphorus.
