Elders Admitted To Session Of Mt. Stewart Church

At St. John's United Church, Mt. Stewart, on Sunday, May 20, a large congregation witnessed the admission of two elders to the Session, and the reception of eight new members to the church, in a service which was not only worshipful but interesting and instructive.

Out of fourteen men which the congregation nominated, all of whom were suited for the Session and worthy of the honour, two were chosen: Mr. William Wendell Glover for Mount Stewart South, and Mr. Frank McLeod Jardine for the Head of Hillsboro, and were admitted and welcomed to the Session.

The following members were received on profession of faith: Misses Margaret M. L. Douglas; Helen J. Jay; Alice M. Garnham; Clara L. Mercer; Glenna M. Jay; Jean S. Ellis, and Mrs. G. Olive Ellis. Mr. Ellis was received by transfer certificate from the United Church, O'Leary. Mr. Ellis is the new C.N.R. Station Agent at Mt. Stewart Junction.

At the afternoon service at Bristol, one person, Miss H. M. Arnold, was received to the membership. At both services the new members were given the right hand of fellowship and welcomed by the members of Session.

In his sermon Mr. Mercer said: The Christian experience opens the way to thrills and adventure. It is the way of meeting human need through love. "God so loved the world that He gave His only begotten son". He said: Christianity grew as the christian graces were distributed. If a person emptied himself of blessings received by sharing with others he thus created a capacity within himself to receive more blessings and Christian power to use them. Healthy Christianity is active and grows from more to more.
