That afternoon we were photographed in the Coliseum, and I visited the interesting old church of St. Clements afterwards. Every evening, after a day spent in rambling among antiquities, we attended the opera in a sort of Opera House. It acted as a sort of relaxation after the serious business of sight seeing.

A Life for A Dollar

NEVER was human life so cheap as it can be bought today in the famine districts of Russia.

Will you save a life with a dollar? Could any other dollar you have—or ever hope to have—bring such soul-satisfying returns?

Wouldn't you sleep better—feel better—be better—if you knew that a dollar of yours saved a child's life?

Only—anything you do to save the children of Russia in their desperate fight against death from starvation, must be done at once. Won't you send the dollar NOW? A child's life depends on it.

Bilious Headache

WITH many people bilious headache returns so regularly that it may be described as a habit.

By eating too much or of foods which do not agree and by taking too little exercise the liver becomes torpid and sluggish and the bowels constipated.

Then comes the bilious spell, when the liver can no longer control the bile and the whole system is poisoned and upset.

But this bilious habit can be broken up, and you can get away from these periodic headaches if you will use Dr. Chase's Kidney-Liver Pills in order to keep the liver and bowels in condition.

TERRIBLE HEADACHES. Mrs. A. F. Letts, South Fork, Sask., writes: "I suffered from terrible headaches, so severe I thought sometimes I would go crazy from them. No remedy I ever tried helped me until I used Dr. Chase's Kidney-Liver Pills. Since using them I can say I am never troubled with headaches now, and feel much better generally."
