

Go Easy on **FATHER** all year 'round...

Cut food costs at

DOMINION

All year long poor Pop foots the bills... gets by with one small corner of the clothes closet and the bottom drawer of the dresser. He shovels snow in winter... paints the house in spring... mows the lawn in summer... and rakes leaves in autumn. But does he complain? No, never! (Well, hardly ever!) It's fun to make Pop "King for a Day" once a year. But here's a way that loving wives can honour the family breadwinner all year round. Do all your shopping at Dominion and cut food costs. You'll save a penny here and a penny there. All your many little savings will add up to a really worthwhile big saving - enough to make Father's pay cheque go much farther. Start this week to go easy on Father by shopping at DOMINION!
