See Beer Bros. bargain corner. ORGAN RECITAL.—Thanksgiving night. Organ recital and sacred concert in St. James Church.

DECLINE IN PORK.—November pork went down to \$14 in Chicago on Thursday, a decline of \$1 in two days.

THE QUESTION OF THE DAY.—Who are to be the candidates for the city at the approaching Provincial election?

TEACHERS' INSTITUTE.—The Teachers' Institute meets this evening. Dr. Dursey will begin his lecture on "Physiology" at 7.30 sharp.

Y. M. C. A.—Young men's meeting in Y. M. C. A. reading room to-morrow afternoon at 4 o'clock. Talk by Mr. S. C. Moore. Subject, "The young man and his companions."

POLICE COURT.—This forenoon, two drunkards, Archibald McLean and Charles Waughan, were fined \$2 or 8 days each, and a man charged with the improper use of firearms, was discharged.

A BELL BOY'S DEATH.—Judge Gill, of Montreal, has awarded Mrs. Williams, widow of the bell boy killed at the Windsor Hotel by falling from the elevator shaft, \$1,500, the hotel company being responsible.

THE PROVINCIAL ELECTION.—Peter McNutt, of Darnley, has been appointed Returning Officer for Prince County, and High Sheriff Horne and Melnis Returning Officers for Queen's and King's Counties respectively.

AFTER THE BALL.—Last Wednesday night a grand ball, under the auspices of the B. I. S., was held in their hall. A large number of people from the village and surrounding country were in attendance, and all went merry as a marriage bell.

STRICKEN WITH PARALYSIS.—A man named John Cahill, living at Westmorland, N. B., while passing from his field to his house a few evenings ago, was stricken with paralysis and fell to the ground, unable to move. His son found him later, and by great exertions got him to the house.

THE TICKETS DESTROYED.—A Toronto boot and shoe man recently had 300,000 imitation street railway tickets got up to advertise his business. People passed them on the conductors. The company took out an injunction, and the boot and shoe man consented to having the tickets burned.

DEWE NOVEL READERS.—Some people came upon a tent in the woods not far from Kittery, Me., lately. The tent was the abode of a gang of boys, banded together to pillage the town. One of the conditions was that a boy must bring something in the shape of plunder to entitle him to a footing with the gang. The tent was fitted up with everything to make the boys comfortable.

AGAIN DEFEATED.—A motion to abolish the legislative council of Quebec has been defeated in the assembly of that Province by a vote of 23 to 27. This motion is an annual offering in the Quebec legislature. The proposition usually comes from the eastern townships. Notwithstanding this recent vote it is probable that the legislative council of Quebec will outlive all the other upper chambers in Canada.

GLAD TO RESUME WORK.—The largest plow and agricultural works in Canton, Hutter & Gibbs, will resume operations on Monday. The proprietors gave their old hands the choice of remaining idle or going to work at once at 20 per cent. lower wages. The men unanimously accepted the low wages, and families of 2,000 people are happy at the termination of the enforced idleness.

THANKSGIVING SEASON.—The ladies and friends of the Methodist Church at Souris will have a Social and Entertainment in St. Patrick's Hall, Souris, on Tuesday evening next, commencing at 8 o'clock. The programme will consist of vocal and instrumental music; also a bean and cyster supper with accompaniments and hot coffee. The Souris Band will be in attendance. A generous patronage is cordially solicited. Admission: Adults 10c., children 5c.

HEAVEN FOR ELOPING.—Hattie Clark and Clarence D. Silvia eloped from Warren, Pa., on August 5th and were married at Freeburg, N. Y. They returned on the next train and kept the marriage secret. Some one sent the girl's father a Jamestown paper containing the minister's announcement of the wedding. Clarke immediately flew into a violent rage, and, grabbing his daughter by the neck, threw her to the floor, breaking both her arms, and kicked her in the side. She is now in a critical condition.

THE VICTORIA DISASTER.—The final report from the enquiry into the loss of the battleship Victoria does not support the belief that the sudden collapse of the ship proves the present system of the water-tight bulkheads to be a failure. The admiralty board has reached the conclusion that the bulkheads and compartment were in themselves all right. The trouble was they were not closed soon enough. The board recommends regulations which will either keep the bulkheads closed or have a sufficient force stationed at the doors to guard against their being open in the event of a collision.

SHEEP ALIVE AND DEAD.—Three carloads of sheep, each containing 138 animals, arrived from Point du Chene yesterday for the American market. Two carloads were shipped last night and the other will follow this morning. Seven dead animals were found in the cars, where they had fallen and been trampled to death by the others. Another sheep had the pelt nearly stripped off one side, and agent Wetmore, of the S. P. C. A., refused to allow it to be forwarded. There have not been many sheep killed in transit this year, owing to greater care being taken by the railway men in shunting cars at Moncton.—St. John Telegraph.

We make a specialty of MANTLES—that's why we 1 buy larger quantities, 2 buy at lower prices, 3 show a larger variety, 4 sell at lower prices, than would otherwise be possible.

BEER BROS. "A word to the wise is sufficient."

Weather Bulletin. Toronto, Nov. 18, 10 a. m. Winds mostly southwest and west; mostly cloudy, with local rains.

LOCAL AND OTHER ITEMS.

APPLES GO HIGH.—Apples sold at auction this morning by E. H. Norton & Co. realized as high as \$4. A carload is expected in a few days, specially selected to meet the high prices.

THE RALPH B. PEAKE.—The barque Ralph B. Peake, Capt. Rendle, sails this afternoon from this port for Bordeaux, France. Her cargo consists of 59,800 bushels of oats and 604 pieces of deals—about 16,500 feet—loaded by the owners, Peake Bros. & Co.

SEALS.—Several seals were discovered in the dock on the west side of Pownall Wharf this morning, and one of them, which came too close to a schooner lying at the wharf, was shot by the captain. The seal floated a few minutes after being shot. Before the schooner's boat could reach it, however, it sank.

LAMBS SHIPPED.—The Summerside Agricultural Society, on Wednesday morning, shipped two hundred lambs from here to Mr. John Macdonald, St. John; Mr. P. G. Mahoney, of Melrose, N. B.; 194 to the London market; and Mr. J. Macdonald, O'Leary, two hundred to Mr. J. McGrath, St. John. They were a fine lot all through.

CIVIL SERVICE EXAMINATIONS.—Two young men, S. P. Paoli and John S. Lewis, are taking the civil service examinations to-morrow. Mr. Paoli is taking the qualifying examination, and Mr. Lewis both preliminary and qualifying.

A Montreal despatch says: "A great sensation has been caused here by the fact that a number of applicants for civil service examination have been impersonated by other people, who were paid to pass the examination in their name. Six men have been found guilty, and arrests are being talked of."

ARE YOUR HENS LAYING?

It is a fact but little known to people who keep poultry, that the first part of a hen which becomes disarranged on the approach of disease, is the ovaries, or egg producing organs. Excess of fat, exposure to wet and cold, poor condition, shedding feathers, improper food, want of exercise, or lack of certain elements in the food to develop the embryo egg, will all produce the same effect and cause the hen to stop laying. It cannot be laid down as an "iron clad" rule, that when a hen ceases laying it is a positive symptom she will soon be sick; but it can be stated with the utmost assurance that something is wrong or she would not cease laying for weeks and often months. The annual egg product per hen in this country, ranges from three to eight dozen each. Now, this is by far too small! There is no earthly reason why every hen that lays at all should not be made to lay from ten to fifteen dozen eggs each per year, and continue to do so for several years. We know of parties who get eggs at that rate in midwinter in our cold climate.

How to get eggs in cold weather interests every person who keeps hens. Mr. Charles Raymond, of New Canada, Conn., writes under date of March 8, 1887, "I had excellent results from feeding Sheridan's powder to my seventeen hens. In December they laid 224 eggs. In January, 177, and in February, 241." People around here who have three or four times the hens that I have, (and who did not get one quarter as many eggs.) I. S. Johnson & Co., 22 Custom House Street, Boston, Mass. (the only makers of Sheridan's Condition Powder to make hens lay) will send postpaid, to any person two 25 cent packs of Powder and a new Poultry Raising Guide, for 50 cents. The book alone costs 45 cents. For \$1.00 five packs of Powder and a book; for \$1.20 a large 24 pound can and book; six cans, \$5.00, express prepaid. Send stamps or cash. Don't You Think

That SANDERSON & CO'S. is about the best place in town to buy GROCERIES?

Think! My dear sir, I don't think at all; I know it for a fact. Just look here at the Bargains I got there last week:—5 lbs. choice Tea for \$1.10, and they have a brand there for 90c., good Tea, too; prime Porto Rico Molasses, 36c. a gallon; Porto Rico (Raw) Sugar, 5c. a pound; Raisins and Currants (new fruit), Candied Peels and Essences at the lowest prices you ever heard of. And, say, if you want some Choice Family Flour, they keep it good and cheap.

Well, well. That, I think, suits me better than any place I have heard of yet, and I will give them a trial anyhow.
