IS THIS "CORNGOOSE?"—The Moncton *Times* says that John Doyle, of P. E. Island, is now on trial before the Supreme Court at Amherst for the larceny of a revolver, watch and wallet.

ATTENTION.—The Charlottetown Engineers will drill at the Park this evening in uniform. They are requested to meet at 6.45 p. m. Extended order and skirmishing with blank ammunition.

APPOINTMENT.—Mr. H. V. Palmer has been appointed clerk of the City Court in the place of Mr. A. F. Tomlins who has tendered his resignation. Mr. Tomlins made a very competent official. AN ISLANDER SHOT.—In a letter from Port Townshend, W. T., dated June 8th, and received here last evening, it is stated that Harry Burns, a son of Mr. James Burns, warehouseman at Welsh & Owen's, this city, was shot and killed there recently. PRIVATE SECRETARY.—Last week at the Academy of Music, Montreal, the Wood-St. John Co. played the "Private Secretary" to a packed house. The *Gazette* of that city considered the piece the most laughable comedy ever presented in Montreal, and it proved such a hit that it was produced three times during the engagement. This excellent company will present the same piece at the Lyceum next Friday evening. Seats now on sale at Reddin Bros.

ROMAN CATHOLICS IN BRITAIN.—The number of Roman Catholic priests in England is now 2,648, including those expelled from France. There are 1,631 chapels and churches, that is to say 21 more than there was last year. During the year 1887 there were 78 ordinations, equally divided among the secular and regular clergy. England has 1,324,000 Catholics, Scotland 326,000, and Ireland 3,961,000. They are represented in parliament by 32 peers, five English members of parliament and 75 Irish. The privy council of the Queen has nine Catholics.

AN EXPLANATION.—The Boston *Herald*, referring to the steamer Halifax being stuck in the mud at that port, says: "The cause of the trouble was due to the small space left between the steamers Yarmouth, lying at Lewis' Wharf, and the New Brunswick, lying at the north side of Commercial wharf. The Halifax was heading in straight, and, in trying to avoid collision with the New Brunswick, was obliged to sheer off from the channel. She is lying in only ten feet of water, and will be obliged to remain in that position until high water, when she can safely go to her berth."

COMING.—The moment Mrs. Scott-Siddons comes before her audience she makes a favorable impression, no less by the ease and grace of her movements than by the beauty of her appearance. Her face is strikingly beautiful and capable of expressing the varied emotions. Every pose is full of eloquence, and in each effort, no matter how widely different from the preceding one, she is even more successful. Nothing could exceed the interest with which she held her audience.—*Cork Examiner*. On Wednesday evening, June 26th, this world-famed lady will be at the Lyceum in this city.

NOT THAT KIND OF A BABY.—It is related that a youthful married couple whose house has recently been glorified by the addition of a fac simile of the beautiful little mother, decided to have the christening service at home. A venerable minister was called to officiate. He took the baby in his arms very affectionately and addressed in a paternal fashion a few words of advice to the young parents. "See that you train up this child in the way that he should go; that you surround him with the best influences, and that you give him a good example. If you do so, who knows but he may become a John Wesley or a John Whitfield? What is his name?" "Nellie, sir," replied the mother.

The Presbyterian Assembly.

TORONTO, June 18.

The hearing of the Galt heresy case was continued at the morning session of the Presbyterian Assembly to-day. John D. Cranston again spoke in favor of his opinion, and after his speech he was deluged with questions on the subject by members of the Assembly. This was stopped by a motion for the Assembly to sit in judgment on the matter.

The report of the committee on the Jesuits' Estates Bill will be presented to-morrow.

J. R. McDonald presented the report of the committee on the aged and infirm ministers fund (western section) for the year ending April 30, 1888. The report was not favorable. The response to appeals on behalf of the fund having been very low, the committee was compelled to order payments up to $200 only, so that this year no one received more than that sum, and even then there is a total deficit of $2,610.40.

The Assembly then resumed consideration of the Galt case. Rev. Dr. Roger Laing made a motion to sustain the previous findings in the matter, and Rev. Dr. Ure moved an amendment that the matter be referred to a committee. The amendment was lost on a vote of 75 to 90, which means that the previous ruling will be sustained suspending appellants from communion in any Presbyterian Church.

In the evening a hot debate ensued over the report on temperance, brought in by Rev. Dr. Wright, of Hamilton, recommending total prohibition and total suppression of the liquor traffic as being contrary to the word of God. The debate was continued till eleven o'clock to-night, when the motion was carried.

The Currie Case Again.

FREDERICTON, June 18.

The Supreme Court gave judgment this morning in ex parte D. D. Currie, dismissing the rule for a *certiorari*. In this case Mr. Currie's counsel, L. A. Currey, had obtained a *rule nisi* for *certiorari* to bring up the proceedings of the Methodist Conference with a view of quashing the same. By its judgment this morning the court was decided that the proceedings of the Conference which tried the Currie case were regular.

Montreal Synod Meeting.

MONTREAL, June 18.

The thirteenth annual meeting of the Montreal Synod, under the Presidency of Bishop Bond, opened to-day. There was a large attendance of lay and clerical delegates. Dr. Davidson, Q. C., gave notice that he would bring up the Jesuits' Estates Bill, and read a memorial to this effect. This bill will be sure to evoke a lively discussion, and possibly may be thrown out.

Another Sensational Letter.

MONTREAL, June 18.

Rev. Dr. Shaw, of the Wesleyan Theological College, and late President of the Montreal Conference, is out to-day with a letter to the *Witness*, in which he sustains the action of the Federal Government on the Jesuits bill in every point. The communication has caused a sensation.

Schooner Seized.

HALIFAX, June 18.

The schooner Warrior, which arrived from Boston, has been seized by the Customs authorities, for having on board a barrel of oil, which was not on her manifest. The schooner brought 500 barrels of oil, but when the officers went to gauge they found the odd barrel on board.

Grain Men Excited.

WINNIPEG, June 18.

Grain men are greatly excited over the rise in the price of hard wheat in the Montreal market. All the houses here are in receipt of messages from eastern houses, offering them 105 for all they have in stock.

Carpenters on Strike.

HALIFAX, June 18.

One hundred and twenty carpenters belonging to the Carpenter's Brotherhood struck to-day for an increase of two cents an hour, and nine hours per day. The masters propose a compromise.

Mail Robberies.

HALIFAX, June 18.

The registered letters stolen from the Shubenacadie post office contained over $4,500. A mail bag has been stolen between Digby and Brighton.

Personal.

At an ordination held in Amherst, N. S., on Sunday last, by the Bishop of Nova Scotia, five gentlemen were ordained to the Deaconate and four to the Priesthood. Amongst the latter was the Rev. W. A. Crawford-Frost, of Charlottetown, and amongst the former the Rev. T. Lloyd, father of the Rev. Fred E. J. Lloyd, of St. Peter's, in this city, and Rev. J. M. Forbes, Tyne Valley.

Beauty

Is desired and admired by all. Among the things which may best be done to enhance personal beauty is the daily use of Ayer's Hair Vigor. No matter what the color of the hair, this preparation gives it a lustre and pliancy that adds greatly to its charm. Should the hair be thin, harsh, dry, or turning gray, **Ayer's Hair Vigor** will restore the color, bring out a new growth, and render the old soft and shiny. For keeping the scalp clean, cool, and healthy, there is no better preparation in the market.

"I am free to confess that a trial of Ayer's Hair Vigor has convinced me that it is a genuine article. Its use has not only caused the hair of my wife and daughter to be

Abundant and Glossy,

but it has given my rather stunted mustache a respectable length and appearance."—R. Britton, Oakland, Ohio.

"My hair was coming out (without any assistance from my wife, either). I tried Ayer's Hair Vigor, using only one bottle, and I now have as fine a head of hair as any one could wish for."—R. T. Schmittou, Dickson, Tenn.

"I have used Ayer's Hair Vigor in my family for a number of years, and regard it as the best hair preparation I know of. It keeps the scalp clean, the hair soft and lively, and preserves the original color. My wife has used it for a long time with most satisfactory results."—Benjamin M. Johnson, M. D., Thomas Hill, Mo.

"My hair was becoming harsh and dry, but after using half a bottle of Ayer's Hair Vigor it grew black and glossy. I cannot express the joy and gratitude I feel."—Mabel C. Hardy, Delavan, Ill
