

CHANCE OF THIRD PLACE

VICTORY AT LAST

Belated congratulations to the U.P.E.I. football Panthers, who finally came out on the long end of the scoring, in regular season play, when they trounced the hapless Dalhousie tigers 18 to 3, in Halifax last Saturday, Oct. 16. The Panthers win now places them in a fifth place tie with U.N.B. both teams having identical 1 - 3 win loss records. They need to win both remaining games in order to finish in third place, after St. F.X. and S.M.U., which are both undefeated at time of writing. The last home game for the Panthers is Oct. 23, against Mount A. Their last game of the season will take place at U.N.B. Oct. 30.

Memorial smashes Alpines

On Tuesday, October 19, the intermural playoffs began.

In the opening game, the boys of the Memorial Choir shed their choir robes and donned their football gear to do battle with the awesome Alpines. The Alpines eked out a 42-0 squeaker, with the obvious assistance of officials Ray Holz, Marty Cole, and Fat Albert.

The lineup for the choir was Kevin MacAulay at Left Out; Jack "the Stat" O'Brien at Left Tackle; Bird "Vaselene Fingers" Poirer at Left Guard; the Wild Duke at Center; Chukker using Right Guard; Kenny Jones at Right Out; Tilmon Pineau as the shifty Punt Returner Paul Graham in a brief appearance as Chukker's replacement; side-winder McIlhone at Right End; Bill Ready, who sustained an early injury to his Molson muscle; James MacDonald as Flanker; the Maestro at Way Back; Jim Timmons as Way Out; Bob Gray-Cup as Quarterback.

The best passing combination was Gray of the Choir to Bernie Conway of the Alpines, resulting in three touchdowns. The most disputed play of the entire game came after a long gain by K Kauley on the old double triple upside-down reverse was called back because of an offside call against Poirer. Poirer claimed that he couldn't see around Fat Albert to see where the ball was placed, and a dandy rhubarb ensued. The Choir played the remainder of the game under protest.

The bravery and ferocity of Memorial throughout the entire game would have warmed the cockles of Vince Lombardi's heart. However, as one Alpine snidely pointed out, if this was the case, then why the need for nine defensive half-backs and one on the line?

LAST HOME GAME FOR PANTHERS

This Saturday afternoon, October 23, at 1:30, the U.P.E.I. Panthers will tangle with the Mount Allison University Mounties at MacAdam Field. This football game will be important for both teams. If Mount "A" wins, they retain possession of third place; and if the Panthers win, they have a chance of taking over third place by the end of the season.

Attendance by all able-bodied, loyal U.P.E.I. students is strongly recommended at this game, to cheer the Panthers on to victory. The turnout of supporters from Mount Allison Promises to be a big one. When Mount "A" played at Dalhousie there were five bus loads of students from Sackville. This time, with a shorter distance and a more important game involved, the turnout from across the water is going to be greater.

That is why it is so important

that as many U.P.E.I. students as possible not only plan to attend, but DO attend. Your support is urgently needed, to give the football team the moral support they deserve when they overcome the visiting team. There is no reason why a large attendance is not possible, and all ready to out cheer the fans of the Mounties.

Soccer team wins

The U.P.E.I. soccer team emerged tournament champions at the annual N.S.A.C. soccer tournament held at the Nova Scotia Agriculture College in Truro last weekend. The Panthers, not content with only 1 trophy, carted away all the hardware as center forward Gordie Wilson was named M.V.P. in the tournament.

In the first game of the tournament U.P.E.I. rolled to an easy 5-2 victory over U.N.B. At no time in this contest were the Panthers in serious trouble as they received fine performances from forwards Gordie Wilson and Barry Hogan and from Wally Morrison and Jim MacIntyre on defence.

On Saturday afternoon the contest to decide who would meet U.P.E.I. in the finals The Nova Scotia Teachers College edge the host N.S.A.C. team 1-0. The teachers college with high hopes

of completely overpowering their smaller opponents, met the Panthers in the finals

The Panther's first goal was scored by Gordie Wilson on a penalty shot however, this lead was short lived as the Teachers College replied with a goal a few minutes later when they got in close to knock in a rebound off Panther goaler Gordon MacLeod. Playing against the wind in the first half the Panthers led by Wilson moved the ball up the repeatedly until once again the Teachers committed a foul and Wilson made the score 2-1 on a penalty shot

In the second half the Panthers had some trouble containing the opposition in their own end as the Teachers made a couple of good rushes. Unfortunately for the Teachers the only way they could stop the U.P.E.I. attack when they worked in close was by tripping, pushing, or some other illegal means. So it was then that the goal, that sewed up the victory was an exact carbon copy of the first two-- off the foot of Wilson on a penalty shot and into the net to the right of the powerless goaler. final score U.P.E.I. 3- Teachers College 1 !!
