ST. PAUL'S A. Y. P. A. The regular meeting of St. Paul's A. Y. P. A. was held in the Parish Hall with a large number present. The meeting opened with the hymn "Stand Up, Stand Up, Jesus", followed by the A. Y. Prayer. The minutes of the last meeting were read and approved and the roll called. The report of the cake sale held last Saturday at Fennell and Chandler's was given and also the report of the Communion Breakfast was also given. Following the business part of the meeting, the members practiced for a service which will be held at the Provincial Sanatorium. This service will consist of Christmas music. A few games were then enjoyed by the members and a lunch was served. This Sunday morning the A. Y. are going to cater to the laymen of the church at a Communion breakfast and plans for this were discussed. The meeting closed with the singing of "Auld Lang Syne" and the "Grace."

NEW LONDON W. M. S.

The Auxiliary of the W. M. S. of New London United Church held its regular meeting at the home of Mrs. Harold Dunning on Thursday evening, November 22nd. The meeting opened with the worship service taken from the Missionary Monthly. The theme being "One in Christ." Mrs. Marshall Constable was the Leader and was assisted by Mrs. Ray MacLeod and Mrs. J. M. Campbell.

The dedicatory prayer for Dr. Fry was offered by Mrs. Marshall Constable. It was followed by sentence prayers by the members. The President then conducted the business period. Roll call was answered with a verse containing the word "Grace" or "Remember." There were fourteen members present. The minutes were read and approved. The secretary reported 36 calls made and fifteen cards and nine boxes sent to sick and shut-ins. During the month sixteen books were read.

rescinded. All through the summer the price of cheese on that market was steady at about 26 1/2 to 27c for Ontario White, but all cheese made in those two provinces since November 1st has advanced to 37c-38c for Ontario White and 38 1/2 to 39 1/2 for coloured. These prices are more in line with our present island prices and we would judge it, therefore, to be impossible to buy cheese in either of these provinces now with any financial advantage.

Will Move Dec. 1st

The amount of butter available is not definitely known but it is considerably lower than the amount purchased by the Board in 1949. It is announced that the butter will move into the trade on December 1st. It is expected that the delivered out-of-storage price of Board butter will increase the price of prints to the trade anywhere from one-half to one cent per pound as the margin between the Board price and the present wholesale price quoted in Halifax is not sufficient to cover the reworking expenses of this commodity into print form.

With the production in Canada about 5% below that of last year from the beginning of the present year, and the out-of-storage movement in Canada at present about three and one-half times greater than in 1949, and the holdings of Dairy Products Board butter considerably less than that of a year ago, we could safely predict that there will be a shortage of butter in Canada before the next production season begins.

The price of cheese increased greatly in the Montreal markets since the requisitioning order was
