

## NOTICE! NOTICE! NOTICE!

Are you a student of Sociology, Religion, Philosophy, Psychology, Canadian Studies, Women's Studies, **WHATEVER YOUR DISCIPLINE!!!**

Are you interested in meeting with other students to discuss just about anything?

**THEN YOU HAVE FOUND THE PLACE!!!**

Philosophy Lounge Thursday, 11:30 am

Bring your lunch and let's talk!

**SOCIETIES----CLUBS----ORGANIZATIONS**

Whatever you call yourself... **PLEASE** listen up!

The yearbook society would like to hear your side of the next school year. We will give you plenty of room in the book **BUT** we need you to provide the info. It is all very well and good that your organization does wonderful things all year but if they are not recorded for history's sake then...

I ask that you appoint someone to be the liason to the yearbook office and all they need to do is...

1. Contact us at least one week in advance to arrange a photographer to cover your event.
2. Collect pictures of other events you have where we are not present.
3. Collect the facts... one does not need to write a story necessarily but a list or outline that covers the events and results (**THE WHO, WHAT, WHERE AND WHY**) of each event will get us to write a great story for the yearbook.

Now none of this sounds hard but every year societies promise me stories and pictures and every year...**NOTHING SHOWS UP EVEN WHEN WE REMIND YOU!!!**

**PLEASE...PLEASE...** Let us and the rest of the campus know you exist, don't be strangers drop on down to the office and introduce yourself.
