### Col. William Hunt And Family Enjoyed Yugoslavian Posting

"A delightful country" was the way the Hunt family also enjoyed their stay there. The family returned from their post as military attaché and air attaché with the Canadian embassy in Belgrade, Yugoslavia. Col. Hunt's former residence of Sunnyside and Charlotte Hunt and their four daughters are staying at Motel Charlotte. They have spent the past three years in Yugoslavia.

The Hunt family agreed that they had "quite enjoyed" their stay. There was ample opportunity for travel, and climate varies from that of the Mediterranean to the Alps. During their stay they also visited Italy, Germany, Austria and Greece. They found the people very friendly, but at the average of the time, it reported the native tongue as a difficult language, "but we were able to get by after a lot of hard work."

Conversion of Canadian money into Yugoslavian dinars was another problem. The Hunt family found it a bit of a nuisance to find a bank that would accept Canadian money at a lower price than in Canada. The family also enjoyed trying the native dishes.

As in other European countries, the Hunt family found Yugoslavians very cheap and comparatively cheap. They were also reasonably priced. Meat was good and fruit in season was very cheap. By JACK TRACY  
ORONTO, Ont. (CP)—Master Gregor captured the power of the big Ferrari—rocketing up to 100 miles an hour in the straightaway—before the Mexican average for the 200-mile race.

Gregory started at the back of the field but he failed miserably to qualify in Friday's time trials and overcame a one-mile handicap to set a sports-racing car record with his Lotus 19 on the Mosport Park track 40 miles east of Toronto.

He won the Pepsi-Cola Trophy for \$10,000 and a new Lotus 19. Gregory's wife, Sheila, 32, and Patsy, 9, attended the international school in Belgrade. As this school accommodates pupils only to grade eight, Betty, 18, and Mary, 15, attend a boarding school in England near London for the past two years. Col. Hunt will go from here to take up his duties as commandant of Camp Shilo in Manitoba. He has served with the Canadian RCMP school at Barfield near Kingston, Ont., then had several staff appointments in Ottawa, Washington, D.C., and Halifax prior to going to Belgrade.

At the time of the Canadian Lotus 19 and the Mexican's four-litre Ferrari were lying second and first respectively. SIGNALS GO OUT  
The signal went out from the Rodriguez pits to catch Brad-

ley. The Bus-driver's pit on the field as the starter's flag was dropped. Thus he left the track and incurred the one-minute penalty for failing to become aware of the starter's flag. He was ahead with a penalty than the other drivers.

Bradley's third place gave him enough points to become top Canadian driver of the year, succeeding Toronto mechanic Ludwig Heimrath, Canada's 1961 champion. Heimrath drove his Porsche 356B to fifth place in Saturday's race.

In fourth place driving a Lotus 19, Dan Gurney was a not-so-famous name in Canada. Dan Gurney of Riverside Calif., pushed his Lotus 19 to a lap record of 1:31.4 halfway through the race, beating by 1.342 set by famed British driver, Stirling Moss at the Grand Prix inaugural a year ago. But Gurney's race has been among the 17 of the field of 31 who finished the race.

Gregory, who had been in most of Friday night ironing out engine trouble, pulled to one side and headed past the

Twist their win. Bob Allison also hit a solo homer during the rally but all five runs were unearned.

Kitchew, who leads the league in home runs (45) and runs batted in (120), tied a major league record by striking out for the 141st time this season.

Hank Aguirre, who prior to this year had won more than any other pitcher in the majors, posted his 15th triumph for the Tigers. He got a two-run lead in the first inning when Dick McAuliffe singled with the bases loaded to drive in two runs.

Walter Bond homered, hit two doubles and drove in five runs as the Indians unloaded 18 hits and defeated the Angels. The Angels were mathematically eliminated from the pennant race when New York won.

MISSISSAUGA  
Wynn, seeking his 30th major league victory, fell victim to a Yankee bombardment in the final inning of the game. Wynn was hit by two men were out at Chicago. With two men on base, Hector Lopez singled to ball skipper third baseman Mike Hersherberg with two runs scoring. Elston Howard sealed the triumph with his 21st homer, sending Wynn to 14th defeat in 21 decisions. Wynn's triumph against eight losses.

Harmon Killebrew's three-run homer off left-hander Chuck Folan (9-16) snapped a 2-2 tie in the eighth inning to give the each carrying 72s. Under tournament rules both players will also receive \$1,000 to be used for the U.S. pro tour.

Bob Rogers of St. Andrews, S.C., had records of 75, 75, 76 for a 204 total.
