## Here We Are Again!

**McLEOD & McKENZIE,**

STAR MERCHANT TAILORS,  
The Original and Peerless Artists of Our Day.

THE ABOVE HAS BEEN A SETTLED FACT FOR YEARS, and to keep before the public what is so well known to every good dresser in this Province, may seem superfluous. But as a good dinner tends to give a quietus to the disturbing influences within the inner man, so a thorough knowledge of our capabilities will give a quietus to anyone who may have had the good fortune of being dressed by us. The sun rises and sets, and it appears to the ordinary judgment that the sun revolves around the earth instead of the earth revolving around the sun; so we, through the immense strides we have taken in our art, would appear to the uneducated to be moving around our many friends, instead of they moving around us; like the sun imparts its warm rays to revive drooping nature, so we are the benefactors of our people, by aiming high and attaining to a STYLE and FINISH in our Garments, which cannot but commend us as the MERCHANT TAILORING PHILANTHROPISTS of our day.

Are you anxious to test the foregoing? Come in, then, and see our line of Goods, which are superior, in every sense of the word, and we will fit you out with a Suit which will doubtless draw the loving remark from your best girl that she has "the best dressed young man in town." Call early, if you must have it before 1st July.

## Constipation

Demands prompt treatment. The results of neglect may be serious. Avoid all harsh and drastic purgatives, the tendency of which is to weaken the bowels. The best remedy is Ayer's Pills. Being purely vegetable, their action is prompt and their effect always beneficial. They are an admirable Liver and After-dinner pill, and everywhere endorsed by the profession.

"Ayer's Pills are highly and universally spoken of by the people about here. I make daily use of them in my practice."—Dr. I. E. Fowler, Bridgeport, Conn.

"I can recommend Ayer's Pills above all others, having long proved their value as a cathartic for myself and family."—J. T. Hess, Leitersville, Pa.

"For several years Ayer's Pills have been used in my family. We find them an

for constipation and indigestion, and are never without them in the house."—Moses Grenier, Lowell, Mass.

"I have used Ayer's Pills, for liver troubles and indigestion, during many years, and have always found them prompt and efficient in their action."—L. N. Smith, Utica, N. Y.

"I suffered from constipation which assumed such an obstinate form that I feared it would cause a stoppage of the bowels. Two boxes of Ayer's Pills effected a complete cure."—D. Burke, Saco, Me.

"I have used Ayer's Pills for the past thirty years and consider them an invaluable family medicine. I know of no better remedy for liver troubles, and have always found them a prompt cure for dyspepsia."—James Quinn, 90 Middle St., Hartford, Conn.

"Having been troubled with constiveness, which seems inevitable with persons of sedentary habits, I have tried Ayer's Pills, hoping for relief. I am glad to say that they have served me better than any other medicine. I arrive at this conclusion only after a faithful trial of their merits."—Samuel T. Jones, Oak St., Boston, Mass.

## Gladstone Discusses Home Rule.

The Buffalo, N. Y., Courier prints the following:—A little over four weeks ago, John J. McBride, of this city, wrote a letter to Mr. Gladstone, enclosing a list of names that had been signed to a memorial circulated by McBride, expressing sympathy with the cause of home rule for Ireland. This list included the names of President Harrison, Cardinal Gibbons, Speaker Carlisle, Vice-President Morton, Archbishop Ryan, Secretary Blaine, and a large majority of members of both houses of congress. A few days ago, McBride received from Gladstone the letter published below. Every word of it from address to signature was written by his own hand:

HOUSE OF COMMONS, LONDON, April 12.

Dear Sir,—I have the honor to acknowledge your letter of March 22, and the remarkable list appended to it of those distinguished citizens of the United States who have testified through the memorial you mention their interest in the condition of Ireland and their desire for just and reasonable acknowledgment of her national claims and aspirations. I rejoice not only to think but to know that throughout the wide confines of the race to which we all belong there is an overwhelming preponderance of sentiment in favor of that acknowledgment. At home the judgment has been constitutionally recorded by Ireland herself, by Scotland and by Wales, representatives of all three being in favor of home rule by a majority of three or four to one, and founding ourselves on evidence of elections which have taken place since the general election of 1886, we firmly believe that England herself, were the opportunity now afforded her by dissolution, would record a verdict decisively in accord with those of the other portions of the United Kingdom and of the Anglo-Saxon race at large. Encouraged by these indications at home and abroad and by the wise advice of their representatives in Parliament, the Irish people show an indisposition to crime and outrage no less remarkable than their determination to carry forward their cause to its successful consummation, now retarded by the votes of men who do not represent the real sentiment of the community. It is a further satisfaction to me to include in this acknowledgment the local but authoritative manifestations from America, only less remarkable than what has proceeded from the centres and has had the illustrious sanction of the President himself. This very day I have received a communication in the same spirit with yours from the Legislature of Nebraska, one further indication of sentiment and desire which prevail throughout the vast domain of the United States. Finally, I rejoice to be put in possession of such declarations at a moment when your great country is about to celebrate on the 30th instant the centennial anniversary of the inauguration of George Washington, the first President of the American Commonwealth. I have been requested from Chicago and elsewhere to intimate an assurance of my participation in your national joy. It is a real and grateful participation, for the statesmen of the American revolution have taken their place once for all among the greatest political instructors of the world. George Washington was their acknowledged and illustrious head, and to him and them I have long felt that I owed no trivial part of my own public education. Loos, without limit of length, may that Union flourish under the blessing and favor of God, with the foundation of which their names are inseparably associated.

I have the honor to remain,  
My dear sir,  
Your most obedient and faithful  
W. E. GLADSTONE.

## A Floating Coffin.

Olaf Wuglund, one of the few English speaking people among the Danish passengers, has arrived in New York. In conversation with a reporter he made a statement that before the accident occurred one of the Norwegian immigrants told him he overheard a conversation in the officers' quarters. One of the ship's officers had said to the others, in an apartment, he thought the vessel would never reach New York. Her machinery was in bad order, had not received the care it should have before the steamer sailed, the pumps were broken, and, in case of accident, would be found of little service in throwing out water. Wuglund further said the vessel's coal bunkers were afloat on two occasions before the machinery gave out. He also said of seven lifeboats of the Denmark used in transferring the passengers from the Denmark to the Missouri, only two were manned by the officers of the Denmark. The other five were manned by Norwegian immigrant sailors, among the passengers of the Denmark. Wuglund was loud in his praise of the captain and crew of the steamer Missouri.

## Local and Other Items.

**EARLY PLANTING.**—Mr. A. McInnis, of Bay Fortune, planted potatoes on the 20th inst.

**DRYING UP.**—The roads throughout the country are drying up and travel is becoming easy.

**HERRING.**—Some fair catches of herring have lately been made in the vicinity of Souris.

A faded or gray beard may be colored a beautiful and natural brown or black, at will, by using Buckingham's Dye for the Whiskers.

**NOTICE.**—The members of the Benevolent Irish Society will please return all tickets unsold not later than Friday evening, the 26th inst.

**IT COMES HIGH.**—A New Brunswick exchange says that some of the Fredericton butchers are asking 20 cents per pound for beefsteak.

**AHEAD OF CHARLOTTETOWN.**—The people of Summerside have made the change in their local time. In this respect they are ahead of Charlottetown.

**DROWNED.**—Duffie Babin, of the Yarmouth fishing schooner Louise Kenny, was knocked overboard and drowned while on the passage to Grand Banks.

**AN OLD MAN.**—John A. Fielding, a soldier of 1812, and a native of Virginia, died in Lawrence County, S. C., on Monday, aged 110 years. He was married three times.

**MAY AND DECEMBER.**—According to a Buffalo, N. Y., despatch, the aged widow of Gen. G. A. Scroggs was recently married to Jas. A. Stitt, a dry goods clerk, 22 years old. Her fortune is estimated at \$300,000.

**ARRIVAL OF THE COILA.**—The steamer Coila, which left Liverpool on the 12th inst., arrived at this port last evening, after being thirteen days out. She carried a cargo of 100 tons salt and about 350 tons general merchandise.

**A MILD SENSATION.**—A demented elderly woman named White, living on Gray's Lane, Halifax, created a sensation on Saturday night by parading the streets with flowers on her head and boxing gloves on her hands.

**AMERICAN SCHOONERS.**—The following American fishing schooners have arrived at Souris: G. W. Brown, Flash, W. W. Rice and the Mayflower. The schooners Twilight, D. Hodgson and Mary Joseph are also at that port.

For nearly half a century Ayer's Cherry Pectoral has been the most popular cough remedy in the world. The constantly increasing demand for this remedy proves it to be the very best specific for colds, coughs and all diseases of the throat and lungs.

**CARRIAGES.**—Mr. E. Kinsman has just received two carriages of new and stylish carriages in phaetons, buggies, sulkeys, etc., from the Gananogue (Ont.) Carriage Company, which he will dispose of cheap. The carriages can be seen at Bearisto's auction room.

For the delicate and aged and all in whom the vital current is impoverished and sluggish, Ayer's Sarsaparilla is the very best tonic. It restores the wasted tissues, and imparts to the system surprising elasticity and vigor. Price \$1. Worth \$5 a bottle.

**STUDENTS WHO LIVE HIGH.**—It took 150 dozen of eggs to supply the students and faculty of St. Joseph's, Memramcook, on Easter Sunday. This beats last year's record by about 50 dozen. The large amount can be attributed to the capacities of the students as well as to their number.—Transcript.

**ARRIVED AT ST. JOHN'S.**—The schooner Althea, Captain Paul Paoli, which left Georgetown on Monday morning arrived at St. John's, Nfld., yesterday morning—all well. The run was made in seventy-two hours. The cargo was made up of oats, potatoes and hay. Captain Paoli reports the market dull.

**BIG MOLASSES CROP.**—Private advices from Barbados are to the effect that the molasses product this year, owing to the very favorable dry season, will be immense. It is estimated that Barbados will produce 10,000 puncheons more than the crop of last year, which was probably the largest previous crop on record. This will make the total Barbados product for the year 55,000 puncheons.—St. John Sun.

**IMPROVEMENTS.**—The Market Committee has had the interior of the Hall nicely tinted and cleaned, and the rooms recently occupied by the City Clerk and Stipendiary Magistrate papered, painted and tinted. The work was performed by Messrs. Bourke and Griffith, and has been well done. The exterior of the building should now receive some attention.

The interior of the Lyceum has also been attended to by the painter and decorator, and is consequently much improved.

**ADVICE TO MOTHERS.**—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind. (April 17 '88)

**HALIFAX PRICES.**—The Chronicle says: Eggs are selling by the box and barrel for 10 cents per dozen. Nova Scotia rose and white stock potatoes are selling for 30 cents and turnips for 25 cents per bushel, with five cents more for better qualities. P. E. Island and American cured pork and beef have been reduced 50 cents and \$1 per barrel. An advance in all grades of refined sugars has been general, the increase amounting to from three quarters of a cent to one cent and a quarter per pound. The prices of molasses have correspondingly increased the rate of advance, being from two to five cents per gallon on all grades, according to quality.
