## News by Telegraph!

5 o'clock.

We have just heard of the arrival of the Colonial Mail at Cape Trverse. The following Telegraphic Despatch has been sent to town:

No English Mail for Halifax last week; the Niagara sent to Turkey with troops. War declared. Our Mail was to be sent the following week, by the Asia, to call at Halifax on her way to New York. The Andes had arrived at Boston with an English Mail.

### POSTSCRIPT.

We take the following items of News from St. John, New Brunswick papers.

### PREPARATIONS FOR WAR.

Government have chartered following steamers—Golden Fleece, Jason, Cape of Good Hope, Propontis, Himalaya, Manilla, Ripen, Cambria, Niagara, Victoria. Queen of the South, Hydaspes, Harbinger.

The fourth, eleventh and seventh Dragoons are reported to be under orders.

Accounts from the Danube via Paris, announce positively another Turkish success between Galatz and Ibrail, and that independently of the victory at Giurgevo.

The period of 40 days allowed Porte for the Russian acceptance the terms adopted by the Turkish Cabinet expires on Thursday, Feb. 8. The Porte or Allies are fully justified in taking any measures they think necessary. Buckharest. The Russians have 65,600 men before Kalafat, bad weather alone preventing any attack. Active operations will not be commenced before first March.

A Democratic conspiracy was discovered at Madrid on the 6th. Fourteen persons were arrested. General Jose Concha is proclaimed a rebel, but has escaped into France.

Count Buol has notified the Turkish Ambassador that the concentration of troops on the frontier is intended only as a precautionary measure against aggression on Austrian territory. This notification was accompanied by friendly expressions. The British government has advertised for seven or eight coppered ships of 700 or 800 tons to be engaged for four months certain, in the conveyance of cavalry.—The port of destination is not mentioned.

Russian Privateers from America.—The Courier des Etats Unis asserts that Russian officials are now in this country organizing privateering expeditions. It says that every thing has been prepared with great care, and at the report of the first cannon fired in the Black Sea, a flotilla of American corsairs with the Russian flag at the mast head, will sail into the Atlantic to prey upon English and French Commerce.—*Roston Traveller.*

Privateering.—Two Russian naval constructers (of whom Mr. Greenwold is the principal,) and one engineer, arrived here about a month since, for the purpose of conferring with Mr. Webb, the shipbuilder, with reference to the large steam propeller which he contracted to build for the Russian Government, while in Europe last summer. After a protracted effort, Mr. Webb succeeded in convincing the Russian Government that he could construct a ship superior to any in the Russian navy; and this, which is designed to be a model ship, is the result. It is proposed to furnish simply the hull and spars, without any armament. The keel timbers are now in course of preparation, and will soon be laid down. This Mr. Webb believes to be the only vessel now constructing in this city for the Russian Government, or fitting out for privateering purposes; and the gentlemen concerned in her, having accomplished their business, will soon return home. We presume but cannot certainly know that this is the only basis of the rumours mentioned by the French paper of this city, the Courier des Etats Tnis, that Russian officers are engaged, in this and other American ports, in enlisting men and equipping privaters and cruisers, to be employed against the commerce of Great Britain and France under the Russian flag.—*Journal of Commerce.*

## To the Electors of Charlottetown and Royalty.

GENTLEMEN,—The recent change in the Government having rendered it necessary to appoint new Public officers, I have accepted the office of Attorney General of this Colony, and my seat in the Legislature, having by this act become vacant, I solicit the honor of again representing you in the House of Assembly.

My political opponents, are endeavouring to make the acceptance of this appointment, appear an act of inconsistency, because I had previously declared myself in favour of excluding a certain class of salaried officers from seats in the House of Assembly. It must appear to you that my opponents are quite unwarranted in this accusation; *First* because it has never been declared by the party to which I belong' that the Attorney General and Colonial Secretary, or either of them, should be excluded from the Assembly; on the contrary, several of that party consider that these officers should form exceptions to the rule. And, *secondly*, whether these officers, or either of them, are to be excluded, I should hope you scarcely need be told, that it is impossible for me to act upon a rule before it is brought into existence, and established as a principle of our Constitution. Our party will select a fit opportunity and a proper time to do this. We will not submit to be dictated to by our opponents in this respect. When a battle is to be fought, we will not choose the place or the day which the enemy's Generals point out to us for the engagement. In the meanwhile we are compelled to take the system of Government as it is delivered to us; and when the day arrives that we shall be obliged to yield it up—be that time near or distant—we hope that by our endeavours its condition, as well as your own, will be found to be improved.

I am, Gentlemen, very respectfully yours.
EDWARD PALMER.

February 22d, 1853.

---

To the Hon. T. H. Haviland.

Sir,—A vacancy having occurred in the House of Assembly in the representation of Princetown and Royalty, by the lamented death of our late Member James M'Kay, Esquire. We, the undersigned Electors of said Town and Royalty, respectfully request, that you will permit yourself to be put in nomination to supply the said vacancy—as from the knowledge we possess of your public and private character, and from the high official position which you so long, and so honorably filled in this Island, we have full confidence that in the event of your being elected as our Representative, the interests of Princetown and Royalty would receive your honest support and attention. (Here followeth the Signatures of Sixty Electors.)

*To George Ramsay, Esquire, and other Electors of Princetown and Royalty.*

Gentlemen;

I have had the honor to receive your numerously signed Requisition, to permit myself to be put in Nomination as a Candidate,to supply the vacancy in the House of Assembly, occasioned by the lamented death of your late Member, James McKay, Esquire.

The confidence which you are pleased to express in my integrity, arising from your knowledge of my public and private character, and your approval of my official conduct, would, under any circumstances, be highly appreciated by me; but, at this moment, they are peculiarly gratifying, as affording a satisfactory proof that the unscrupulous attempts of my enemies, to injure the one, and to impeach the other, on my late retirement from Office, have signally failed.

Until I received your Requisition, I had no intention again to take a prominent part in the public affairs of the Island; but, from the flattering manner in which you express a wish to avail yourselves of my services, as one of your Representatives in the House of Assembly, I willingly accede to your request, to be put in Nomination, as a Candidate at the approaching Election; and, should I be returned, my best exertions shall be devoted to the advancement of the general prosperity of the Island, and to the local interests of Princetown and Royalty.

I have the honor to be,
Gentlemen,
your friend and fellow Colonist
T. H. HAVILAND.

Charlottetown, Feb. 13, 1854.

## To the Electors of Charlottetown and Royalty.

Gentlemen;

HAVING accepted of the office of Colonial Secretary, in the present Government, my Seat in the House of Assembly has consequently become vacant; and I have again to come before you as a Candidate for your suffrages at the ensuing Election.

The Majority of the present House of Assembly are opposed to the Representatives of the People holding offices of profit and emolument, connected with the Collection or Expenditure of the Public Revenue; and in this, the Government, up to the present time, have acted as far as circumstances allow. I am, however, of opinion, as I stated on the Hustings when I last addressed you, that all Government Officers of Emolument, with the exception of one Law Officer of the Crown, and the Provincial Secretary, should be excluded from the House of Assembly, and thereby place the Members of that Body above suspicion, and tend further to purify the Councils of the Country.

The confirmation of the appoinment I have accepted, now rests with you; and should you deem me worthy of your further confidence, you may depend on my using every Constitutional means in my power, in conjunction with the Majority of the House of Assembly, in carrying out the principle of excluding certain Office-holders from having seats in the Legislature.

I have the honor to be, gentlemen,
With much respect, your obedient servant,
FRANCIS LONGWORTH.

### £10 for a LADY'S BOX.

TO BE RAFFLED for at 1 o'clock on St. Patrick's Day, at the Temperance Hall, a Lady's Work Box; Tickets 1s. 6d. each. The history of this Box is worthy of remark. This is the third time it has been instrumental in promoting religious and benevolent purposes. Its first appearance was on the occasion of a Bazaar in Halifax, under the auspices of his Grace the Archbishop, when £700 were realized· On that occasion the Box was greatly admired, and got into possession of the Nuns of Halifax. Its next appearance was at a Raffle, got up for the purpose of relieving the orphans of Halifax, when several tickets were purchased by Merchants of this Island to aid the laudable undertaking. It was won at this time by a sister of one of the Nuns, who was offered any amount she wished to ask for it; but when she learned the object for which it was intended, namely, to raise funds in aid of St. Michael's Church and Parochial House in this Island, she generously presented it for that purpose.

A great number of Tickets have been already issued, and the sale must be brought to a close in a very few days.

The winner of the Box will be entitled to receive £10 cash in lieu of it, if so inclined.

The following gentlemen have politely consented to act as a Committee to make all the necessary arrangements for the Raffle, and to receive the Tickets and payments therefor.

## Twelvetrees Brothers' Soap Powder

(an entirely new invention.)

IS the cheapest, safest, best, and most effectual article for all washing purposes, a packet of which is equal to ten Pennyworth of Soap!

The saving of Time and Labour is so astonishingly great, that a WEEK'S WASH can be accomplished BEFORE BREAKFAST—no rubbing being required.

This wonderful Article is MORE SERVICEABLE THAN SOAP, as it produces a better and much quicker lather, and is adapted for purposes for which Soap cannot be safely or effectually used.

It will not injure the hands, or the most delicate material; but whilst it is incomparable for permanently whitening Linens, &c., after they have become discoloured by age, or injured by bad Washing, it is also unsurpassable for improving the colors of FLANNELS, BLANKETS, WOOLLENS, Colored PRINTS, MUSLIN and LACE.
