MACEWEN — In loving memory of my dear father, Ernest MacEwen who passed away December 1941.

Away in God's beautiful Garden

Some day when life's journey is ended,
We shall meet our loved one again.
Sadly missed and always remembered by his daughter, Blanch Boath, Dearborn, Michigan.

GORVEATT — In fond and loving memory of my dear wife who departed this life December 20th, 1955.

The years linger on as I wait here in silence,
For the one that I loved has gone on before.
But the time will soon come when I will be with her,
To meet there together on that beautiful shore.
I know God is waiting to take me home with her,
Where there is no parting or sorrow or care,
For down here on earth there is nothing but grieving,
Thinking of that glorious land that's so fair.
Ever remembered by her husband Everett Gorveatt.

Have Santa Call Daily!

There is one gift that stirs renewed appreciation daily—that expresses the good wishes of the sender continuously throughout the year—the gift of a fine daily newspaper, tailored exactly to the tastes and interests of the receiver.
And on the Island it is particularly easy to make the newspaper you send exactly the right gift, the one that will be appreciated above all others, with a choice between two outstanding papers, each with distinctive special qualities.

THE GUARDIAN
Covers The Island
Like The Dew

The whole province is the community served by this favorite family newspaper. It's own staff writers, working in its own news bureaus across the Island, linked with its own private-wire telegraphic network, cover province-wide news in a way that is unmatched anywhere.
The completeness of The Guardian in its Island news and world news is its great distinction. The responsibility and incisiveness of its editorial page, and the understanding and authority with which it discusses Island affairs, serve to cement its position of leadership as it truly "covers the Island like the dew."

The Evening Patriot
The special emphasis of this paper is on Today's News Today, tailored particularly to the taste of its urban audience, reached while the news is still fresh, in Summerside and Charlottetown.
It is urban in its tone and news emphasis, and modern in its presentation. It carries more news and pictures from the province's chief centres of population, Charlottetown and Summerside, than any other publication.
As the Island's best newspaper buy, The Patriot also features its full-color Weekend Magazine and a 16-page color comic section each Saturday — is the only publication in the province to provide these plus-values.

THEY STAND ALONE
While The Guardian and The Evening Patriot each have their distinctive, special qualifies, they have equal distinctions which they share in common.
Both papers are served with the news reports of Canadian Press, Associated Press and Reuters, the world's greatest news services and Wirephotos from Canadian Press and Associated Press. All these distinguished services, which are a basic part of good newspapering in Canada, are exclusive with The Guardian and The Patriot on the Island.
Santa will get a hear-warming daily welcome—and daily appreciation will flow back to you—when you make The Patriot or The Guardian your gift of the year.
