ARRIVAL OF THE SARDINIAN

Great Demonstration at Cape Town.

FURTHER DETAILS OF THE MODDER RIVER BATTLE.

Ladysmith is All Right.

[SPECIAL TO THE EXAMINER.]

LONDON, Nov. 30.—News has been received here of the safe arrival of the transport Sardinian with the Canadian Contingent on board. All

ARE REPORTED TO BE WELL.

The citizens of Capetown have been waiting for several days for the coming of the Canadians, to show them, in common with the Australians and the detachment from New Zealand, how well the British people of South Africa recognized the importance of these outward signs of the unity of the Empire in the hour of strain.

When the Sardinian was signalled from Table Mountain, public

ENTHUSIASM BECAME IMMENSE, and many hundreds of people made their way to the wharf to be the first to welcome those bringing a helping hand from distant Canada.

Details have not yet come to hand concerning the demonstration which will be tendered to the Colonial regiments; but there is no doubt it will prove a historical event in the history of the empire and of the world.

CAPE TOWN, Nov. 30.—The Sardinian was received with a salute. Some of the officers and some of the men of the regiment came on shore. But the disembarkation will take place today, when the three colonial regiments now here will parade together through the city to receive an address from the City Council, and be reviewed by Sir Alfred Milner.

LONDON, Nov. 30.—The Times, commenting on

GENERAL METHUEN'S DESPATCH, says: General Methuen only states that the

enemy was made to quit his position. Our troops must have been too exhausted to pursue them. But if the Boers were driven across the Modder river their losses must have been severe. The paper continues to argue that the Boers' general position possibly pointed southwest their retreat being to the eastward.

BOER WOMEN FIGHT.

LONDON, Nov. 30.—A despatch to the Telegraph from Berlin says that on Sunday a patrol of the Ninth Lancers rode up to a farm where a number of Boer women were outside the house. These directed a heavy fire against the troops, killing one of them.

OTTAWA, Nov. 30.—Hon. Joseph Chamberlain, Colonial Secretary, has sent a despatch to Lord Minto thanking the Government and Canadians for their desire to take an active part in a military expedition found necessary for the maintenance of British rights in South Africa.

The desire thus exhibited, the despatch says, to share the risks and burdens of the Empire has been welcomed not only as a proof of the staunch loyalty of the Dominion and of its sympathy with the policy pursued by Her Majesty's Government in South Africa, but also as an expression of the growing feeling of the unity and solidity of the Empire.

REPORT FROM LADYSMITH.

LADYSMITH, Nov. 30.—All here are well and cheerful. The Boers are not shelling us today, and we have no fear that they will attack the town. We have made

OUR POSITION VERY STRONG

with redoubts and breastworks, and we look forward confidently to the ultimate result.

A Supreme Court Judgment.

[SPECIAL TO THE EXAMINER.]

OTTAWA, Nov. 30.—The Supreme Court gave judgement in the Hesse vs. St. John Street Railway Company. A rule directing a new trial be varied by restricting such new trial to a question of the amount of damage only. The Chief Justice and Mr. Justice Gwynne dissented.

Fatal Railway Accident.

[SPECIAL TO THE EXAMINER.]

NEW YORK, Nov. 30.—A railway accident happened on the Lackawanna Railroad at a crossing in Paterson, N. J., last night. Five persons were killed and about a score injured, some probably fatally.

Mr. Tarte Again Unwell.

[SPECIAL TO THE EXAMINER.]

OTTAWA, Nov. 30.—It is reported that Mr. Tarte is again in bad health.

A Terrible Storm.

SEATTLE, Wn., Nov. 29.—With a cargo of dying horses and mules and fifty mules and fifty empty stalls, the United States transport Victoria returned to port having been forced by an unprecedented stress of weather off Cape Flattery to turn back from her voyage to the Philippines. Of the four hundred and ten horses and mules carried by the Victoria, fifty-five were literally pounded to death against the sides of their stalls during the storm and all the animals are so badly bruised that the officials of the vessel believe that many cannot be saved.

A Great Book Free.

When Dr. R. V. Pierce, of Buffalo, N. Y., published the first edition of his great work, The People's Common Sense Medical Adviser, he announced that after 680,000 copies had been sold at the regular price, \$1.50 per copy, the profit on which would repay him for the great amount of labor and money expended in producing it, he would distribute the next half million free. As this number of copies has already been sold, he is now giving away, absolutely free, 500,000 of this most complete, interesting and valuable common sense medical work ever published—the recipient only being required to mail to him, at above address, (31) one-cent stamps, to cover cost of mailing only, and the book will be sent postpaid. It is a veritable medical library, complete in one volume. Contains 1608 pages, profusely illustrated. The Free is precisely the same as that sold at \$1.50 except only that the books are in strong manila paper covers instead of cloth. Send now before all are given away. Send 31 one-cent stamps to cover cost of mailing only, and receive free a copy of Dr. Pierce's Medical Adviser. Address World's Dispensary Medical Association, Buffalo, N. Y.

CAPE TOWN, Nov. 29.—A meeting of refugees from Aliwal North Queenstown passed a resolution which includes: "The refugees do not grudge any sacrifices provided British supremacy is re-established."

IT'S TOO RISKY

To undergo an operation for itching.

Piles when Dr. A. W. Chase's Ointment is a surer, cheaper, easier way to cure.

Cruel, barbarous methods belong to the dark ages of the past. There was a time when a surgical operation was considered the only possible cure for piles. Not so now. Occasionally there is still found a physician who adheres to this dangerous and expensive method, but to every one who still believes in using the knife, ninety and nine recommend the use of Dr. Chase's Ointment.

Dr. C. M. Harlan, writing in The American Journal of Health, said:

"We know that 'Dr. Chase's Ointment' meets all the requisitions of the highest standard of worth, that it will be held in high esteem wherever it is used, and consequently we endorse it to every reader."

By force of merit alone Dr. Chase's Ointment has won its way into this wide, wide world, until it has made the name of Dr. Chase familiar in almost every home, and won for the venerable discoverer the title of "America's Greatest Physician."

Dr. Chase's Ointment has never been known to fail as a cure for piles. It matters not whether blind, itching, bleeding or protruding, Dr. Chase's Ointment is an absolute and perfect cure.

Dr. A. W. Chase's Ointment is the discovery of the author of Dr. Chase's Recipe Book, whose portrait and signature is on every box of the genuine. All dealers, at Edmonson, Bates & Co., Toronto.
