

Along the line of smoky hills
The crimson forest stands,
And all the day the blue jay calls
Throughout the autumn lands

ANNOUNCEMENTS

NHS CRESTS in the design of our logo have been received. In colours of gold, blue and white, they will be attractive on any jacket. The price is \$3.50 each.

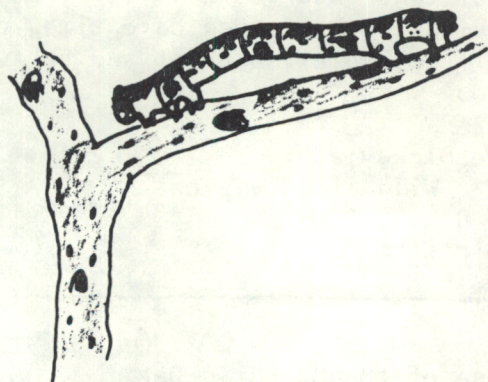

FIELD TRIP. October 9 (Saturday) there will be a walk to enjoy the autumn foliage at Riverdale. We leave the YMCA corner at 10 a.m. Be prepared to tote your lunch. In case of rain the walk will be postponed to the following Saturday.

MEMBERSHIP has reached 103, paid-up. Several persons have not paid the 1976 dues yet. For these, a reminder is enclosed in this newsletter.

NEST RECORD CARDS should be mailed before October 1 to the address given on the cards.

"WINDS OF SEA AND WOOD" is available at \$1.35. If each member would undertake to sell two or three copies, it would reduce our stock greatly. How about some help, members?

CANADIAN NATURE ART '75 is on exhibition in the Confederation Centre Art Gallery until October 10 through the courtesy of the Canadian Nature Federation and the National Museum of Natural Science.

Measuring Worms Make it to Charlottetown

While walking through a Charlottetown square on September 13, I noticed a twig "walking" along the pavement. There didn't seem to be sufficient breeze to cause this movement so the twig was investigated. Upon close scrutiny, the twig suddenly became a "worm". This worm was greyish-brown in color with reddish-brown subtly blending in on the upper surface. It also had white lenticels and would you believe it, simulated leaf-scars? I had stumbled upon a measuring worm similar to the inch worm but larger. This particular variety is also an excellent
