

Will Wonders Ever Cease?

It has been discovered that by means of the circulating blood any organ of an animal can be paralyzed or stimulated to renewed activity if the proper material is administered. Cocaine, which has revolutionized delicate surgical operations, is only one of the results of this discovery. The use of Atropine by oculists is a remarkable example: For it matters not how administered (even if injected into the big toe), the first effect seen is the enlarging of the pupil of the eye. Another application of this discovery, as practical as any, was the idea that the great loss suffered by poultry raisers, owing to the fact that hens stop laying during cold weather, when eggs are worth fifty cents per dozen, could be overcome, if the ovaries of the hen could be reached and stimulated to egg-producing activity. The experiment was crowned with success, and the chemical compounds deficient in the ovaries of the hens at this season are now very important components of Sheridan's Condition Powder to make hens lay. And with its aid some of our most successful egg-raisers believe it is as easy to obtain plenty of eggs in mid-winter as to raise early vegetables. Last December the poultry editor of the N. E. Farmer said to a subscriber: "The office of Sheridan's Condition Powder is to animate the ovaries. A hen to lay profitably must be in condition. I use Sheridan's Powder because I believe that hens can be made to lay even in winter by using it, and fully as much profit can be made in a year from a flock of fowls where it is used." Is not that good evidence? Then force your hens to laying now, or later you will reflect. "How wise we are when the chance is gone, And a glance we backward glance!" We know just the thing we should have done, When the time for doing it's past." For 50 cents I. S. Johnson & Co., Boston, Mass., will send two 25 cent packs; five packs for \$1.00; or for \$1.20, one large 24 pound can of Sheridan's Powder, post-paid; six cans for \$5.00, express pre-paid. The best poultry paper, Farm Poultry, one year and a can of P. Powder for \$1.50. Sample copy of paper 5 cents.

On the Use of Campbell's Wine of Beech-Tree Creosote, in Diseases of the Lungs and Throat.

IN the South of France, where all persons are troubled by Phthisis go to be cured; where Doctors Bouchard and Gimbert, the two specialists so highly recommended by public opinion, have experimented with the creosote natural to the bark of the Beech-Tree, in the treatment of pulmonary tuberculosis, it is the one prepared to-day, and that which for ten years past they have finally adopted, after the comparative experiments which they have made, the best method, having specially in view the destruction of the Bacilli.

After a few days' use of the remedy, the expectoration diminishes, and very soon one is pleased to witness the gradual disappearance of the Bacilli, the breaking off of the fever, and the rapid recovery of appetite and strength. When instead of confirmed Phthisis, Catarrh or Chronic Bronchitis have to be dealt with, the different forms of which may sometimes give rise to an uncertain diagnosis, they have always been cured. These excellent results need not astonish us, if we consider the powerful natural constituents of complete antiseptic and Balsamic principles in the compound we now describe. When our Wine shall have restored health, it will be well not to discontinue its use at once, and at all events to use it again about a fortnight before winter sets in, and at every change of season followed by damp weather. DIRECTIONS.—A small dessert spoonful three times a day, after each meal, gradually increased to a large dessert spoonful. N. B.—The use of 'Hot Liver Oil,' as a powerful resistant to the remedial properties of the Wine, is recommended. Campbell's 'Sker' Oil being the best, is the kind which should be taken. Sold by C. D. RANKIN, Charlottetown. nov6-1yod

UNPARALLELED!

WHAT? McLeod & McKenzie, Star Merchant Tailors.

MODESTY forbids us (to use a slang phrase) to blow our own horn, and as it is contrary to our opinion (according to the old proverb) when in Rome to do as Rome does, we shall endeavor, as heretofore, to present facts so undeniable as to be beyond the reach of dispute. True, people have gained for themselves a name (not an enviable one) which, to all appearances, served the purpose they had in view. But wisdom dictates, before posing as leaders in the great race for supremacy, that we should look well to the foundation upon which those assertions are based. To throw the mantle of charity over such people is our motto; and instead of revealing to the public gaze, through your columns, the errors into which they have fallen, we will endeavor to lead them gently into the light. That you will acquiesce in what we say, is a foregone conclusion, namely, as Fathers of the trade in this Province we treat the several branches of the trade in this city with the same consideration as a loving parent would his innocent offspring; and to this end we invite such traders to aim high and co-operate in elevating this, the first profession, to the high status to which it is entitled. In the meantime, call and see our handsome goods, in NAPS, MELTONS, SCOTCH TWEEDS, WORSTEDS, etc., made up in the latest styles and cheap.

IMPORTANT!

Remarkable Restoration to Health of Well Known Canadian who has since been given up as incurable.

From the few of the hundreds of letters we have received from those who have been restored to health and strength by the use of that wonderful discovery, Paine's Celery Compound, we make a few extracts. We hope that the thousands of Canadian men and women who are suffering from nervous and wasting diseases, will profit by these true and plain statements of facts.

D. S. Davidson, of Montreal, suffered for years with nervous dyspepsia, pain in his back, and sleeplessness. He tried doctors without relief, was losing flesh rapidly, and had about given up heart when he commenced the use of Paine's Celery Compound. "Now," he says, "I am a new man. I sleep well and my food does not hurt me."

Mr. Jas. Johnson, 302 St. Charles Borromeo Street, Montreal, was weak and nervous, had no appetite, and could not rest at night. His nerves were soothed and strengthened by Paine's Celery Compound, and he soon became well and strong.

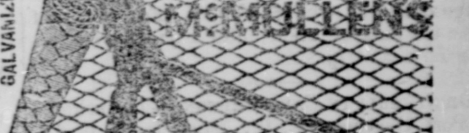

Annie Gourley, of River Beaudette, P. Q., found the Compound a certain cure for weakness, and now feels as well as she ever did.

A customer of Harrison Bros., druggist, Hamilton, Ont., told them that he was entirely cured of nervous weakness by the use of two bottles of the Compound, after everything else had failed.

The little child of Mrs. G. E. Meredith, 76 D'Arcy St., Toronto, was cured of St. Vitus' Dance by Paine's Celery Compound.

Pierce's Pleasant Little

Purgative Liver Pills.

BEWARE OF IMITATIONS. ALWAYS ASK FOR DR. PIERCE'S PELLETS, OR LITTLE SUGAR-COATED PILLS.

Being entirely vegetable, they operate without disturbance to the system, diet, or occupation. Put up in glass vials, hermetically sealed. Always fresh and reliable. As a laxative, alterative, or purgative, these little Pellets give the most perfect satisfaction.

SICK HEADACHE, Bilious Headache, Dizziness, Constipation, Indigestion, Bilious Attacks, and all derangements of the stomach and bowels, are promptly relieved and permanently cured by the use of Dr. Pierce's Pleasant Purgative Pellets.

In explanation of the remedial power of these Pellets over so great a variety of diseases, it may truthfully be said that their action upon the system is uniformly a gentle one, and that they escape their sensitive influence. Sold by druggists, 25 cents a vial. Manufactured at the Chemical Laboratory, Worcester, Mass., by the MEDICAL ASSOCIATION, Buffalo, N. Y.

\$500 REWARD

is offered by the manufacturers of Dr. Sago's Catarrh Remedy, for a case of Catarrh of the bladder which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes with mucus, watery, and acid, at others, thick, tenacious, mucous, turbid, bloody and purid; the eyes are weak, watery, and inflamed; there is a ringing in the ears, deafness, breaking or coughing to clear the throat, expectation of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; small and taste are impaired; there is a sensation of dizziness, with mental depression, a burning and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood, as Catarrh.

By its mild, soothing, and healing properties, Dr. Sago's Catarrh Remedy cures the worst cases of Catarrh, "coking in the head," Coryza, and Catarrh of the Bladder. Sold by druggists everywhere; 50 cents.

"Untold Agony, from Catarrh."

Prof. W. HATSENER, the famous mesmerist, of Bloca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My father had cut me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could hardly speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sago's Catarrh Remedy, in three months, I was well again, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. IRISHINO, Esq., 200 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sago's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one who has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh.

ELI ROBINSON, Druggist, P. O., Columbia Co., Pa., says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sago's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now vigorous and has had no return of her case."
