### Abrams Village School Opening

The official opening of Abrams Village new school took place in the new building on the afternoon of Sept. 28.

The program, in the hands of the president, Mr. C. M. Arsenault, was handled most satisfactorily. Following the opening chorus of "O Canada," the chairman in his opening remarks, referred to the splendid achievement, the erection and the complete equipment of the new school. Mention was made of the splendid co-operation and the great spirit of progressiveness that characterizes the ratepayers of Abrams Village and which was so evident in this new structure.

The first speaker, Mr. Lloyd Shaw, Provincial Director of Education, prefaced his remarks by saying he had too much respect for the French language, to attempt to speak in French. He complimented the rate-payers and all who had contributed in bringing to the district such a well-equipped school.

Rev. Naylor Poirier, Parish Priest, then addressed the meeting.
