BROWNIES RECEIVE GOLDEN BARS

Shown here are the four brownies of the First Summerside Brownie Pack who received their golden bars at a ceremony held yesterday afternoon at the "Y" Centre in Summerside. Left to right are, Brownies Linda Bennett, Jo-Anne Sheen, Susan Craig, and Judith Ball. Standing behind them are, left to right, Margaret Craig, Tawny Owl; Isabel MacDougall, Brown Owl and Jean Pickard, Snow Owl. Thirteen new brownies were also added to the pack at yesterday's ceremony.

Witnesses Testify In Robbery Case

SUMMERSIDE — The trial of Alfred Cahill and Vincent Gallant of Summerside, charged with robbery with violence commenced in Supreme Court Summerside yesterday and after six crown witnesses gave evidence the case was adjourned until this morning at 10.30.

There is still one crown witness to be heard, Dr. Henry Moyse who was delayed in Toronto due to planes being grounded because of fog. Mr. Justice R.R. Bell is presiding, while McGuigan is conducting the case for the crown. J. Watson MacNaught, QC, is counselling the two accused.

The case arose from an alleged beating and robbery of Bruno Arsenault formerly of Summerside now living in Mont Carmel, on the night of October 7, 1962.

Mr. Arsenault was the first witness called and related how he had been at the home of Mrs. Annie Gallant, North Market Street on the night of October 7. He said several people came in while he was there including Cahill and Gallant.

He testified he left the Gallant home around 11.30 and when he was about two yards from the doorstep somebody jumped me". Arsenault said he was hit from behind on the back of the head but couldn't see who had attacked him. He stated he was knocked out and when he regained consciousness he was in a different place. He said $30 in cash, a $55 cheque and a wristwatch had been stolen from his person.

HEAD BLOODED

Arsenault said he went back to the Gallant house where he stayed all night. He said he had blood on his face and head as well as several cuts.

On cross examination by Mr. MacNaught he said he had changed his evidence "a little bit" from that of the preliminary hearing. This had to do with urinating behind the house before he started away.

He stated "he had consumed three pints of beer during the evening".

Mrs. Annie Gallant, a widow, said Arsenault left her home around 11.30. She said "two or three minutes" after Arsenault left Vincent Gallant went out. Mrs. Gallant said she went outside also and Vincent was standing on the doorstep. "I came back in, and two or three minutes after Alfred Cahill went out".

Mrs. Gallant said she went back outside about "five to seven minutes" later to take Arsenault's dog out which he had left behind. She saw garbage was overturned and Arsenault's hat lying nearby. She called Fred Peters, she stated, and he went out returning in a few minutes with Arsenault who had blood on his face and a cut on the left eye. Mrs. Gallant said no doctor was summoned that night.

Fred Peters, told the court he went out looking for Arsenault after being called by Mrs. Gallant and found him standing on the sidewalk about five houses away. The witness stated Arsenault had blood on his head and a cut on his eye. On cross examination Peters testified Arsenault said nothing to him about being beaten or robbed.

Paula Blacquiere, 15, a grade 10 high school student said she was baby sitting on the night in question at the home of Mrs. Donald Gallant, next door to Mrs. Annie Gallant's residence.

HEARD NOISE

About 11.30 Miss Blacquiere said she heard a garbage can being knocked over and went outside. She said she saw Vincent Gallant and Alfred Cahill beating Bruno Arsenault. On cross examination Miss Blacquiere said she was frightened but didn't scream or didn't awaken a man who was sleeping in the house where she was baby sitting.

Cpnst. Harry MacKay, one of the arresting officers said he arrested the accused around 3.00 p.m. on October 8 in a shack behind the residence of Mrs. Beatrice Cahill on Duke Street. Cnst. Elmer Matheson, the other arresting officer corroborated Cnst. MacKay's evidence.

Members of the petit jury sworn in this morning are, Roy Cutcliffe, Augustive Cove, foreman; John J. Corcoran, Pluswille; Donald Gillis, Miscouche, Edwin Dawson, Poplar Grove, Thomas Silliker, O'Leary; Sheldon Howatt, Tryon; Harvey Colwill, Sherbrooke; John Donald Alma; John S. Wilkie, Alberton, Arthur Cornish, Howlan; John Muttart, Albany; James D. McKinnon, Coleman, RR.

LATE NOTICES

(Also see announcements in columns adjoining Classified Advertising section.)

FARQUHARSON—At the Prince Edward Island Hospital, Wednesday, Dec. 5, 1962, Daniel MacKinnon Farquharson in his 49th year. Remains will be transferred from the MacLean Funeral Home this afternoon at 4 o'clock to his late residence, Mermaid. Time of funeral to be announced later.

WINDSOR — At the Livingston and MacArthur Nursing Home, Monday, Dec. 3, 1962, Mrs. Eliza B. Windsor, in her 91st year. Resting at the MacLean Funeral Home from where the funeral will be held today, December 6th, with service commencing at 2 p.m. Interment will take place in People's cemetery.

MacDONALD — Suddenly at Brooklyn, P.E.I. Tuesday, Dec. 4, 1962, Joseph MacDonald of Cambridge and formerly of Nova Scotia in his 83rd year. Resting at the Murray River Funeral Home until 9.30 Friday morning then to St. Paul's Roman Catholic Church, Sturgeon for Requiem High Mass at 10 o'clock. Interment in the church cemetery.

WOTTON — Suddenly as the result of an accident at Toronto, Ernest Wotton, son of Mr. and Mrs. Everett Wotton, 276 Grafton Street, in his 35th year. His remains will arrive at the Cutcliffe Funeral Home Friday evening (train time) from where the funeral will be held Sunday afternoon, service commencing at 1:30. Interment in Floral Hills Memorial Gardens.

CARR — At the Prince Edward Island Hospital, Monday, Dec. 3, 1962, Doris T. Carr, 314 Fitzroy Street, in her 51st year. Remains resting at her late residence until noon Thursday, then to the Salvation Army Citadel for funeral service commencing at 1:30. Interment will take place in Peoples cemetery.

BARRY — At the Charlottetown Hospital Tuesday, Dec. 4, 1962 Mrs. Alexander Barry, St. Peters Bay in her 45th year. Her remains are resting at the Charlottetown Funeral Home from where the funeral will be held Friday morning, leaving the home at 8.30 for Requiem High Mass at St. Peters Church, St. Peters Bay at 10.00 o'clock. Interment will be in the church cemetery.

Word Received Of Death In U.S.

SUMMERSIDE — Word was received this week from Fitchburg, Mass., of the death in the Keystone Nursing Home in Leominster, Mass., of George Burton Lord, 77, retired vice-president of the Safety Fund National Bank.

Mr. Lord was the husband of the former Hazel B. Bremner, of Charlottetown, who pre-deceased him several months ago. She was a daughter of the late Mr. and Mrs. Benjamin Bremner, and was well known prior to leaving Charlottetown, as one of the island's most gifted vocalists.

The late Mrs. (Lt.-Col) D.A. MacKinnon was a sister.

Born in Somerville, son of the late George and Helen M. (Chaplin) Lord he came to Fitchburg in 1890. In his senior year at high school he went to work for Waschuett National Bank where he rose to vice-president after a merger of banks. He leaves to mourn a son, one brother and one sister.

13 Brownies Are Enrolled

SUMMERSIDE — Thirteen new brownies were welcomed into the First Summerside Brownie Pack yesterday afternoon in an enrollment and bar ceremony at the "Y" Centre in Summerside.

District Commissioner Mrs. Amos Hubley conducted the enrolling ceremony. The new brownies are, Karen Morrison, Jane Magee, Sheila Hughes, Debbie Horner, Ellen MacEachern, Hildred Jones, Ann Barlow, Beverly Smith, Gladys Milligan, Shawn Richmond, Bettina Phillips, Jerry Lynn Sheen, and Shawn Roberts.

Presented with their gold bars were Brownies Linda Barrett, Jo-Anne Sheen, Susan Craig and Judith Ball. The gold bar signifies generally about a year's work and is the second brownie award.

Brownie Carol Donaldson was presented her collectors badge. Several of the brownies mother's were present for the ceremonies.

Date Not Set For Close Of Ferry Service

No date has been set for winter break off in the Northumberland Ferry run between Wood Islands and Caribou, Capt. Claude Hunter said yesterday morning, but crossings should continue for at least a week with the final date probably around Dec. 20.

The length of time the ferries will continue to run will depend on the weather and the date set by the department of transport for the withdrawal of buoys from the strait.

Winter schedule is now in effect with crossings from both sides at 8 a.m., 11 a.m., 1 p.m. and 3 p.m.

West Price Given Grant

SUMMERSIDE — A grant of $8,500 by the federal government, for an economic survey of West Prince County, under the ARDA program was announced yesterday by Dr. Orville H. Phillips, MP for Prince.

Dr. Phillips said that this would be matched by an equal grant by the provincial government, and would result in a complete study of the industrial potential of the area, including facilities for such existing industries as agriculture, fisheries, and irish moss production.

The grant was made on recommendation of the provincial government, and the survey is expected to get under way as soon as consultants can be obtained to carry out the work.

BROADSIDES

(Continued from page 1)

Mr. MacRae branded it as "callous election bait" which if enforced would ruin the potato industry, backbone of P.E.I. farming.

The Agriculture Minister said that a provincial potato subsidy would risk the loss of major markets in the United States and Ontario. Growers there would act to keep out island potatoes.

"The U.S. would quickly retaliate with restrictions in the form of new tariffs or dumping duties," he said. "The present favorable tariff took years of work to establish — now it would be destroyed overnight.

The Liberal leader maintained in a statement that Island potatoes have received government aid before without harm to U.S. or other markets. In 1947 a government-appointed export board had negotiated sale of 4,000,000 bushels in Britain to relieve a large local surplus.

"Last spring over 1,000 cars of New Brunswick potatoes went to Italy without jeopardizing their market anywhere. This fall they shipped several hundred cars to Argentina which also could have been subsidized without any damage to other markets."

Mr. MacRae criticized the Liberal scheme on other grounds He said the Canadian Horticultural Council opposes floor prices for potatoes because they tend to become, in effect, ceiling prices. "Potatoes are not like wheat. They cannot be stored indefinitely."

In addition, he said, "a guaranteed floor price would permit large operators and speculators to manipulate the free market price of potatoes to their own profitable ends and the ruination of the Island."

He contended that local dealers have already sold potatoes "well above the $1 a bag election bribe."

The market situation would boost prices anyway.

Mr. Matheson on the other hand claimed the recent price rise resulted from his promise of a floor price.

The Liberal proposal calls for a three-month growers' price of $1 per 75 pounds starting Dec. 15. The election takes place Dec. 10.

MARITIME

(Continued from page 1)

when its buildings were burned in 1958, had light horse shows which comprised a large part of the night programs in the old Bailey Arena.

Major MacRae said the idea is to encourage as many small breeders as possible—if one of them has an outstanding animal it will be selected—though the 30 animals selected in any one breed will be the best in the entire province.

TO CUT CLASSES

The recommendation is to cut the 24 sections or classes by four or five, and the Ayrshire breeders agreed to chop five classes off yesterday. They would make one bull calf class, instead of two as in the past; there would be one class for yearling bulls, one heifer calf class, the herd class will be discontinued and the class for four dairy cows, it was suggested.

Directors Keith Boswell and Mr. MacRae will be ex-officio members of the committee when it makes its recommendations, though they will not participate in the selection of show animals.

JUDGES PANEL

The association selected a panel of five judges from which show officials can choose when it is held next year. They include Carlyle Watt and Donald Cummings, Lancaster, Ontario, Jack McGeorge, St. Valentine's, Quebec; R. O. Biggs Dundas, Ontario and Donald McIntyre, Finch, Ontario.

There will be at least as much money available for prizes as there was at the old Maritime Winter Fair and the classes will be fewer, so it is hoped that prizes will be bigger. And, Major MacRae explained the idea is that prizes will be paid right down to the bottom of the class.

The federation asked that high school auditoriums be made available for community gatherings at a nominal rental, and noted that in some cases "the rental fee is quite high".

The farmers meeting asked for the appointment of a beef fieldman, after provincial secretary J. L. Dewar had outlined the beef improvement and expansion program.

Roland MacDonald of Southport brought the meeting up to date on the expanded fund raising program planned to expand and improve dairy products advertising and promotion in Canada.

The tentative goal is to set aside one per cent of dairy returns throughout the entire year. Previously dairymen were asked to allow plants to deduct one cent per pound butterfat in June.

The plan is for a greatly expanded program to promote wider use of dairy products and for increased research into new uses for milk and provide evidence dairymen are prepared to make a worthwhile contribution to the solution of dairy problems rather than letting the government make all the effort.

George MacDonald, provincial president, reviewed activities of the federation through the year.

The meeting discussed the possibility of a depressed butter price, and stressed the "particular hardship that could be caused should butter returns be depressed."

A resolution asking that the federation should seek more information on the impact a minimum wage law may have with respect to agriculture, was withdrawn and turned over to the provincial board of directors for study.

Fenton Mayne of Emerald was named president of the Queens County federation. Milton and Frederick Read is first vice-president and James Cudmore, Winsloe, second vice-president. Mrs. Sterling MacRae, Brookfield, is secretary.

Retiring president Robert Rackham, Wheatley River presided.

Gripes Are Aired Over Food Plants

By NEIL A. MATHESON
Provincial-Farm Editor

The P.E.I. Federation of Agriculture will call a meeting, likely sometime next week, of all growers for food processing plants across the Island.

This was decided Tuesday night as the result of a request from the Queens County Federation, which held its annual meeting.

It is expected recent complaints from farm organizations regarding contracts between ing in the North River Hall. growers and food plant operators, will be aired at the meeting.

Tuesday night's complaints regarding the processing plant business concerned inspection for the most part, although a Prince County meeting at O'Leary last week made strong charges against what speakers called "the unfairness of contracts negotiated with plants."

A Kings County meeting the following night asked the federation to help farmers negotiate contracts with the new plant that is going to set up in Montague next year.

Inexperience of inspectors placed in the plants by the department of agriculture was one of the main criticisms at the North River meeting.

A resolution that the inspectors should be rotated from plant to plant was withdrawn in favor of the call for a general meeting of plant suppliers across the province.

Ch'town Man Killed In Ont.

Ernest Wotton, 34, eldest son of Mr. and Mrs. Everett Wotton, of 276 Grafton Street, Charlottetown, was killed late Monday night in a highway accident near Keswick, Ontario, about 50 miles north of Toronto.

Mr. Wotton, a karate and judo instructor, had been returning to his home in Toronto after instructing at one of the judo schools he conducted in the southern Ontario area.

He was reportedly crossing the street from his parked car when struck by another vehicle which threw him a distance of 57 feet.

In addition to his parents he is survived by his wife and a 12 year old daughter who will be accompanying the body to Charlottetown for funeral and burial services.

Also surviving are three brothers, Preston, with the department of transport in Ottawa, and Ralph and George of Charlottetown.

The remains are expected to arrive in Charlottetown on Thursday evening, and will be transferred to the Cutcliffe Funeral Home. Service will be held on Sunday afternoon at 1:30 p.m., with interment at Floral Hills Memorial Gardens.

Harbor Pollution Survey Scheduled To Start Soon

By RALPH CAMERON
Guardian-Patriot Staff Writer

The survey to be undertaken regarding the problem of Charlottetown Harbour water pollution is expected to get underway almost immediately, it was learned yesterday morning from a reliable source.

It is believed an Ottawa engineering firm has been engaged for the purpose and representatives will be on the job shortly.

Asked to comment on the survey, in view of its having been injected into the current political election campaign, Mayor A. Walten Gaudet said he did not wish to be drawn involved in any way in the campaign.

CREDIT WHERE DUE

However, he stated he felt credit for the swift action taken on the matter should be given where it was due and traced developments leading to the hiring of the Ottawa firm.

Mayor Gaudet stated the problem came to the fore during last summer's swimming season, and the provincial minister of health, Hon. Hubert McNeill, immediately convened a full meeting of representatives of his department, the City of Charlottetown, and the Villages of Parkdale and Sherwood, for a full review of the problem.

The meeting was held July 12, at which time Dr. McNeill stated the provincial government would install adequate sewage control systems at the provincially-operated Riverside Hospital and Beach Grove Inn, to take care of the contributions made to the problem by those two institutions.

COMMITTEE NAMED

A committee was appointed at that time, under chairmanship of Dr. Burton Howatt, health officer, to draw up terms of reference for a full harbour pollution study, and to seek qualified firms which might be available to carry out the survey.

Mayor Gaudet pointed out that it has long since been agreed that costs of the survey would be borne equally by the provincial government and the municipalities involved. Charlottetown has already voted $3,600 for this purpose.

10 Draggers Still At Sea

SOURIS — The MV. Richard and Brian tied up in Murray Harbor yesterday. This leaves 10 draggers fishing out of a fleet of 21.

Weather has been good the last 10 days and catches have been up. Mostly flounders and cod are being caught. There are no haddock or hake in sight, fishermen report.

United Appeal Continues Climb

With returns still coming in, officials of the Prince Edward Island United Fund are hopeful the fund objective may be reached.

It was announced last night the total has reached $200,181.47 or 88 per cent of the objective of $227,487.

The campaign closed Nov. 30 with a total of $192,287.72 scollected.

Heavy Damage In 2-Car Crash

A head-on collision near the RCMP Barracks on the Malpeque Road last night resulted in extensive damage to both vehicles involved. No one was injured.

The accident occurred at 11.30. Involved in the collision were Charles W. Compton, York Lane, and Alexander B. Maconald, Elm Avenue.

The Compton vehicle was travelling north while the Maconald vehicle was travelling south.

Charlottetown police investigated the mishap.

O Leary, Strikes Are Winners

SUMMERSIDE — O'Leary Maroons edged Albany St. Pats in a thrill-packed hockey match at Civic Stadium last night, Glen Rogerson scoring the winning tally with 20 seconds to go. Albany led 3-1 at the end of the first period, and the match was all knotted up at 4-all when the sandwich session was over. For the winners Rogerson and J. Smallman scored a brace of counters each, J. Baglole, G. Bernard, and E. Strong getting singletons.

Referees Bob McCallum and Danny Grady handed out only two penalties, both going to Albany.

The Hillcrest Strikes beat Kensington Seaman's Bombers in the second game, the score 8-4. The Strikes were ahead 4-2 after one period of play, and scored three unanswered tallies in the middle period. Kensington outscored them 2-1 in the final frame.

For the winners Louie Poirier and Clarence Simmons got two goals apiece. Eddie Peters, Ellsworth Waite, Gerry White, and Bob Bowness fired one apiece. Billy Thibeau led Kensington with 2 goals, Wayne Champion and J. Jollimore chalking up one each.

Driver Fined In Police Court

Claude Creamer, Charlottetown, charged with driving a motor vehicle while his license was cancelled, was fined $50 and costs or 30 days in city police court yesterday morning by Magistrate A.J. Haslam.

Two persons charged with possessing liquor in a place other than their respective residences were each fined $20 and costs or 30 days.

Four drunk and incapables were on the docket. One was fined $20 and costs or 10 days; one received a 20 day sentence; one was sentenced to 10 days; while a fourth received a sentence of 20 days, with commitment held until paid.

Failure to stop at a red traffic light brought a fine of $10 and costs or five days to one man.

Auction Looms As Big Success

MONTAGUE — A successful cripple children's auction was held last night at Montague with a large crowd in attendance. The auctioneers in their humorous way were able to keep bidding brisk with little loss of time between items.

Although the auction had not been completed at time of writing indications were that it would be the largest in the six teen years.

Each year the Masons have been able to clear well over a thousand dollars from this auction. Donations have arrived from as far away as Montreal and includes many out of province donors as well as the local business men of the province, farmers and citizens.

TESTS ULCER TREATMENT

CALGARY (CP)—A Calgary doctor forecast Tuesday night that thousands of ulcer sufferers in Canada will soon receive a new painless "deep freeze" treatment which has been tested here. Dr. A. W. Starink said the treatment, known as gastric freezing, was administered to two Calgarians and results were "very successful."

ANNOUNCEMENT

We wish to announce that we have added a complete service for domestic and commercial refrigerators in addition to automatic washers and dryers as well as wringer type washers. We have the latest and best test equipment etc., to assure you of speedy, economical service.

PATROL BOAT IS CONVERTED

The "Alosa" a 97 foot former government fishery patrol boat, has been completely reconditioned and remodelled by Alberton Industries Limited into a sleek cabin cruiser of an approximate cost of $18,000. Following sea trials today the cruiser will be sailed to Halifax by Phillip Kinch of the boat factory where she will be turned over to the new owner Alan Stott of Moncton, N.B. From Halifax Mr. Stott plans to sail the Alosa to St. Lucia in the West Indies for kingfish and tuna fishing on a commercial basis. The cruiser can accommodate twelve passengers and is powered by twin 120 h.p. diesel motors and is fully equipped for ocean voyages.
