THE LAST ADIEU.

Adieu, my every hope, adieu!
Kind death approaches now;
No more can I be mocked by you,
Nor to your whispers bow.

Adieu, thou vain, inconstant world,
Soon shall thy frowns be o'er,
Long have thy tempests fierce been hurled
At one, they'll harm no more.

No longer can thy treachrous smiles
Allure me on to stay,
No more can thy ensnaring wiles
This wounded heart betray.

Oh! thou hast me bereft of all
That once I treasured best;
Oh, why should I thendread the call
That summons me to rest?

Soon shall the grave enclose this form,
While over it shall be
The sunshine and the wintry storm,
Alike unfelt by me.

Soon shall the silent night dews fall
Upon my exile tomb,
While I, then free from sorrow's thrall
Shall rest within its gloom.

Still, still there then thou tronbled heart,
Life's angry waves are o'er;
Grief's sharpest sting, nor envy's dart
Can wake thy throb no more.

For me no mourner's tear will flow
No bell will toll for me,
The lonely winds that o'er me blow
My requium sha'l be.

MISCELLANEOUS.

A YOUNG TOBACCO-CHEWER CURED.—On board ship, one day, we were stowing away the hammocks, when one of the boys came with his hammock on his shoulder, and as he passed, the first lieutenant perceived that he had a quid of tobacco in his mouth.

What have you got there?" asked the lieutenant, "a gum-boil? Your cheek is much swollen." "No, sir," replied the boy, "there' s nothing at all the matter." "Oh! there must be; perhaps it is a bad tooth. Open your mouth and let me see. Very reluctantly the boy opened his mouth which contained a large roll of tobacco. "I see, I see," said the lieutenant, "poor fellow! how you must suffer! Your mouth wants overhauling, and you teeth cleaning; I wish we had a dentist on board, but as we have not, I will operate as well as I can. Send the armorer up here with his tongs." When the armorer made his appearance with his big tongs, the boy was compelled to open his mouth, while the tobacco was extracted with this rough instrument.

"There now!" said the lieutenant, "I'm sure you must feel better already. Yon never could have any appetite with such stuff in your mouth. Now, captain of the after-guard, bring a piece of old canvas and some sand, and clean his teeth nicely."

The captain of the after-guard came forward, and, grinning from ear to ear, put the boy's head between his knees, and scrubbed his teeth well with canvas and sand for two or three minutes.

"There, that will do," said the lieutenant. "Now, my little fellow, take some water and rinse out your mouth, and you will enjoy your breakfast. It was impossible for you to have eaten anything with your mouth in such a filthy condition.

When you are troubled in the same way again, come to me and I will be your dentist." The lad was completely cured, by the ridicule of this occurrence, of the habit of tobacco-chewing.—Captain Marryat.

A SUNNY SMILE.—Sydney Smith said of Lady Murrry's mother, who had a most benevolent countenance, that her smile was so very radiant, that it would force a gooseberry bush into flower!

MRS PARTINGTON expresses great apprehension that the people in California will bleed to death as every paper she picks up announces "another vein opened."

Great English Remedy!

The most valuable Spring and Summer Medicine in the World:

Dr. Halsey's
FOREST WINE!

Patronized by the Nobility and Medical Faculty of England, and esteemed the most extraordinary Medicine in the World.

Medicine containing molasses or liquorice, like the boasted Sarsaparilla, require many large bottles to produce the slightest change in health. The Forest Wine is altogether a different article. It contains no syrup to give it consistency, but acquires its excellent flavor and powerful medicinal properties from the vegetable plants of which it is composed. The Forest Wine combines the virtues of the

WILD CHERRY, DANDELION, YELLOW DOCK, AND SARSAPARILLA,

with other valuable plants whose properties are all most effective

Its high concentration renders it one of the most efficient medicines now in use. Sometimes less than a single bottle restores the lingering patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The Forest Wine is recommended, in the strongest terms, for all complaints of the Stomach, Liver, Kidneys, Nervous Disorders, Bilious Affections, Dropsy, Dyspepsia, Loss of Appetite, Jaundice, Female Complaints, Scrofula, and all Disorders arising from BAD BLOOD and impure habit of the system.

SAVED FROM DEATH.

Testimony of Mr. Nathan Mathews, a highly respectable and wealthy citizen of Newark, N. J.

Dr. G. W. Halsey:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them I laid at the point of death with dropsy, piles and asthma. My Physician had given me up as past cure, and my family had lost all hopes of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive me, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, through which my life was placed in such great danger, was also entirely gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age.

Yours, respectfully,
N. MATHEWS.

Newark, N. J., Dec. 19, 1847.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS' STANDING.

New York, January 9th, 1848.

Dr. Halsey—Dear Sir,—Having taken your Forest Wine and Pills to remove a disease of the Liver from which I have suffered so severely for upwards of ten years; and having adhered closely to the directions which accompany the medicines, I have recovered my health, nothwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any advertised remedies, but I thought not, that there are hundreds who are dissuaded from taking your excellent medicines in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled venders of worthless advertisements. But, what a pity it is, that the deception used by others should be the means of dissuading many labouring under disease from making trial and being cured by your excellent remedies. Humanely speaking, they have saved my life; and now, I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days; and in six weeks from the time I purchased the medicines, to the great surprise of all my friends, I was entirely cured, and in fact increased fifteen pounds in weight, having taken one box of the Pills, and two bottles of the wine. Would to God that every poor sufferer would avail himself of the same remedies,

Yours, &c.
JAMES WILTON.

NERVOUS DISORDERS

Are diseases of the mind as well as of the body, usually brought on by troubles and affliction, and are most common to persons of delicate constitutions and sensitive minds. Low spirits, melancholy, frightful dreams, and fearful anticipations of evil from the slightest causes, generally accompany nervous disorder. The Forest Wine and Pills are an energetic remedy in these complaints.

Extract of a letter from Mr. Joseph C. Paulding, dated

PHILADELPHIA, September 7th, 1848.

Mr. G. W. Hasley—Dear Sir:—Your Forest Wine and Pills have cured my wife of a dreadful nervous disorder with which she has been affected for many years. Her body was almost wasted away. She was frequently disturbed in her sleep by frightful dreams, awakening quite exhausted and covered with perspiration, and at times laboring under the delusion that something dreadful was about to happen to her. By the use of four bottles of the Wine and six box of the Pills, she is now in perfect health. She has regained her flesh and color, and enjoys society as well as ever.

J. C. PAULDING.

Dr. David Marein, a celebrated practitioner of New York, declared publicly that one bottle of Halsey's Forest Wine contained more virtue than fifty of the large bottles of Sarsaparilla. Messrs. S. S. Lamp mean Co., one of the largest and most respectable druggists in Syracuse, in a letter, say: "From what they have heard and seen of Halsey's Forest Wine it is an excellent and good medicine, and will undoubtedly become the leading medicine, of the day."

The Forest Wine is put up in large square bottles with Dr. Halsey's name blown in the glass, $1 per bottle, or six bottles for $5. Gum-coated Pills, 25 cents per box. Agents are authorized to retail, as well as wholesale, on as favorable conditions as the proprietor, No. 161 Duane St. corner of Hudson, N. York.

NATURE OUTWITTED!!

Dr. Antrobus's Persian Hair Restorative,
AND HAIR DYE.

Under the immediate Patronage of the Princes of Persia and India.

These articles are without doubt the most extraordinary in their powers ever submitted to the Public, and require but to be tried, to be appreciated, admired, and continued.

The RESTORATIVE strengthens the hair and prevents it falling off after every other means have been resorted to unsuccessfully; it cures baldness and creates a natural curl, and by its use, myriads of persons of both sexes are indebted to having a good head of hair at the present moment. Its efficacy if therefore undoubted, and the whole world is challenged to produce an article to equal it, either for beautifying the human hair or preserving it to the latest period of life. For the production of Whiskers or Moustache, it is infallible.

The qualities of the HAIR DYE are decidedly superior to any thing of the kind ever attempted and the whole surface of the head can be changed into a most natural black or brown, within five minute after using it, so as to defy detection from the greatest connoisseur. Advice by post gratis on receipt of Postage Stamps.

Certificate from one of the greatest Medical Men of the day.—Read it!!!

Copy of a Letter from Dr. Magrath, M. R. C. S., dated Duke Street, Adelphi, London, the 17th January, 1854.

To DR. ANTROBUS,

Sir,—I feel great pleasure in attesting the virtues of your Persian Hair Restorative. Several parties who have been patients of mine having derived the most inconceivable benefit from using it; and in fact it is owing to this article alone, that many of them are not at the present moment completely bald; one party I may mention in particular, who had been laid up with typhus fever (a most beautiful young lady,) the attack however left her although as beautiful as ever in the face, still with scarcely any hair on her head. She tried every thing unsuccessfully, until I recommended her to use your *Persian Hair Restorative*, and in three months, she again possessed the same dark curling locks, as before herillness, although if possible, still more jet like, and attractive. I must admit, although I have recommended it to hundreds of persons of both sexes, I have never found it fails and consider, that where the hair is not past human aid, your wonderful preparation will restore it to its pristine state.

Your Hair Dye is the best I have ever seen or heard of, and has been used among my private acquaintances, with the most unbounded satisfaction.

I am, Sir, yours most truly,

(Signed) DENNIS MAGRATH.

Letter from Henry Vinson, Court Hair Dresser and Wig Maker, of 124, *Leadenhall Street, London.*

To Dr. ANTROBUS,

Sir,—Your Hair Restorative is one of the greatest blessings ever invented. Several of my customers are quite enraptured with it, and consider it beyond all praise. I cannot deny, but that it has appeared to me quite wonderful, the alteration it causes after using it for a few weeks, it excels any thing of the kind I ever used, causing a complete metamorphosis; giving the hair a natural curl, and even entirely hiding grey locks, setting nature at defiance.

You may depend upon it, that it surpasses any thing of the kind ever brought before the public, and as to your Hair Dye, I can sell all you can send me, it is so unquestionably good.

I am, Sir, yours faithfully,

(Signed) HENRY VINSON.

The Restorative is sold at 1s. 6d., 2s. 6d., and 4s per Bottle, Sterling. The Hair Dye 3s 6d. and 7s per case. The larger sizes are a great saving Directions for use accompany each Bottle and Case.

☞ *Be particular to ask for Dr. Antrobus's, or you may be imposed upon.*

Sold by all respectable Chemists and Perfumers throughout the world, and at Dr. Antrobus's Establishment, 2, Brydges Street, Strand. If any difficulty arise in obtaining it, send postage stamps to Dr. Antrobus's address, and it will be forwarded by return of post.
