MR. AND MRS. DON MACLEWEN

Early Autumn Double Ring Ceremony Held At Trinity

Trinity United Church, Charlottetown, was the scene of a very pretty early-autumn wedding when, Glendys Jane, only daughter of Mr. and Mrs. John A. MacLean of Charlottetown, became the bride of Donald Frank, oldest son of Mrs. Jeanette MacEwen and the late Mr. Frank MacEwen of Charlottetown.

The double-ring ceremony was performed by the Rev. G. W. Ball. The wedding music was performed by R. MacLeod, ABCO Church Organist, who accompanied Miss Madeline Bognor in a solo "Because" before the ceremony and "I'll Walk Beside You" during the singing of the Register.

The Church was decorated for the occasion with baskets of pink and white carnations and roses, and appropriate trimmings for Thanksgiving adorned the altar. Pink noons with white satin bows and streamers marked the guest pews.

The bride, given in marriage by her father, wore a floor-length original gown of white silk sheer over taffeta and styled on the controlled princess line with hand-plucked Chantilly lace appliqué on the bodice. The gown was accented in the front by a bow just below the bust and had long pointed sleeves and a round neckline. Her four-tier veil of nylon fillet fell from a crown of sequins, crystals and pearls.

Her bridal bouquet was a crown of pink Sweetheart Roses with White Feathered Carnations and Stephanotis entwined with ivy. Her only jewelry was a single strand of pearls.

The bride's attendants were Miss Joan Korry, as Maid of Honour; and Misses Janet Korry and Eoid Livingstone as bridesmaids, all of whom wore identical steel-trength dresses of shocking pink organza over taffeta with a row of embroidered flowers around the full skirt and neckline. Their matching long-sleeved dresses were of pink organza with a row of sequins, crystals and pearls. They carried nosegays of mixed pink and white baby's breath.

The groom's attendants were Athol Worth as groomsman, and Jerry Mill and Jackie MacLean, brothers of the bride, as ushers.

The bride's mother wore a beige lace over brown silk dress with matching brown accessories.

les for her daughter's wedding. Her corsage was of burnt-orange roses. The groom's mother chose the traditional brown two-piece dress with matching accessories and a corsage of yellow roses.

Following the ceremony, a reception for approximately 110 guests was held at the Queen Hotel where a three-tier white and pink wedding cake centered the bride's table. It had pink swan pillars and was topped with a matching pink swan and floral arrangement. Toastmaster for the day was the bride's Uncle, Henry Dalvington, 1700 Malden, Mass., USA, who very appropriately toasted "I love a bride. This was responded to by the best man, who also read a telegram from Misses Joyce Coody and Bernadette Trainor. Later in the day another telegram was received from the bride's aunt and uncle, Mr. and Mrs. Tony Lambert of Lunenburg.

Miss Gail Norris circulated the guest book during the reception. The luncheon program to the United States, the bride wore a straight green print silk dress with matching pillow hat and carried a white mohair coat with black accessories. Her unique away corsage was of Yellow Roses.

Among the out-of-town guests present were: Mr. and Mrs. Henry J. Dalvington, Malden, Mass.; Mrs. Dorey MacEwen, New Germany, Nova Scotia; also Mr. and Mrs. John T. MacLeod; Mrs. Florrie MacLeod; Mr. and Mrs. George Wood; Mr. and Mrs. George Lowther; Mr. and Mrs. Robert Martin; Mr. and Mrs. Lawson Jenkins; Mr. and Mrs. John MacEwen; and Mr. and Mrs. Walter Houston.

Prior to her marriage the bride had been employed as a stenographer by her attendants Misses Janet and Joan Korry and Eoid Livingstone, who also Miss Brenda Archer, who she received many very complimentary remarks for. She also, the bride was presented with an electric toaster and a silver serving tray when the employees of the Department of Veterans Affairs had an office party.

from second Corinthian, chapter five, was read by Mrs. Ernest Walker and followed with prayer by Mrs. Wyman Birch.

The theme of the meditation was "The Field is the World" with all members taking part and concluding with the missionary creed in union. A letter was read requesting assistance in the purchase of a projector for Miss Mary Maclean, deaconess at large for the province, and a collection was taken for the same. Reports for the visiting committee and Mrs. Campbell and Mrs. MacEwen were presented by Mrs. Walker and the repeating of the Miraphal conclusion concluded the meeting.

The November dinner meeting of the local business and professional women was held at Birch Hill Lodge on Tuesday evening with the president, Mrs. Olive Harte, conducting the routine business. It was decided to sell Holly for the Christmas fund, conducted by the program was in charge of the Millan was in charge of the interesting facts on United Nations.

Friday evening, a number of descendants of the Brudenell pioneers called at the home of Mrs. Mildred Gay, Montague, for their annual meeting.

Much interest was shown in the discussion on the upkeep and preservation of this historical spot, Brudenell Island, and it was decided to hold the memorial service for the same on Sunday in July, a definite date to be arranged later.

The officers for the ensuing year were elected as follows: honorary president, Stafford N. Gooding; president, Kates Hall; vice-president, Glen MacLeod; secretary, treasurer, Mrs. Mary Louise Kieffer.

At the close of the meeting, the hostess served delicious refreshments and a pleasant hour was spent in friendly conversation.

Recent guests of their mother, Mrs. Martin Hume of Montague, were her sons, Captain James L. Hume, who is stationed with the air force at Fort George, Maryland, and Edwin Hume, who is employed with Old Dutch Tire and Marble Co., Washington, D.C.

Mr. Emil MacLeod left for Victoria, B.C., after spending a past two months with his parents, Mr. and Mrs. Angus Matheson, Montserrat, who was accompanied as far as Moncton, N.B. by his mother and Mrs. Mary Buell of Montague. Mrs. MacLeod is employed at Niamo Hospital in Vancouver.

Miss Joan MacRae, Belle River, who has been employed with the Island Telephone Company at Montague, during the past four years, left last week for Victoria, B.C., for an indefinite visit.

BRACKLEY POINT WI

The 17th annual meeting of the Brackley Point WI was held in that other granary. I didn't like the feeling of the gran then this evening. I'd better slip into my boots again, and see what the young lad in the house across the lane, thinks of my annual presentation.

It is into walking shoes this day and the present-day nice November day that it was. Until tomorrow — Diary-Goodnight.

Field Work Continues On Into A Dusk Overtime

There is no end, it would seem, to the harvesting this year. The work of it, suspended so frequently on account of damp weather, ever since fields commenced to come golden and ready in summer to the binder, continues unseasonably into the fall. We in farms survey hope fully each dawn, that breaks through the damp of a shower or over the time of searching for a sign of a fine day ahead. And falling to rest, we sigh, on the other hand, and at length hearts alighten when the familiar beams across the farmlands again.

Then the fieldwork is continued on into a dusk overtime. Loads of the savings come in. It may not be the roots, the turnips in great supply to be stored in the basement - bin in the barn. Or there are those clean off their super-labets, and wash and return the dishes - and we are aware that an auger is sending up grain in a granary, or the power of a tractor, or the sound of straw to some left, in this, the strangest of the strange harvestings that island folks have ever yet known.

The sunset? Did you watch it? See the great glory of orange-mont and spread in some display - more or less wildly, as the Fall's sunset goes to its tune with the sometimes gusty winds, the beating rain on the windows, the darkening of waters tumbling from the spillways in the dam, or the lights that have been in recent weeks, we think we should pause to share them, that pain to this Miller's inspiring picture, who

heads reverently in the midst of their work when the rays of the Angolan ring a trill. And then, in the twilight, the next three months pass as quickly as the last on pieces. Granddaughter at the table, "There are no farmers who give up their work for the holidays have gone! It will be no time," she says, "until the light comes, they come!" "When they come, they come!" "I have a day at a time," we say.

"That's all very fine in the end, but there are the Teas ahead."

"I don't know where my school boys were when they were in arithmetic, well, I puzzled over it, but could I see the light, well, the answer smiled happily, "I considered it from another angle and there it was!" "But he shook his head in mock despair, "sometimes my thoughts surely do fly away!"

"From the other side of the schoolroom to the wide paths of the farm: to the fields and the woods, and the trees, and the machines, in their power so gusty to a boy of the farm. There you see the roots, the turnips, letting fall the paper he says, reading in the old armchair, "once a farmer gets his harvest under cover, his thoughts were pretty well over. But this time, well, I'm this"
