

Faloney Will Probably Be Back With Als Next Year

MONTEAL (CP) — Veteran quarterback Bernie Faloney said Monday he will be back with Montreal Alouettes of the Eastern Football Conference next season.

head coach, doesn't deny the possibility. A dispute arose over reports that if the veteran of 11 Canadian Football League seasons is to return, he must take a drastic salary cut. He has worked

two seasons of a three-year pact for a reported \$30,000-plus annual salary. The Als lost the EFC semifinal 24-14 to Hamilton Sunday and Faloney saw no action.

"I have a signed contract with the club and I intend to honor it and I plan to play next season," Faloney said.

NO CUT IF A STARTER Mudra said the return of Faloney will be acceptable to him and that no reduction in salary will be considered. "If Bernie can start for us next season,"

"But unless he can become a starting quarterback again we won't pay him the salary. We can't pay any player who doesn't play."

Mudra had been quoted as saying if Faloney won't renegotiate the final year of his three-year pact, the Als will attempt to deal him off.

"Asked if he could be cut under the terms of his current contract, Faloney said he had signed a standard players' contract and under that he can be cut or traded.

Johnson Out For Season

ST. LOUIS (AP) — Charley Johnson, St. Louis Cardinal quarterback, will be out for the rest of the National Football League season because of a torn ligament in his right knee, coach Charley Weisner said Monday.

Johnson will undergo surgery today. Starting centre Bob Demarco is undergoing an examination for a similar injury.

Both were injured by the Cardinals' 20-17 victory Sunday over New York Giants.

Two Canadian Horses Named

WESTBURY, N.Y. (CP) — A pair of Canadian-owned and bred three-year-old trotters were named Monday along with five others for Thursday's \$87,380 Dexter Cup, third jewel in America's trotting Triple Crown at Roosevelt Raceway.

Governor Armbr, owned by Elgin, Ted and Charles Armstrong of Brampton, Ont., and Armbr Gazelle, owned by Max J. Webster of Brantford, drew No. 3 and No. 5 post positions in the seven-horse field.

Completing the Dexter field in order of post were the Swedish-owned Shatter Way and the U.S.-owned group of Replica, Polaris, Carlisle, the likely choice, and All American.

Winner of the Kentucky Futurity, second event in the Triple Crown, Governor Armbr will be second or third choice in this field. He will be driven by Joe O'Brien, 48-year-old Alberton, P.E.I., native who won last year's Dexter with the Armstrongs' now-retired Armbr Flight.

When Williams, now 33, was released from the hospital Benbow took his fighter to Benbow's 2,675-acre ranch near here to get him back in shape.

Fourteen months after the shooting incident Williams was fighting again. His first opponent on the comeback trail was big Ben Black, a Chicago strong boy fresh out of the amateur ranks, hardly a worthy opponent for the Williams of old, but the new Williams had something to prove.

Before he was knocked out Black fired two hard punches to

Williams' midsection. Williams did not blink. Williams went on to whip three other opponents during his comeback and earn a shot at Clay's title.

The only visible scar of his brush with death is a big "L" shaped scar, most of which is hidden by his boxing trunks.

Williams said: "My stomach is harder than ever. If I had any pain at all I would not fight."

His close call has affected him in other ways. He has embraced religion and married a

minister's daughter. He knows this is his last chance at the big time.

"I mean business with Clay. All my eggs are in this fight and in my heart I know I can knock him out."

Unusually favorable November weather has the course in perfect condition, except for the yellowing of the Kora grass, and the dye-sprinklers are taking care of that.

George Knudson of Toronto and Frank Fowler of Calgary carry Canada's colors in the tournament which has drawn two-man teams from 36 countries.

The United States pair of Jack Nicklaus and Arnold Palmer are favored. Then come the South African team—Gary Player and Harold Henning.

South Africa is defending team champion; Player is defending individual champ.

SHOTS MUST BE ACCURATE Knudson, the Winnipeg-born better now a teaching pro at Toronto's Oakdale Golf and Country Club, and Fowler, who plays out of the Canyon Meadows course in Calgary, face a course that puts a premium on long, accurate hitting.

Par for the 6,962 yards is 72.

Runners-up Ron Spencer of Moncton, Damon Downey of Fredericton rolled the high triple, and Alphonse Allard of Campbellton, the high single.

In Saturday's bowling, the women's high triple was scored by Mrs. Betty Trueman of Moncton, and the high single by Mrs. Roberta Henderson, Moncton.

The men's high triple was marked up by Wendell Murphy of Halifax, and the high single by Bob Atkinson of Moncton.

Women's consolation prizes went to Mrs. Iris Wilson of New Glasgow and Mrs. Sandra Currie of Halifax. Consolation prizes for the men were claimed by Allan MacDonald, Moncton, and Harry Collins, St. Martin's, N.B.

From the spring tournament, trophies for group A went to Doug Trueman, Moncton; group B, Richard Gendron, Bathurst; and Ken Day, Campbellton (tie); Group C, Ellard Griffin, Moncton.

Approximately 65 freight sales bowlers from Campbellton, Fredericton, Saint John, Charlottetown, New Glasgow, Sydney and Halifax met at the Bowl More Lanes at Moncton for the tournament.

MARITIME RACING

SYDNEY (CP) — Two horses sped to lifetime records on an eight-dash harness racing card Monday night, but performances on the track were slightly overshadowed by business at the pari-mutuel betting counter.

Carol Ann Volo, a long shot who romped home in 2:17 here first time out for a \$34.50 payoff, combined with Frank H. Cavallero to return a whopping \$946.40 in the daily double.

The exactor was worth \$171.50 on the choice of Watson Tass and First Hour, while the quinnella combination of Rich Ann and Dairyman paid \$66.80.

Frank H. Cavallero was one of two double winners with times of 2:15 and 2:17. The other double victor, Chief Vance, clocked the mile in 2:12 4/5 in the three-year-old's initial dash of the night and shattered his previous lifetime mark of 2:12 2/5 with a 2:12 performance the second time out.

The horse's record mile was the fastest of the program. Rich Ann crossed the wire in 2:15 2/5 to also set an individual record.

SACKVILLE DOWNS, N.S. (CP) — There were no repeat performances on an eight-dash harness racing card here Monday night.

Midnight Bold, owned by Everett Shea of Alberton, P.E.I. clocked the fastest mile of the night with a 2:10 circuit in the seventh heat after finishing second behind Sugar Blaze's 2:10 1/5 in race three.

Other winners were Lil Miss Spud (2:17 2/4), Ozark Walter (2:11 1/5), Brown Berry (2:13 1/5), Lena Rush (2:16 4/5), Chm (2:12 1/5) and Monsieur Reynard (2:13 4/5).

Monsieur Reynard and Wally Boy, first and second respectively in dash eight, combined to return \$108 in the exactor.

2 Tournaments For N.B.-P.E.I.

FREDERICTON (CP) — Two tournaments will be used to decide membership on the 1967 New Brunswick-Prince Edward Island Junior Golf Team.

The decision to follow a procedure similar to that employed in Provincial Willingdon Team selections was made at a weekend meeting of the governors of the N.B.-P.E.I. Golf Association.

Junior team members will be selected on the basis of play in a 36-hole weekend trial—incorporating both an 18-hole course and a nine-hole course—and also on the results of a regular Junior championship tournament.

The 54-hole junior championship tournament will be held at the Moncton Golf and Country Club and the venue of the weekend trials will be chosen at a Spring meeting of the governors.

Governors also decided to reduce the qualifying handicap for entering the Willingdon cup trials to six.

Saint John Riverdale will be host to the 1967 championship tournament for Willingdon aspirants and trial tournaments will also be held at the Edmundston and Aroostook Valley Clubs.

Williams Ready For Fight With Clay November 14

Yoakum, Tex. (AP)—Whether Cleveland Williams wins or loses Nov. 14 when he battles champion Cassius Clay for the world heavyweight title, he already has a bigger victory in his credit.

Two years ago this month doctors battled to save Williams' life after he suffered a critical gunshot wound in the stomach in an altercation with a highway patrolman.

During his lengthy stay in hospital at Houston he underwent several major operations. A section of his small intestine was removed. His weight dropped from 214 pounds to 159.

Many persons close to boxing said Williams would never enter the ring again. Williams, from his hospital bed, insisted he would.

Hugh Benbow, Williams' manager, said doctors told him the .357-magnum bullet "dodged and darted in the lower abdomen, nipping intestines and arteries here and there."

"Doctors told me they had never seen such muscles on a human being," Benbow added. "Anyone else, they said, would have been killed by the shot."

When Williams, now 33, was released from the hospital Benbow took his fighter to Benbow's 2,675-acre ranch near here to get him back in shape.

Ottawa Unimpressed As EFC Final Game Nears

By THE CANADIAN PRESS Ottawa Rough Riders have rejected an offer from British Columbia Lions to provide coaching help as a replacement for Bill Smyth, who died Sunday of a blood clot.

The Rough Riders turned down the offer, made by Lions general manager Herb Capozzi, and Monday named five members of their own defensive squad to take over as "leaders sub-coaches."

They'll assist head coach Frank Clair as the Riders prepare for a two-game, total-point series against Hamilton Tiger-Cats for the Eastern Football Conference championship. The series opens Sunday in Hamilton with the return game in Montreal the following weekend.

LOST HOME FIELD The Rough Riders, unable to use their home field because Ottawa's Lansdowne Park is undergoing renovations, will play the return contest at the sports stadium on the Expo 67 site in Montreal.

BOB O'BILLOVITCH

The five players taking on coaching duties are Joe Poirier and Bob O'Billovitch, who will handle defensive halfbacks, Ken

Lehmann and Billy Joe Booth, who will coach linemen, and Gene Gaines, who will serve as over-all defensive coach. "Everyone on the club realizes the unfortunate death of Bill Smyth has left us without a defensive coach," said Clair. "I'm sure the boys will do their jobs."

The Riders, who finished first in the EFC standings and earned a bye into the final, did not practise Monday because of Smyth's death.

But Al Bruno, an assistant coach to Clair, scouted the Tiger-Cats Sunday in their 24-14 victory over Montreal Alouettes in the sudden-death semi-final and came away unimpressed.

SHOW LITTLE OFFENCE The Ticats' defending Grey Cup champions, were unable to dredge up much offence and managed only eight first downs, one after half time.

Hamilton came out of the game relatively free of injuries. The most serious mishap was to the right foot of place-kicker Don Sutherland, who booted 11 points and was one of the few outstanding performers offensively.

Someone stepped on the foot and it was taped, but Sutherland said the injury was not serious and "expects to be ready for Ottawa."

Bryce reported the Riders in good physical shape and didn't think the two-week layoff since the end of the schedule will hurt the club.
