OLD - STYLE BRIDGES

Covered bridges are still being built occasionally in the New England states; one at Sheffield, Mass., was dedicated in 1953.

FISHERMAN WEATHERS STORM

Standing beside the furling "riding sail" that played an important part in his safe return to shore after surveying the Friday night storm at sea, Fred Arsenault, of St. Nicholas, a fisherman for more than twenty years, checks the damage done to his boat as he prepares to return to the fishing grounds.

S'Side Woman Reaches 100

SUMMERSIDE—Summerside's oldest citizen, Mrs. Stanley DesRoches, celebrated her 100th birthday at her home on First Street, Friday still enjoying fairly good health. Mrs. DesRoches is still able to recall vividly many of the events of former years connected with the history of the town but although her memory remains remarkably good her eyesight is failing. She was born in Kensington and early in life she moved to Summerside where she has since resided. Her husband died about

10 years ago, aged 79 years, and since that time Mrs. DesRoches has lived at the old home with her daughter Hazel.

EARTH TREMOR

TOKYO (Reuters)—A light earth tremor shook the Kanto district of central Japan Saturday, the weather board said. No casualties were reported.

Highfield District Holds Missionary Society Rally

HIGHFIELD—Upwards of 70 W.M.S. members and friends were greeted by Mrs. A. S. Frizzell as they assembled for a rally held in Highfield United Church on Saturday afternoon. Brackley auxiliary members, Miss Sybil Macmillan, Mrs. Keith Cudmore and Mrs. Preston Rodd conducted the opening worship service. Mrs. E. A. Betts extended a warm welcome to all present.

Roll call by Mrs. K. A. Parker showed a goodly representation of members present from the surrounding districts. The gathering was honored in having present, Presbyterial president, Mrs. R. F. MacAusland of Bloomfield, who spoke briefly. Mrs. John Scott of Summerside introduced the "Question Box" and later led the discussion, on questions asked.

Miss Helen Wilson's rendition of the beautiful "Beside Still Waters" was much enjoyed. Mrs. Hazen Howard of Cornwall was listened to with keen interest as she brought highlights of a Dominion board meeting held recently in Toronto. The speaker touched on many phases of W.M.S. work, and brought out several points of interest as she took her hearers through the work of the various departments of the W.M.S.

"Missions to the uttermost" is the theme for 1959. Highfield Mission Band, under the leadership of Mrs. Ralph Gay, presented a pleasing number. The generous offering was received by Mrs. Irving Frizzell and Mrs. John Good. Literature secretary, Mrs. Charles Howatt of Victoria, had a fine display of books on hand some of which she reviewed briefly. Presbyterial Treasurer, Mrs. W. B. Creed read a financial statement. Mrs. Stanley Thompson of Charlottetown expressed thanks to those responsible for organizing the rally. Candidate Secretary, Mrs. K. A. Parker, pointed out the great need for enlisting more young people to full time christian service.

S'Side Airmen To Be Donors

FR. L. J. B. Sutherland, M.D., assistant medical officer at the R.C.A.F. Station is the co-ordinator for the Red Cross Blood Donor Clinic to be held in the Recreation Centre at the station next Thursday morning and afternoon when the objective will be 250 donors. According to a report received at Provincial Red Cross headquarters from Fr. L. Sutherland an active campaign carried on by his committee throughout the personnel on the station, and in the married quarters, has resulted in about 150 prospective donors already signing their intention of attending, while a number of the sections have not as yet reported.

Fr. L. Sutherland is optimistic that the best results ever can be anticipated at next Thursday's clinic which are being carried on throughout the morning and early afternoon in order that it may be convenient for all to take advantage of the opportunity to attend.

VACATION LAND

LONDON (CP)—The Daily Mail predicts that thousands of Britons will soon follow the royal example by spending their summers in Canada. "Before many years, in fact, the inhabitants of these islands will find playgrounds in the most distant parts of the Commonwealth, but Canada will be first on the list," the newspaper says in a front-page editorial.

HOW YOUR LIVER BILE BREAKS DOWN FAT

Laboratory tests have now proved that liver bile emulsifies fat... actually breaks it down. It is an established medical fact that when liver bile is added to fatty solids, the fat is broken down and forms a smooth, easy-flowing mix. In your body, previous liver bile helps break down fat the same way. Many foods reach the digestive tract as undigested fatty solids. Your golden liver bile helps break down this fat... unblocks it... for easier and more complete digestion. Carter's Little Liver Pills exclusive formula of natural, vegetable ingredients relieves irregularity gently and effectively. At the same time, it actually improves the flow of liver bile needed to break down fat in your body. So when you feel sluggish, headachy, nervous and need a laxative, get Carter's Little Liver Pills. Remember, Carter's not only relieves irregularity, but actually improves the flow of liver bile needed to break down fat.
