

Make Plans For Next N.H.L. All-Star Game

TORONTO, April 23 (CP)—The National Hockey League's next All-Star game will pit the first All-Star team against the second for the first time, Conny Smythe announced today.

The game, a benefit for the league's player pension fund, will be played in Toronto because the Maple Leafs won the Stanley Cup this season, the Toronto manager told a press conference.

Players from the two Canadian teams in the N. H. L. would be used to bolster one of the All-Star clubs and the other would get its extra players from the four United States teams. The coaches will be selected after announcement of the makeup of the two All-Star teams.

In keeping with Toronto tradition, the team which won the Stanley Cup championship won't be broken up for the next season although Smythe said he'd like to get a good checking centre and a high-scoring right wing.

He indicated that if the material he wants isn't available at the Leafs' Pittsburgh American Hockey League farm team, players there might figure in deals to achieve the objective.

"I don't think Joe will quit," he said of reports that coach Joe Primeau might retire after guiding the Leafs to the cup and bringing them home second in the league race in his first year as a professional coach.

The Leafs gained their cup triumph because "some of the boys became big men." This was a reference to his pre-season forecast that the team would get along all right if enough of the boys became men.

Left wing Sid Smith, a good man before, became one of the big men and before long would be an all-star. Defenceman Bill Barliko, whose overtime goal won the deciding game of the cup final with Montreal Canadiens, became a might man. Barliko wasn't used in any ganging plays yet he was on the ice for 17 of the 30 goals the Leafs scored in 11 cup games.

Smythe thought his club had two All-Star greats. Kennedy was the greatest play-off centre and centre Max Bentley the greatest point man—key spot on the power play the Leafs used when they had the opposition short handed.

Development of the ganging attack—coupled with penalty-killing play—had been one of Primeau's main assignments. The play-off record indicated his success. The Leafs tallied five goals with the opposition short-handed and had been scored on once when they had penalties.

Eight Track, Field Records Recognized

LONDON, April 23 (AP)—Eight track and field marks, including four by Americans, were recognized as world records today by the International Amateur Athletic Federation.

Of the other four records, all by women, three were credited to Russia, and one to Sweden.

The American record men are shotputter Jim Fuchs of Yale; sprinter George Rhoden of Morgan State; hurdler Dick Atlesley of Southern California, and Sgt. Mal Whitfield of the U.S. Air Force.

Fuchs, the Yale strong man, was credited with a heave of 58 feet, 10 1/2 inches (17.95 metres), Sweden, last Aug. 22. The previous listed record of 58 feet, 3/4 inch was held by Charles Fonville of Michigan.

In the same meet, Rhoden reeled off the 400-metre dash in 45.8 seconds, a tenth of a second better than Herb McKenzie's old standard.

Atlesley, a lanky timber topper from the University of Southern California, gained credit for a mark of 13.5 seconds for the 120-yard high hurdles, set at Fresno, Calif., May 13, 1950. It was one-tenth of a second better than the old mark of 13.6, held jointly by Atlesley and Harrison Dillard.

Whitfield, an Olympic champion, was awarded a share in the second oldest record on the books—a time of 1:49.2 for the half mile run. Whitfield equalled Signey Wooderson's record at Bera, Ohio, Aug. 19, Wooderson, an Englishman, first recorded the time in Aug. 1938.

The Russian women were credited for records in the 800-metre run, and the 800 and 2,400-metre relays.

PARIS, April 23 (Reuters)—Gen. Eisenhower, supreme commander of the Atlantic Pact forces, will inspect Italian army and air force units in Northern Italy Wednesday and Thursday this week.

Kid Gavilan Called To Army; May Be Deferred

NEW YORK, April 23 (AP)—Kid Gavilan, Cuban welterweight contender who meets National Boxing Association welterweight champion Johnny Bratton May 18, was given a pre-induction physical examination today. He was ordered to report tomorrow for further medical examinations.

An office at the army's pre-induction centre said that in all probability Gavilan will be deferred because he is married and has a seven-month-old child.

The New York Commission will recognize the Gavilan-Bratton winner as world champion.

Valleyfield-Sydney Series Schedule

MONTREAL, April 23 (CP)—Dates for further games in the Valleyfield-Sydney Eastern Canadian Amateur Hockey Cup final were announced today by Winifred Durand, president of the Quebec Amateur Hockey Association and representative of the Canadian Amateur Hockey Association.

The teams will meet at Montreal Forum tomorrow night, Thursday night and Sunday night. Previous consideration of an afternoon game for Sunday was discarded.

If a seventh game in the best-of-seven series is necessary, the date will be fixed later.

Sydney leads the series 2-1 on the three games played in the Maritimes.

Girl Guide News

Headquarters closing

Please do not forget. Leaders and children, that Guide and Brownie Headquarters will be closed from April 28th. Opening date is indefinite but will be announced in this column. If you will be needing badges, etc., final presentation meetings with you contact Mrs. Jenkins now as you will not be able to obtain them for at least two weeks. Mrs. Jenkins will not be available so please do not call or telephone.

St. Peter's Brownies

The Pack of St. Peter's had a jolly meeting on Friday last with each Brownie helping to provide a lovely supper. Brown Owl Lois Brown and Tawny Owl Phyllis Murray provided chocolate dips. Although it was such a jolly meeting and much time was spent in eating, we did manage to get in some instruction on test work and Winnifred Anne MacMillan passed with honors, her Writers, Collectors, and Thrift Badges. All the other Brownies after seeing the results of Winnifred's work were anxious to do the same and there will be more badges next time. Indeed nearly all the Pack called at Headquarters next morning for some more instructions on test work. Mrs. Jenkins taught singing, games, but she had to join in fun and after such a big supper she just couldn't still playing.

Brownie Shield

Commissioner Mrs. R. Dumont of 204 Pownall St., will be able to advise on Brownie Shield questions. The date for completion is May 8th and Mrs. Dumont will be letting you all know the place and time for judging. If Leaders would be kind enough to phone Mrs. Dumont when the Circus is completed for your Pack it would help considerably. Your co-operation is earnestly requested to make the contest a success.

Southport, Guide Company

The following was sent in by Mrs. Neil Matheson, leader of the First Southport Guide Company. Our first party was held in the New School, an Easter Party. The room was decorated in mauve and yellow, streamers hung on the lights with other patterns displayed around to give a gay and happy appearance as folks entered. Patrols took charge of the work. Daffodil Patrol acted as hostesses, taking charge of invitations and receiving guests as they arrived. Robin Patrol—programme, room decorations, contests, dancing and singing. Bluebird Patrol—refreshments and equipment.

The bottle of Easter eggs caused a lot of fun while guests were guessing how many. The bottle contained 489 candy eggs. Those guessing the nearest were Theresa Gallant and Jackie McCarron, consolation being won by Claudia Robertson and Russel Mutch. A special Easter cake looked delicious on a corner table until lunch was served and then it seemed to disap-

Sport Echoes From Prince County

By STEVE ROBERTSON

Slump-ridden Carl Furillo came through in the clutch again today to give the Brooklyn Dodgers a dramatic 16-inning 2-1 victory over the Boston Braves.

Furillo broke up the longest game of the season with a two-out single that scored Billy Cox from third base and ruined a brilliant pitching effort by lefty Warren Spahn, who went the distance for Boston.

The game-wrecker was Furillo's only hit in seven trips to the plate and only his third of the season. Yesterday he broke up a 10-inning game against the New York Giants with a home run.

Cox singled with one out to launch the winning drive. He moved to second on a sacrifice by Clyde King, Brooklyn's third pitcher, and advanced to third when Gene Mauch bobbled a grounder by Ed Miksis. Furillo then whacked one of Spahn's serves against the scoreboard in rightfield to break up the game.

The Chicago Cubs also won a brilliant pitcher's battle, shading the Pittsburgh Pirates, 2-1. Andy Patko's two-out double in the ninth, drove home Hal Jeffcoat with the winning run. Mel Queen went the route for the Pirates, granting five hits including a homer by Bill Serena. The victory was Frank Hiller's second of the season for Chicago.

The New York Yankees edged the Philadelphia Athletics, 5-4, in a nip-and-tuck American League affair at the Yankee Stadium. Yankee Vic Raschi was tagged for two runs in the first inning, and was clipped for two more in the ninth, when Lou Limmer blasted a pinch-homer. In between the big right-hander muffed the A's.

The Yanks clubbed Lou Brisse and Hank Wey for 13 safeties, with rookie Mickey Mantle showing the way with three hits.

Vic Wertz slammed a three-run homer in the last of the ninth to give the Detroit Tigers a 7-4 decision over the St. Louis Browns. Wertz connected with none out on relief pitcher Cliff Finnan's first pitch. Joe Ginsberg and Pat Mullin also homered for the Tigers.

The remaining American League teams were idle.

In two National League night games Philadelphia Phillies stung New York Giants with their fifth straight defeat 3-4 and St. Louis Cardinals defeated Cincinnati Reds 2-1.

Lefty Jocko Thompson scattered six hits for the Phillies' win. Big Jim Hearn, a Phils nemesis last year, was the loser. He beat the Phils nine straight times before last night.

Harry Brecheen's pitching gave the Cards their victory. Brecheen gave up eight hits, struck out six and walked none. Connie Ryan homered for the Reds in the second inning.

Hockey Tonight

Amateur hockey games tonight (Tuesday):

Alexander Cup

Semi-finals—Sydney vs. Valleyfield at Montreal. Sydney leads best-of-seven series 2-1.

Memorial Cup

East

Eastern Canada junior final—Quebec at Barrie, best-of-seven game series tied 2-2.

CHICAGO, April 23 (CP)—

Edward K. Brown, 46, former head of the English department of the University of Manitoba and one-time assistant to the late Prime Minister Mackenzie King, died today after a long illness.

Musicians for the evening were: Mrs. Matrano and Mrs. Raymond MacDonald. The President and Secretary of the W. I. Mrs. LeRoy Rodgerman and Mrs. H. Annear were honored guests and acted as chaperons of the party. The party crowd drew numbers to choose partners. Cookies and sandwiches supplied by the girls and cakes by the Leaders.

The wonderful evening came to a close with all going home singing "So Long, It's Been Good To Know You."

Threatens To Drop Out Of Memorial Cup Finals

By Rouson

QUEBEC, April 23 (CP)—Frank Byrne, owner of the Quebec Citadelles, tonight said his team will drop out of the Eastern Canada Memorial Cup final unless Toronto is the site of the seventh game of the series.

Citadelles now are tied with Barrie Flyers 2-2 in the best-of-seven series. Fifth game is scheduled for Barrie tomorrow night and the sixth here Thursday.

Byrne said he was informed of a switch which would schedule the seventh game April 28 in Barrie instead of in Toronto as agreed April 15.

Byrne said he sent a telegram to Winifred Duranceau of Montreal, informing him of his decision. Byrne said Duranceau, president of the Quebec Amateur Hockey Association, represented Citadelles in changing the series' original schedule to include two games in Barrie and two in Toronto, instead of four in Toronto. Three games were to be played in Quebec.

One game has been played in Toronto and Barrie so far, and two in Quebec.

Byrne said the Barrie rink did not come up to regulation standards. He said he would hold the C.A.H.A. responsible for any loss the Quebec club might suffer by dropping out of the final.

At the banquet D. O. Stewart proposed a toast to the 1950 Summerside C. & B. juniors, Maritime champs, and were afraid they'd have to take him to task for a job not very well performed. True, Don had warm words of praise for the team management and coaches as well as nearly all the players, but he absolutely ignored a young chap who, in our book was more than any other individual responsible for the startling upset victory of the C. & B. boys over a highly favored St. John team. We refer to the slender young mound artist who won both of the two games necessary for victory in the Maritime championship finals, and in the last and crucial contest, beat Jackie Bowses, (one of the brightest pitching prospects in Maritime ball), our pitcher allowing three hits in his second pitching chore in as many days. Yet D. O. Stewart didn't even mention his name! Tut, tut, Don! You'll have to do better than that! (The only extenuating circumstance we can think of is the fact that the pitcher in question was Alan Stewart, Don's talented, athletic son.)

Alan is attending Dalhousie University taking up dentistry, and for that reason is probably not seriously interested in a baseball career. We think he might do pretty well, but in any case he will probably be available this summer to boost Summerside's championship hopes again.

Dr. H. E. Clark was another speaker at this banquet. He complimented Mayor Wedge and his councillors on the proposed building of the new recreational centre. Dr. Clark, who is one of Summerside's most determined advocates of the need for a winter sports centre, did not forget to express the hope that the town would embody this project in its plans as time and its ambitious program progressed.

The citizens of Summerside owe a great deal to our mayor for his conception and organization of this new recreation centre project. How about naming the grounds the "Henry Wedge Recreation Centre" so that it may stand as a memorial to what he has done for the town in this regard. Any seconders?

"Windy" Steele has had another successful coaching year. He led the Fredericton Capitals to the Maritime intermediate championship in hockey. Councillor Steele's other championships include a Maritime Senior "A" at Moncton, an Island Intermediate "A" at Summerside, and a Summerside town championship with his Dodgers. The latter two were the result of startling upsets, and "Windy" seems to have a genius for this sort of thing. Charlie Hogan and he have an imposing array of championships to their credit. It would be difficult to find another Island coach who has done so well.

Regina Pats Keep Alive Playoff Hopes

By Rouson

WINNIPEG, April 23 (CP)—Regina Pats tonight kept alive their playoff hopes by defeating Winnipeg Monarchs 2-1 in the sixth game of their western junior hockey final before 5,000 fans. Monarchs still lead the best-of-seven series 3-2, with one game tied.

Next game will be played here Wednesday.

Gordie Cowan bagged both Regina goals, while defenceman Don Johnston scored Winnipeg's lone tally. The winning goal came in the last period while Johnston was off for holding. The teams split markers in the opening session and then went through a scoreless second period.

Pats reversed their style of play for the contest, changing from bouncing tactics to relentless forechecking. It paid off as they skated man-for-man with the speedy Monarchs.

Bowling For The Blind

The group of Charlottetown's Blind Bowlers met again yesterday afternoon at the Roll-Away Alleys to play their four games of regulation candlepin bowling.

These bowling games are organized by the local office of the Canadian National Institute for the Blind. Members of the Roll-Away Club kept a record of the scores and assisted the blind bowlers.

The scores made by these sightless sports were:

Miss Ida Alchorn 61 62 38 41

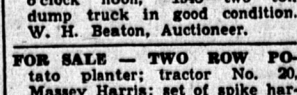

Mr. Russell Jenkins 33 65 59 57

Mr. M. I. Warren 41 19 47 50

Mr. Russell Jenkins attained the only spare and strikes were made by Mr. M. I. Warren and Miss Ida Alchorn.

Napoleon and Uncle Elby

By Clifford McBride

Alan is attending Dalhousie University taking up dentistry, and for that reason is probably not seriously interested in a baseball career. We think he might do pretty well, but in any case he will probably be available this summer to boost Summerside's championship hopes again.
