LIEUT. GOVERNOR HOWLAN

Addresses From the Benevolent Irish Society

And Division No. 1, Ancient Order of Hibernians.

This morning at ten o'clock, a committee representing the Benevolent Irish Society, waited upon his Honor Lieutenant-Governor Howlan, at the Hotel Davies, and presented him with an address on behalf of that institution. His Honor was very much pleased with this mark of esteem, and, at the conclusion of his reply, remarked that he had been a member of the Society for about fifty years, having joined it when he was nine years old. The following is a copy of the address to His Honor and his reply:

ADDRESS.

To His Honor George William Howlan, Lieutenant Governor of the Province of Prince Edward Island, &c., &c., &c.

May it Please Your Honor.

We, the undersigned committee of the Benevolent Irish Society of Prince Edward Island, feel it a high honor to be chosen to bid you welcome on your return to this city, and in the name of our fellow-members to offer you our cordial congratulations on your elevation to the exalted position of Lieutenant-Governor of this Province. We assure you it is extremely gratifying to the members of this Society, of which you have long been a distinguished member, to learn that, as a statesman and citizen, your merits have been fittingly recognized by the Federal Government, thus affording additional proof that the highest offices in their gift are open to all, irrespective of creed or nationality, who are qualified to fill them.

We also, as a national society, hail with pleasure your appointment, as it recalls similar events which awaken pleasant memories. Seventy years ago, one of your predecessors, His Excellency, John Ready, was instrumental in establishing the Benevolent Irish Society, and thirty years afterwards, or just forty years ago, another patriotic Irishman, Sir Dominick Daly, was appointed Lieutenant-Governor of this Province, and was proud of being enrolled as a member of our time honored organization. They were worthy sons of the Old Land, men of whom our fathers were justly proud; it therefore affords us great pleasure to see another of our race, whose claims to the respect and esteem of the present generation are equally strong, appointed to fill the gubernatorial chair of this Province.

The distinguished Irishman to whom we have referred as the founder of our Society emphasized his loyalty to his sovereign by selecting as its motto the Harp surmounted by the Crown. We are quite familiar with your oft-expressed admiration of the noble sentiments of loyalty and patriotism that prompted Lieutenant-Governor Ready to adopt this motto, and we feel confident that the same sentiments will animate you as the representative of Her Majesty in this Province.

We respectfully request you to convey to Mrs. Howlan and accept yourself our best wishes for your health and happiness, and in the name of our fellow-members bid you

"CAED MILLE FAILTHE."

PETER MCCOURT,
THOMAS E. FLYNN,
PETER H. TRAINOR.
Committee.

REPLY.

To Messrs Peter McCourt, Thomas E. Flynn, and Peter H. Trainor, Committee, and the members of the Benevolent Irish Society.

I thank you, gentlemen very sincerely, for your cordial congratulations on my elevation to the position of Lieutenant-Governor of this Province. I quite agree with you that every position under the free constitution of this Dominion, is open to every citizen of this country, irrespective of creed or nationality.

The Benevolent Irish Society calls to my mind many pleasant memories, I having been associated with it for a great number of years. As you remind me, it is over seventy years of age, and was founded by Governor Ready, who made its by-laws a part and parcel of the records of this Province. It has done its duty nobly and well, and whilst other national societies have gone to pieces it has preserved its old name through all these years. Its officers, without ostentation, fee or reward, other than the knowledge of the good work done, have relieved the poor, buried the dead, and cared for the widow and the orphan, without any respect to creed or nationality.

I am reminded also of the long list of illustrious names that have been associated with it, and am pleased to see particular reference made to one of my illustrious predecessors, Sir Dominick Daly, whose worthy son, also a distinguished Irishman, is at present the Governor of the neighboring Province of Nova Scotia.

I am pleased also to notice the spirit of loyalty and patriotism which prevades your address, a spirit which has always been a characteristic of the Benevolent Irish Society.

In conclusion, allow me to thank you sincerely for your kind wishes towards Mrs. Howlan, which I shall convey to her at the earliest opportunity.

And also allow me to thank you sincerely for your kind wishes for my health and happiness.

I wish your society every success, and health and prosperity to all its members.

GEORGE W. HOWLAN,
Lieut.-Governor of P. E. I.
Charlottetown, March 21, 1894.

At eleven o'clock this forenoon a committee representing Division No. 1, Ancient Order of Hibernians, waited upon His Honor Lieutenant-Governor Howlan, at his office in the Provincial Building, and presented him with a congratulatory address, which was read by M. P. Hogan, Esq., President of the Division. His Honor made an appropriate reply. Copies of both address and reply will be found below:—

ADDRESS:

To His Honor, George William Howlan, Esq., Lieutenant-Governor of the Province of Prince Edward Island, &c., &c., &c.

May it Please Your Honor.

We, a committee appointed by Division Number One, Ancient Order of Hibernians, desire to tender you on behalf of the members, our hearty congratulation on the signal mark of approbation which you have received from Her Most Gracious Majesty.

You have long been known as one of the most prominent representatives of our Province.

The services, which during your exceptionally long political career you have rendered to Canada in general and our Island Home in particular, have been varied and distinguished, and we see in your appointment as the Queen's representative a fitting acknowledgment that those services have won for you the well-merited position which you now hold.

Permit us, sir, in conclusion, to say that in offering you this slight tribute of respect, we are aware that we are doing honor to a distinguished son of the Emerald Isle, and it is our sincere wish that Mrs. Howlan and yourself, under a kind Providence, may be spared to live a long, useful and happy life.

In behalf of the members of Division One, Ancient Order of Hibernians.

(Sgd.) M. P. HOGAN,
F. F. KELLY,
JOHN CONNOLLY,
JAMES H. REDDIN.

REPLY:

To Messrs. M. P. Hogan, F. F. Kelly, John Connolly and James H. Reddin, a committee of Division No. 1, Ancient Order of Hibernians.

Gentlemen, permit me to thank you on behalf of myself and Mrs. Howlan for your very flattering address, congratulating me on the "signal mark of approbation," as you are pleased to call it, which I have received from Her Most Gracious Majesty.

I am pleased to learn that my long political career, extending over a period of thirty years, meets with your general approval, and that I have, in some degree, tried to conduct myself as became a true son of the Emerald Isle.

To most of you, who are young men, permit me to say that this Canada of ours is a country well worth working for, and in her you have a noble heritage, she wants willing hands and patriotic hearts to assist her in becoming one of the most important parts of the Empire of Great Britain.

I shall always take a lively interest in the welfare of your Society, and trust that it may long continue on its errand of charity and good will.

I shall take the earliest opportunity of conveying your good wishes to Mrs. Howlan, and in conclusion, I wish you and the members of your society long life and prosperity.

NEAL DOW'S BIRTHDAY.

Business Transacted at the Convention Yesterday.

RALLY MEETING AT THE OPERA HOUSE

The Scott Act Campaign — Premier Peters Makes Certain Promises.

THE temperance convention in the Masonic Temple yesterday afternoon was opened by appointing Rev. W. J. Kirby, Grand Patriarch, chairman, and Mr. John A. Lawson secretary.

Mr. Kirby explained that the convention had been called to consider matters affecting the temperance movement, prominent among which just now is the question of prohibition, and the Scott Act campaign. Another business of the convention would be to appoint delegates to the great convention at Montreal in July. He also explained that the Convention had been called so that it might coincide with the Neal Dow celebration to be held in the same place of meeting in the evening.

The regrets of Rev. Messrs. Brewer, Sutherland and Archibald, at their inability to be present were conveyed to the convention.

On motion of Rob. Angus, seconded by Rev. William Lawson, it was decided to appoint a committee from the convention to wait upon Premier Peter's to see what steps were to be (or might be) taken for the better enforcement of the Scott Act.

Several representatives from the country districts then related how the Scott Act worked in the places they represented. The tenor of their remarks went to show that the act was all right in itself, but its enforcement was hampered.

Addresses were also made by S. W. Crabbe, John Bowers, Rob. Angus and William Sabine, of this city.

A deputation of nine, to represent all temperance bodies and the churches to wait on the Premier, was then formed as follows: F. H. Beer, Esq., chairman, representing the Sons of Temperance; Rev. W. H. Spargo, representing the I. O. G. T.; Mrs. L. M. Poole and Mrs. James Desbrisay, representing the W. C. T. U.; Rev. G. D. Weaver, representing the King's County Alliance; Rev. W. J. Kirby, representing the Grand Division; Rev. O. B. Emery and Josiah Roberts, representing the churches; Rob Angus, representing the convention.

Moved by Rev. W. H. Spargo, seconded by David Small, that this convention tender a hearty invitation to the Presbytery now assembled in this city to attend and take seats on the platform at the meeting at the Masonic Temple to-night to celebrate the 99th anniversary of the Hon. Neal Dow.

To which the Presbytery responded as follows:

Presbytery receives with thanks the invitation from the temperance convention to attend and take seats on the platform at the public meeting in the Masonic Temple to celebrate the 99th anniversary of the Hon. Neal Dow, and promise to attend as a Presbytery if at all possible.

It was also resolved that the chairman of the delegation waiting on the Government be requested to present his answer at the public meeting to-night.

It was moved by Rev. W. Lawson, seconded by Rev. C. W. Corey, that in view of the proposed effort to re-adopt the Scott Act in Charlottetown, that this Convention being confident of the utility of the measure, expresses its sympathy with the effort, wishing to the friends of temperance in this movement the largest fulfilment of their expectations.

Convention then adjourned.

The Neal Dow rally in the Opera House in the evening was largely attended, every seat being occupied before the proceedings began and standing room being at a premium. On the platform were the members of the Presbytery, country and city clergymen, representatives of the Women's Christian temperance Union, and a choir made up from the different churches.

Rev. W. J. Kirby occupied the chair, and after singing and prayer, opened the meeting with a brief speech. He expressed the pleasure it gave him to meet so large an audience, and explained that, while the principal object of their assembling was to celebrate the birthday of Hon. Neal Dow, the father of prohibition, they were also to consider the Scott Act question and to receive the report of the committee appointed to interview the Premier regarding that Act. He then spoke in terms of praise of the Hon. Neal Dow and his noble efforts in the cause of temperance.

Mrs. Andrew Ritchie then favored the audience with a vocal solo.

Grand Chief Templar, Rev. W. H. Spargo, from the committee appointed to interview the Premier regarding the Scott Act, reported that they had met that gentleman and had been most cordially received. The Premier, he said, had promised that only the best and most capable men would be engaged as prosecutors under the Act, and the men who did their duty well would be well paid. The Premier also promised to have the Scott Act amended so as to provide for the lessening of costs of suits and the expediting of trials. He also informed the committee that he would do his utmost to carry out a prohibitory law whenever it was secured. "Prohibition," said Premier Peters, "would be one of the greatest boons ever conferred upon our people."

Rev. G. D. Weaver, President of the King's County Temperance Alliance, referred to the evils wrought by the liquor traffic, and call upon the electors to do their duty on the 19th of April by voting for the Scott Act and against the rum trade.

A chorus was then sung by the choir.

Mrs. Charles Matheson, who represented the Women's Christian Temperance Union, was the next speaker. She referred to the pleasure it gave the organization she represented to assist at the celebration of the birthday of "America's Grand Old Man," Hon. Neal Dow, the father of Prohibition. She then briefly reviewed the good and effective work of the "Grand Old Man" in the cause of temperance, and concluded with a strong appeal to the people to do their duty in the matter of re-adopting the Scott Act.

The Citizens' Band then played an appropriate selection.

Rev. William Lawson, a representative of the King's County Temperance Alliance, followed. He advised the people to stand shoulder to shoulder in the coming fight to secure the re-adoption of the Scott Act, and when that boon was secured it was for the people to see that the law was properly carried out. He evidently did not take very much stock in the promises of politicians. "They cannot get over the young man from the country," said he. At the same time he expressed himself as pleased with the promises made by the Premier.

R. H. Macdonald, representing the Prince County Temperance Alliance, expressed the pleasure it gave him to hear of the good prospects there were for the re-adoption of the Scott Act in Charlottetown. The people had a right to protect themselves from the baneful efforts of the liquor traffic. The temperance people had right and justice on their side, and should triumph.

Rev. Mr. Corey, pastor of the Baptist Church, then made a few remarks, and after a selection by the band, and prayer by Rev. W. Hamlyn, the meeting closed with the national anthem.

OTTAWA, March 21.

Mr. Davies moved for a return of all the papers relative to the charges which have been made against Mr. Justice Palmer.

Mr. McCarthy introduced his bill in regard to the Northwest Territories. It deals with two subjects—separate schools and doing away with the dual language clause in the act. This brought forth a fiery speech from Mr. Devlin, who had to be called to order by the Speaker for using ungentlemanly language.

The Government will bring down the returns showing all the petitions and communications with regard to the commutation of the sentence of Messrs. Connolly and McGreevy.

The items which will interest P. E. Island generally are: Repairs to P. E. Island piers, etc., $6,000; Miminigash, $5,000; Bayford Harbor, $750; Souris, reconstruction of breakwater, $10,000; Wood Islands, repairs to breakwater, $14,000; North Rustico, repairs to breakwater, $3,000.

Among the other items is $60,000 for the Halifax drill shed.

For the convenience of customers we keep all kinds, and allow you to judge which is the most preferable. There is one statement we cannot but challenge. They say that they sell 16 yard Rolls at the same price competitors ask for 8 yards. Do they? We quote 8 yd. Paper from 3 cents per roll up, not Remnants but staple stock; 16 yard Rolls from 6 cents up. We are clearing our 12 yard ENGLISH WASHABLE at 15 and 17 cents per roll. Other games will be played with Manhattan, Columbia, Buffalo, Troy and Erie Clubs. The contests will prepare the New York nine for the National League season.

Be prepared for a surprise when you see our superbly handsome made-to-order Suits that strike the ideal of perfectly-fitting Clothing, and mark a discovery in the history of Merchant Tailoring; the result being that you can picture nothing finer than our Dress and Business Suits, made up from faultlessly correct measures of materials that are prescribed. Fashion's prescriptions are exclusive, and the Star Tailor's creations in sartorial art admit of no rivalry or imitations. It takes the mirror to reproduce them, but you cannot wear reflections. Waste no time in your reflections but place your order without delay to insure the filling of your order within thirty days.
