GRAIN

WINNIPEG, Nov. 10 (CP)—Prices of coarse grain futures moved ed narrowly and generally lower today in dull trade on the Winnipeg Grain Exchange. An easier tone was apparent in sympathy with hesitation on U.S. grain markets. They in turn were affected by reports of moisture in the southwestern U.S. The rains, however, were not considered adequate or wide enough to be an important factor in relieving the drought. Shippers and U.S. interests took deferred months of barley. In fact trade support on the recession came from seaboard houses and processing houses. Trade was mostly routine and quiet. Week-end loadings of Canadian wheat for export included: United Kingdom 475,000 bushels, Eire 260,000, Italy 370,000, Switzerland 550,000, Belgium 500,000, Netherlands 205,000, Japan 365,000, Yugoslavia 325,000. Prices of class two and I.W.A. wheat were up one-half cent from Friday. Closing prices: Oats—Dec. 85 1/2, May 83 1/2, Jly 89A, barley—Dec. 1.31 1/2, May 1.27 1/2, Jly 1.21 1/2, A. Rye—Dec. 1.84 1/2, May 1.90 1/2, B. Flax—Dec. 3.50, May 3.66, Jly 3.54B.

Markets At A Glance

Toronto—Industrials, western oils lead decline. Montreal—Industrials, papers gain. New York—Prices mixed, changes narrow.
