## WOMEN'S ORGANIZATIONS

### Kelly's Cross WI Members To Continue Organization

The annual meeting of the Kelly's Cross Women's Institute was held in the school room with five members present. A discussion was held on the continuation of the Institute in this community due to the poor attendance during the previous two years. It was decided that since May, 1960, will be the fifteenth anniversary of this organization and that nine members offered to join and be active that the Institute continue.

The January meeting will be held at the home of Mrs. Curley. The secretary reported a balance of \$34.00 on hand after all bills were paid. Donations were made to the T.B. League, Polio Clinic, to the convention for prizes for students making the three highest marks in the Matriculation examinations. The sick of the district were brought treats and the

school children were given treats at the end of the school year and at Christmas.

Correspondence consisted of a letter from Mrs. Burge stating that the membership fees for the coming year be fifty cents each, half of which would be paid to the Provincial secretary. The same officers were asked to continue and a discussion was held on raising funds. It was decided to hold a dance in the school during the holidays, plans for which would be completed later.

Miss Monaghan asked the members for contributions of candy, sandwiches and doughnuts and to take charge of the sale of lunches at the Christmas concert.
