CELEBRATED PERFECTED SPECTACLES AND EYE-GLASSES.

The large and increasing sales of these PERFECTED GLASSES is a sure proof of their superiority. We were satisfied that they would be appreciated here as elsewhere, and that the reality of the advantages offered to wearers of our beautiful, useful, and comfortable, the assured and readily ascertained improvement of the sight, and the brilliant assistance they give in all cases, were in themselves so apparent on trial, that the result could not be otherwise than in like, in the almost general adoption of our CELEBRATED PERFECTED SPECTACLES by the residents of this locality.

With a full knowledge of the value of the assertion, we claim that they are the most perfect optical aids ever manufactured. To those needing Spectacles, we offer, at all times, an opportunity of procuring the best and most desirable.

OUR AGENT, — W. R. WATSON,  
has always on hand a full assortment, suitable for every difficulty.

We take occasion to notify the public that we employ no pedlars, and to caution them against those pretending to have our goods for sale.

**THE ROAD TO HEALTH AND LONG LIFE**  
HOLLOWAY'S PILLS.  
Purifiers of the Blood.

In selecting the most appropriate medicine for a particular ailment, there may be some difficulty unless one can be found to purify, regulate, and improve the quality of the blood. These Pills possess and exert these three qualifications in an extraordinary degree. They enable the stomach to digest any ordinary food, increase the secretory powers of the liver, cleanse and purify the blood, expel all morbid matter, and throw into the circulation the purest elements for sustaining and repairing the frame.

**Weakness and Debility.**  
How many persons suffer from debility without knowing the causes why they are feeble! In many cases the stomach is the aggressor. Holloway's Pills have long been famed for regulating a disordered stomach, and restoring its healthy activity; they are, therefore, confidently recommended as a never-failing remedy in all cases where the constitution, from any cause, has become impaired or weakened.

**Disease of the Head and Heart.**  
These formidable diseases are, unfortunately, frequent occurrences; for the most part they creep on gradually, but may be prevented by proper precautions. Holloway's Pills are the surest preservatives against all derangements of the brain, and the excellent correctors of irregular circulation. It may be taken without delay, when tingling in the limbs, drowsiness, or giddiness comes on, the effect will be marvellous.

**Females of all Ages and Classes.**  
The fame of these Pills is partly based upon the beneficial effects they have upon the constitution of females. From the domestic arrangement to the present universal favor is accorded to them for their invigorating and purifying properties, which render them a safe and invaluable in all disorders peculiar to the sex. Obstructions of every kind, either in young persons entering into womanhood, or approaching the turn of life—the most critical period—may be readily removed by recourse to these Pills.

**All Disorders affecting the Liver, Stomach and Bowels.**
