Plan To Attend Reunion Of 105th Battalion Here
Interest is mounting every day as August 4, the reunion date of the old 105th Battalion draws nearer. All members of the Battalion will be interested to know that the following are some of the veterans from outside the Province who are planning to attend:

H. W. Barnes, Flushing, New York; W. F. Fitzpatrick, Brookline, Mass.; J. H. Gaudet, Sumner, Mass.; C. H. Harris, Halifax, N. S.; G. M. Jelly, Trenton, Ont.; Alex. Martin, Victoria, B. C.; A. R. Matthews, Seekonk, Mass.; W. L. Mellick, Walcott, Conn.; A. F. Molson, Halifax, N. S.; Dr. J. C. MacLellan, Milford, Mass.; C. R. Weatherlie, Cambridge, Mass.

One of the above has written to the secretary saying, "You'll not know me now. I'm a skinny old man with a bald head." No doubt there will be many bald heads at the reunion but hearts will be young and gay.

Plan Monument For Capt. Cook
OTTAWA (CP)—Captain James Cook, globe-girdling explorer of the 18th century, will be commemorated by a monument in Fort Needham Memorial Park at Halifax, the northern affairs department announced Friday.

The monument will be unveiled July 12 by Rear Admiral R. E. S. Bidwell, Canadian Navy Atlantic coast flag officer.

Cook spent about four years in the eastern provinces early in his career, charting the St. Lawrence and aiding Wolfe to navigate the river on his trip to attack Quebec in 1759.

Cook later explored part of the British Columbia coast, sailed round the world and explored the south Pacific.

New Pipeline Offer Made
OTTAWA (CP)—The federal government has received an undertaking from Trans-Canada Pipe Lines Ltd. that it will build an all-Canadian natural gas pipeline from Alberta to the east within five years of getting a cabinet go-ahead for a temporary plan, it was learned Friday.

The interim plan would have the company deliver Alberta gas to the United States midwest and bring U.S. gas into Canada to serve Ontario and Quebec to build up a market for the eventual arrival of the Alberta fuel in the central provinces.

A cabinet source said Trans-Canada officials offered the five-year guarantee of the \$350,000,000 all-Canadian line several weeks ago but that the ministers have not got around to considering it because of parliamentary business.

"Many Letter Friends followed the A.C.W.W. Tour to our Island Province, of which I have no account, and many have been made over the years through our former National Convener, Mrs. Challand.

"This activity to my mind is one of our finest ways of building 'Bridges of Friendship' and understanding and of enlarging our horizons. It is like unto casting grain of mustard seed. In the shadow of whose leaves we would that women of all nations one day would come and sit.

"Four Institutes have 'Group subscriptions to the Federated News, two take 'The Country Woman' and one takes the English magazine, 'Home and Country.' Prior to my personal letter to several Institutes, there were no 'group' subscriptions.

"A 'United Nations' program was featured by several Institutes. One Institute reports: A UN birthday cake 'cut' by the president and let the UN convener call answered by each member naming one special thing that the UN had accomplished through one of its several agencies."

The session yesterday afternoon was presided over by Mrs. Murdoch MacGowan, the newly elected president. The session was featured by a panel discussion by F.W.I.C. Board members who attended the F. W.I.C. convention in Winnipeg last month.

Those who took part in the discussion were Mrs. Harold Laird who explained that Branch Institute members are also members of the A.C.W.W. and the F.W.I.C.

Mrs. M. J. Doyle, North Rustico, the retiring president, spoke on A.C.W.W. and the work under taken by the organization.

Mrs. E. MacKinnon spoke on the work of F.W.I.C. convener and Peace Garden ceremonies.

Miss Mary H. Robin reported as councillor to the F.W.I.C.

The panel was followed by a report of the publicity convener, Mrs. R. L. Burge, and the radio convener, Mrs. Julian Herring, Charlottetown.

SMASH ON SIDING
TORONTO (CP)—Two train crews escaped injury Thursday when the Canadian National Railway freight train backed into another on a siding in suburban Leaside, flipping an engine over and wrecking a caboose and several freight cars. The CNR estimated it would be two days before the train could be reopened.

DRAMA FESTIVAL
Mrs. Morrison, president of the Drama Festival, asked for support from Institutes by taking out group memberships by Mrs. Lloyd Wilkie, Alberton.

In her report Mrs. Laird stated "My work as convener of 'Letter Friends and Exchange Programs' has been most interesting and gratifying in the short period of time from October 1954 to May 1, 1955."

Thanks
We wish to thank all neighbours and friends who helped us during our recent loss by fire. Also the Charlottetown and Parkdale Fire Departments who so willingly came to our aid. To those friends who called in person or by phone and for all kind acts and letters received, our sincere thanks.

In Memoriam
In fond and loving memory of my dear Father, Adren Means Carver, who passed away July 10th, 1953.

If all the world were mine to give, I'd give it, yes, and more To see your loving smile again And greet you at my door.

How oft there comes before me Your dear face kind and true For death can never take away My memories dear of you.

Lovingly Remembered by his Daughter Jean.

In loving memory of my dear parents, Mr. and Mrs. Russell Burgoyne, who passed away December 14th, 1919 and July 10th, 1950.

Beside your photo we often stand With hearts both crushed and sore But in the gloom the sweet words come, Not dead but gone before.

The depth of sorrow we cannot tell Of the loss of those we loved so well, And while they sleep a peaceful sleep These memories we shall always keep.

Sadly Missed by Daughters Gertrude and Susan.

In loving memory of my husband and father, Joseph MacLeod, Iris, who died July 9th, 1950.

I have only a picture dear Father To remember my whole life through But the sweetness will linger forever As I treasure the image of you.

Sadly Missed by Wife and Daughter Lois.

Construction Industry To Set New Record
OTTAWA (CP)—Canada's construction industry will pass the \$5,000,000,000 mark this year for the first time, the bureau of statistics estimated Friday.

Total value of construction in 1955 was forecast at a record \$5,059,000,000, nearly eight per cent more than in 1954.

Physical volume of construction is expected to show a similar percentage increase over last year, but little change is anticipated in material and labor prices. Almost all the increase in value and volume is expected to be in new construction.

Value of new construction is estimated at \$4,063,000,000 this year compared with \$3,696,000,000 in 1954.

Residential construction is expected to advance to \$1,512,000,000 this year from \$1,391,000,000 in 1954. Industrial, commercial and institutional construction are also expected to increase.

Forecast construction by provinces, with 1954 figures in brackets: Newfoundland \$74,798,000 (\$60,706,000); Prince Edward Island \$16,221,000 (\$14,533,000); Nova Scotia \$206,000,000 (\$137,178,000); New Brunswick \$144,406,000 (\$110,822,000); Quebec \$1,183,706,000 (\$1,131,852,000).

U. S. Releases Salk Vaccine
WASHINGTON (AP)—The U. S. public health service Thursday released approximately 300,000 shots of salk polio vaccine, tested under new standards. The first vaccine to be released since 1954, it was produced by the Wyeth Laboratories of Marietta, Pa.

The health service also announced: 1. It has formulated a "tentative program for development of research aimed at the isolation and testing of poliomyelitis vaccine."

2. It has assigned scientists to plants of the six vaccine manufacturers who will visit the plants frequently to facilitate more rapid exchange of information between scientists of the pharmaceutical industry and the federal government."

CCF Member Goes To Bat For Police In Vancouver
OTTAWA (CP)—Vancouver Commons member Harold Winch said Friday a "vicious, unjust and unwarranted attack" has been made on his city's police narcotics squad by a Senate committee which studied Canada's illegal drug traffic.

The CCF member for Vancouver, East said in the Commons he can recall no report "as stupid and as contradictory" as the Senate committee's report issued June 23.

Mr. Winch said that although the report does not say so, the report lets the word "vicious" in his criticism of the Senate report. Mr. Winch did so.

The Senate committee's report, made following a two-month study said it cannot understand why there is such a vigorous enforcement of criminal laws by city police in Vancouver, which it estimated has 1,100 to 1,500 addicts out of the Canadian total of 3,200.

The committee said it "could not help but be disturbed by this large concentration of drug addicts and the apparent freedom with which they are able to congregate in the heart of the city of Vancouver."

QUESTIONS STATEMENT
Justice Minister Garson questioned Mr. Winch about the report that the report had indirectly criticized the RCMP narcotics squad. He said it had lauded the RCMP.

Mr. Winch replied the report itself admitted that the RCMP was responsible for administration of the law.

He said the Vancouver and RCMP drug squads must be doing a good job because of the number of convictions. Half of the women in the federal women's penitentiary at Kingston were there under narcotics convictions from B. C.

Mr. Winch said Mr. Garson should ask Parliament now for a large appropriation for the RCMP to buy up its narcotics squads across the country and increase its pressure on illegal importation and trafficking of drugs.

The Vancouver police and the RCMP know who the "higher-ups" are in Canada's illegal drug traffic, he said. But it was one thing

to know who they are and another to get the evidence that would result in a conviction.

News In Brief
WASHINGTON (AP)—A new research program aimed at further improving the production and testing of Salk polio vaccine was announced Friday by the government.

PARIS (Reuters)—The French National Assembly's early today passed 440 to 43 the conventions signed last May to give the pro-terrorate of Tunisia internal autonomy.

NEW YORK (AP)—An urgent message saying a ship was in distress and 21 of its crew had been rescued by a foreign submarine was written off as a hoax Friday by the U. S. Coast Guard. The prank cost the government \$50,000.

Airman's Body Found In River

CHATHAM, N.B. (CP)—Searchers Friday found the body of LAC Glenn Everett Nauss, 19, in the Miramichi river, after he was drowned Thursday after he went swimming with several companions. The young airman, from Italy Cross in Lunenburg county, N.S., had been stationed at the Chatham RCAF base.

His father, Elliott Nauss, lives at Italy Cross. Funeral arrangements were not completed Friday night.

A search started when Nauss failed to rejoin his companions after remaining alone in the water. An RCAF crash boat took part in the dragging operations Friday. No inquest will be held.

OTTAWA (CP)—New maps were made of a vast area of the north before sites for mid-Canada line radar stations were chosen along the 55th parallel, an RCAF officer said Friday.

The entire area between Labrador and Hudson Bay was photographed last year by 408 squadron Wing Cmdr. John Showler, 41, of Winnipeg told a press conference.

"The area was practically unmapped," he said. "The only maps available were eight miles to the inch suitable for aerial navigation but not very accurate."

Made W. I. Life Members

Two women who have given outstanding leadership in the Prince Edward Island Women's Institute were signally honoured last night when citations were read and life membership pins and certificates presented to Mrs. Harold Laird, Kelvin Grove (left) and Mrs. M. J. Doyle, North Rustico (right).

Mrs. Laird's citation was read by Mrs. Fred Gates, West Royalty and Mrs. Doyle's by Mrs. Helen Herring, Charlottetown. It was noted that both women had given devoted services on a local, Provincial and on a national level. Both are past-presidents and intend to take a very active part in Institute affairs during the years that lie ahead.

Woman Killed On N. B. Highway

FREDERICTON (CP)—A 30-year-old York county woman, Martha Prim of Tracy, was killed Friday noon when pinned under a truck after it overturned at the intersection of Route 26 and the Charters road.

She was a passenger in the back of the truck with Donald Higgins, David Mott and her uncle, Charles Prim. The three men were injured. In the truck cab and unhurt were the driver, Clair Jones of Tracy, his wife and young son, Alward, and his mother-in-law.

Ont. Soldier Commended For Brave Conduct

OTTAWA (CP)—Pte. M. G. (Mike) Bolduc, 21, of Sault Ste. Marie, Ont., whose prompt action in Korea saved a fellow soldier from burning to death, has been officially commended by the Queen for brave conduct, the army announced Friday.

Bolduc was on guard duty Feb. 11 when the clothing of Pte. S. O. Underhill of Derby Junction, N.B., caught fire while he was refilling flare pots with diesel fuel. Using his parka, Bolduc smothered the flames.

Underhill suffered second- and third-degree burns on 50 per cent of his body. He was flown to a U.S. Army hospital at Fort Sam, Houston, Tex., where he still is a patient. The army said his condition has steadily improved.
