Hambletonian Stake Postponed By Weather

GOSHEN, N. Y., Aug. 8.—(AP)—Gloomy, rain-soaked Goshen awaited clearing weather today as hazardous track conditions caused a 24-hour postponement of the 26th Hambletonian Stake and delayed a verdict on which horse will become boss of the three-year-old trotters.

The 21 horses are ready to line up in two tiers for the first heat of the \$95,264 harness derby at 2 p.m. EDT, tomorrow.

A mid-afternoon forecast said there would be no more rain before tomorrow evening.

There was no change in the minds of most veterans who forecast that the powerful Hays Fair Acres stable's entry of Mighty Fine and Spennib would remain the betting favorite at about 7 to 2. The two Du Quoin Ill. colts are from the same stable that won the 1950 race with hazy Sox.

But three top Canadian drivers were given good chances of upsetting the favorites.

Ralph Baldwin, of Lloydminster, Sask., will be in the sulky behind Scotch Rhythm, starting from the number six position.

Clint Hodson, of Clandebove Ont., among the top four money winning drivers of 1950, will drive Prince Colby. A 10-to-1 shot Mahlon Hanover, will be handled by Joe O'Brien of Alberton, P.E.I.

Meanwhile, hundreds of racing fans who had not heard of the postponement arrived at about the time the rain, which lasted most of the night, stopped.

This was the first postponement of the Hambletonian since 1946, when Chestertown won after a one-day delay.

Veteran racegoers recalled gloomily that in 1927 it rained all week at Syracuse, N. Y., and the race finally was transferred to Lexington, Ky.

The Hambletonian has been staged in Goshen since 1930. Shortly after noon today, the sun appeared to be going to emerge through the overcast, but the track still was deep in slippery clay and especially gooey toward the inside rail.

Since conditions of the race called for a final payment of \$500 when entries closed yesterday, it was unlikely that there would be any scratches.

There are five other entries coupled in the betting in addition to Mighty Fine and Spennib. Of these, plenty of mutual support will go to the Del Miller stable entry of Betsy Volo, owned by W. N. Reynolds, Winston-Salem, N.C., and Watcha, Charles M. Provost, Pittsburgh, and the pair of Scotch Rhythm and Prince Colby, owned by Leo C. McNamara, Carmel, Ind.

R.C.A.F. Royals And C. And B. Juniors In Tie

The R.C.A.F. Royals and C. & B. Juniors fought to a 7-all draw at the Recreation Grounds last night in a game terminated by darkness at the end of the sixth inning. The R.C.A.F. team was leading 7 to 3 going into the last half of the final inning and the C. & B. boys pushed over four runs to tie the game.

Johnny Whalen, midjet player who broke into the C. & B. lineup recently was a standout both at bat and afield. He shared the

with Paul Schurman, each having seven points. Whalen had two doubles and a run batted in. Schurman had two singles, a walk and two runs batted in. Bob Barlow led the R.C.A.F. attack getting two for three. Gerald Dalton hit two for four, both perfectly laid bunts, a specialty of Dalton's lately.

Stars, Anchors Tangle Tonight

The East End Stars and the West End Anchors will be the two clubs that will tangle at Memorial Field this evening in City Baseball League competition commencing at 5:30.

The game will be a particularly important one for the Anchors, who are at present in a dead-lock position for first place with the Northwest Falcons.

Falcons, who have played their full schedule, will have to depend on the Stars coming through for a win over the Anchors if they are to remain at the top. Anchors of course will be going all-out for the win in their two remaining games left to assure a first place position. Their other leading contender is Northwest Rovers, one game behind the league leaders with two games to play.

2nd Round In Canadian Ladies Golf Open

LAVAL-SUR-LE-LAC, Que., Aug. 8.—(CP)—Anne Sharp, a tall slender girl from the Lookout Golf Club in Fonthill, Ont., pulled the first upset in the Canadian ladies' open golf championship today with a hard-fought one-up victory over Mary Lena Faulk of Thomasville, Ga.

Except for an all-American tussle in today's second round, it was the first break in the solid American entry of six.

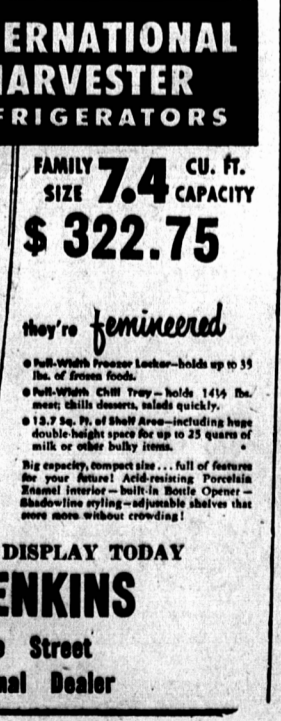

Playing in rain and mist late in the day, the Canadian girl finally made a one-up lead stick in the see-saw match when she won the 17th and halved the 18th.

Pat O'Sullivan of Orange, Conn., had to go an extra hole in the all-American match to eliminate Polly Martin of St. Clairville, O.

Tomorrow's quarter-final round will provide a set up of two international matches, one all-American and one all-Canadian.
