

Mrs. W. D. MacIntosh, Lower South River, N.S., uses Fleischmann's Yeast "for quick rising and perfect results."

Gets several Baking Prizes at Antigonish Fair

The sturdy forebears who settle Antigonish County left a rich tradition in the home arts. And a look over the baking section at Antigonish Fair will assure you that the present generation is not letting them down! It's a hard choice for the judges, with so much fine baking. But when it's all decided you're bound to see the name of Mrs. W. D. MacIntosh prominent among the winners.

"It isn't just baking skill or long experience that makes you a prize winner," says Mrs. MacIntosh. "First you have to have the finest ingredients. For rolls and bread my choice is Fleischmann's."

A popular choice! For over 80 years Fleischmann's Yeast has produced the finest baking results for Maritime housewives.

It is pleasing to learn that the condition of Dr. Boyer, Mr. C. E. Shaw, and Mr. Fred Ince is improving since entering the P. E. I. Hospital for medical care.

Relatives and friends of Mr. Fred Ince wish him an early return to his home from the P. E. I. Hospital, restored to health, following injuries and shock sustained in an unfortunate fall which occurred at his home on December 25th.

Many hockey fans from this district attended the hockey game at the Charlottetown Forum on Friday evening, January 2nd, and were much pleased with the score: Islanders 5, Halifax 4.

Despite the unfavorable weather, Victoria Rink re-opened for the season, with a good attendance of skaters representing several districts, on Saturday evening, January 3rd.

The annual church business meeting of the Hampton section of the field convened at the manse on January 2nd, with a good attendance, and reports indicate healthy progress in all departments. A very delightful luncheon was served by the hostess, assisted by members of the W. A. of the church.

Miss Dorothy Baxter, daughter of the Rev. R. H. and Mrs. Baxter, guest at the manse during the Christmas holidays, has returned to her studies at Mount Allison University. Miss Baxter contributes freely and very acceptably, of

her fine vocal talent to the Sunday church services, whenever the way opens to visit the manse.

Due to unfavourable weather, church services throughout the pastoral charge were not as largely attended as expected. The New Year's message in sermon and song received close attention. Miss Baxter very effectively sang "The Lord's My Shepherd", accompanied by the church organist.

Relatives and friends of Mrs. Lavoie extend best wishes to her for an early return to her home, in renewed health and strength, following a major operation in the General Hospital at Manchester, N. IN MEMORIAM

WALTER STEPHEN WEEKS

Not only the residents of the community of Hunter River, but those of Charlottetown and his many friends and acquaintances throughout the Province were shocked and saddened by the unexpected death of Walter Stephen Weeks on December 24, one week after a serious operation performed in the Prince Edward Island Hospital.

The late Mr. Weeks, who, at the time when he was called home was in his forty-fifth year, was born at the old homestead, Fredericton, P. E. I., the son of the late Mr. Frank Weeks and his wife Louise Haslam. Mr. Weeks received his early education at Fredericton, and later attended the Charlottetown Business College. After his graduation from that institution, he took up most successfully the practice of farming until three years ago, when he was made manager for Prince Edward Island of the Cockshutt Machinery Co. In this capacity, he was so diligent in the service of this firm and so true and just in all his dealings to his customers, that he built up, for himself, and for his principals, a reputation so high for fair and square service, that his name is known, and his presence will be missed, not only by his host of friends, but by almost every farmer in this Province.

Mr. Weeks married Gertrude May White of Murray Harbour. To them were born five children—three sons, Gordon, Harry and Ray, and two daughters, Linda Louise and Anna Joan, all of whom survive him, as do his mother and three brothers, Hedley of Charlottetown, Herbert and Chester of Fredericton. One brother, Ray, and an only sister, Annie, Mrs. Louis Roper, predeceased him.

The funeral was held on Saturday, December 27th from Hunter River United Church, with burial in the church yard. Services at the church and grave were conducted by Rev. Howard Christie, assisted by Rev. Mr. McPhail, Bradshaw, and Rev. W. J. Green, St. Mary's Bridge. The great throngs of people who came to pay their last tributes of esteem and affection were eloquent testimony to the high regard in which Mr. Weeks was held in the community.

A public address system was installed to enable the thousands who could not find room in the church to hear the service which was being conducted inside.

The pall-bearers were: Honorary, Wilbert Stetson, Bryer Llewellyn, Edison Watts, Gordon Cudmore, Selby Spence, Russell White, Leo Reid, David Gillis, Clifford Matheson and Robert Compton; active, Wallace DeRoche, Harold MacLean, Robert Silliphant, Honevell Spence, Kenneth Wonnocott, and Kenneth White.

Floral tributes were as follows: The Family. Mother. Hedley and family. Herbert and Ruth. Chester and Ruby. Mr. and Mrs. Milton White. Fern and Anita White. Doris and Clarence McDonald. Ross and Wynian White. Lou and family.

OUT OUR WAY

By J. R. Williams

It's good to go into debt... to yourself

It's the streamlined way to make financial progress. Some of our most successful customers use this system. It's the very heart of Personal Planning—the B of M's method of family-financing which Canadians from coast to coast are finding practical and stimulating.

It means putting yourself on your own pay-roll... making up your mind that you yourself have a claim on your income just as much as the landlord, the butcher and the tax-collector.

You'll do this, of course, because you have a definite objective—a strong reason for saving. It may be a general goal like family security... or it may be something specific like a new refrigerator, a house, or even a place in the country.

You can go into debt to yourself in two ways—by saving and by borrowing.

Saving comes first, of course... so much a pay-day owing to yourself.

A bank balance gives you personal confidence as few other things can. It gives you a good foundation for your financial plans... and it makes it easier for your B of M manager to lend you money when you want to realize an objective sooner than you otherwise could.

When you have a sound financial program, but need money for some useful purpose, borrowing at the B of M is just as sound as systematic saving. Indeed, it is another form of saving. And it is the B of M's business to lend you money, when it's good business for you to borrow.

A B of M Personal Loan simply enables you to enjoy sooner the things you plan for... and you pay it off in regular instalments just as you have built up your savings balance.

Why not make up your mind to get what you want this streamlined way—and open your special-purpose savings account at "MY BANK" tomorrow. And while you're in the Bank, have a chat with the Manager or Accountant. You will find them ready and interested to discuss your plans and problems.
