PRIOR TO addressing last night's banquet meeting of the Prince Edward Island Retarded Children's Association, the guest speaker, Dr. W.A. Cochrane, centre, associate professor of pediatrics at Dalhousie University, talked with two members of the association's executive, Lloyd Matthews, left, O'Leary, vice-president, and Roy Smallman, right, Charlottetown president. Dr. Cochrane spoke on the retarded child. Mr. Smallman was re-elected for the coming year. The reports of the various branch organizations were heard and also the report of the president given by Mr. Smallman.

Organization's Growth Reflected In Reports

A Charlottetown man, Roy Smallman, was re-elected president of the Prince Edward Island Association for Retarded Children at the association's annual meeting held in the Clover Club last night.

Guest speaker for the meeting, which took the form of a banquet, was Dr. W. A. Cochrane, associate professor of pediatrics at Dalhousie University.

Other officers elected to the executive were James Milligan, Northam, vice-president; Grace MacKinnon, Charlottetown, secretary, (re-elected) and Paul Hoy, Charlottetown, treasurer, (re-elected).

Reports were heard from the various branch associations which included O'Leary and Alberton, Mrs. C. O. Ellis; Tignish, Mrs. Joseph Conway; Souris, Daniel MacDonald; Montague, Mrs. Archie Hilchey; Summerside, J. Watson MacNaught, QC, and Charlottetown, Pius Smith.

ARE REPRESENTED

Organizations represented at the meeting included Kinettes, Public Health, Ladies Auxiliary of the Canadian Legion, Women's Institute, Catholic Women's League, Rotary, Kiwanis, Legion, Lions, Kinsmen, Alpha Y's Men, Catholic Social Welfare and Protestant Family Service Bureau.

Dr. Cochrane spoke on the retarded child and with the aid of slides illustrated ways in which science can detect mental retardation in children.

He said the therapy used in such cases included early diagnosis, medication, physiotherapy, counselling and education.

Dr. Cochrane noted that as time goes by more and more tests are being made in an effort to help those children, who appear normal but develop retardation in later years.

He pointed out that Prince Edward Island was fortunate in having a place where custodial care and training could be carried out.

REPORT GIVEN

The report of the president, given by Mr. Smallman, noted that during the year a motion passed at the 1961 annual meeting concerning a $1,000 gift to Dr. Cochrane for use in research for mental retardation was fulfilled.

"Considerable expenditure was made in the enlargement and in the operation of our summer camp at Oyster Bed Bridge.

"In view of what has been accomplished in the past few years and looking forward to the implementation of plans formed and being formed, I believe that we can look for greater progress on the solution of the many problems which now face and puzzle us today." Mr. Smallman said.

O'Leary Man Gets Award

Cpl. A. S. Dunville, O'Leary, has been awarded the Canadian Forces Decoration, it was announced by headquarters Eastern Command.

The decoration is awarded to all officers and men of the Canadian Armed Forces who have completed a period of 12 years' service, undertaken the required phases of training and duty and are certified by responsible authorities as efficient and in every way deserving of the decoration.

LATE NOTICES

(Also see announcements in columns adjoining Classified Advertising section.)

New Speed Limit Confusing Until Old Signs Are Changed

In order to clear up some doubt that still exists regarding the maximum highway speed limits in the province, Attorney-General Melvin McQuaid yesterday stated that since royal assent was given in the Legislature, at its last session, to a bill amending the Highway Traffic Act setting the maximum limit at 60 miles per hour during the day and 55 miles per hour during the night, the new limit has been in effect.

The department of highways is now replacing the highway signs in the province which showed a maximum limit of 50 miles per hour. A department spokesman said yesterday that replacement of the signs will take some time yet.,

It has been reported that police are stopping motorists who are driving between 50 and 60 miles per hour in areas where the old signs are still standing. An RCMP official said that as long as the old signs are up they must be obeyed. No motorists exceeding the 50-mile limit have been prosecuted however, and are being warned to obey the signs, it was stated.

Mr. McQuaid said, however that 60 miles per hour is now the maximum speed limit for the province.

Royal Navy Submarine To Visit S'side Carnival

SUMMERSIDE — A British navy submarine will be docked at Summerside during the Lobster Carnival and Livestock Exhibition it was revealed last evening at a meeting of the directors held in the Legion Home and presided over by vice-president, Ben Champion.

Carnival manager, Charles Hogan read a letter from Dr. Orville H. Phillips MP, which stated HMS "Astute" will visit Summerside from July 16 to 23. Dr. Phillips also disclosed that the Royal Canadian Artillery band from Halifax could be made available as well as the regimental band at RCAF Station Summerside.

Parade committee chairman, Gordon Simmons stated that it is hoped to have six bands in attendance for the parades and a large number of floats is anticipated, with work to commence on some of these very soon.

Mr. Simmons also told the directors that a majorette corps, under the direction of Miss Ann Bell has been formed in Summerside and batons have been ordered preparatory to getting the group started on its course. Mr. Simmons said he anticipated a good majorette corps which will participate in the opening day parade of the carnival. The sum of $100 was voted to help cover the cost of batons and boots for the group of approximately 15 girls.

SINGING CADEGANS

The Singing Cadegans of Glace Bay will be part of the featured entertainment, and are scheduled to perform on the final day of the five-day event at the stadium as well as at the coronation ball that evening.

Amos H. Hubley said his committee had met with the town council to discuss various items relative to the carnival and they had had a good hearing and co-operation was promised in formulating plans for the various activities concerned.

Mr. Hubley announced also that Lieutenant-Governor F. Walter Hyndman has graciously consented to officially open the carnival.

It was reported that the carnival directors are still awaiting word regarding the acceptance of the proposed livestock building under the winter works program. It was pointed out that the 100 by 24 foot building, through the co-operation of the provincial government and the town, would cost the carnival approximately $600 if approved under the winter program.

Another item approved last evening was the proposal of Heffel and Taylor of Freetown to display their wild life exhibit at the carnival.

STANHOPE SCHOOL
(Report for March)

SENIOR DEPARTMENT

Grade 10 Sr.: 1. Irene Ellis
Grade 10 Jr.: 1. Donald Higgins, 2. Ronald Johnson
Grade 9: 1. Betty Warren, 2. Carol Horgan, 3. Anne Misener
Grade 8: 1. Shirley Warren, 2. Gordon Ellis, 3. Heather Marshall
Grade 7: 1. Dianne Robison, 2. Howard Ellis, 3. Alan MacLauchlan

Grade II: 1. Janet Ellis, Wade MacLauchlan, Lorne Misener (equal), 2. James MacLauchlan, 3. Lewis Marshall
Grade I: 1. James Robison, Billy Misener (equal)
Pearl V. Cooke, teacher.

DETAILS ARE

(Continued from page 1)

350 passengers. It will also be able to handle the largest sized trailer trucks. Other statistics are: length between perpendiculars 235 feet, breadth moulded at the main deck 54 feet, loaded draft 12 feet, two engines of 3,000 brake horse power, straight through drive type diesel driven, welded steel hull.

The ferry will not be an icebreaker but will operate from May 1 to December 20 each year. Although it will be slightly smaller and less powerful than the MV Confederation, its carrying capacity will not be far below that of the newest P.E.I. ferry.

P.E.I. MPs said the new ferry has been to the forefront of their attention since increasing demands on the Wood Island service have underscored the inadequacy of existing facilities. In recent months, Captain Claude Hunter of Northumberland Ferries and other company officers have been in Ottawa discussing the matter with Island MPs and officials of the transport department.

BENEFIT TO PROVINCE

Heath Macquarrie, Queens MP said that while the Island terminal is in his constituency, the ferry service was of benefit to the whole province. He said traffic on Wood Island service has been increasing at an even faster rate than on the Borden-Tormentine run. The Queen's member referred to heavy expenditures by the department of public works to improve terminal facilities. Since 1957 about $1,300,000 has been spent on breakwaters, widening of the pier, roadway dredging and other improvements. Expenditures of $470,000 are planned for the present year.

On the question of a name for the ferry, Mr. Macquarrie noted with pleasure Mr. Balcer's suggestion of calling it after Mrs. Macdonald. As an alternate suggestion, he said it could be called the "Angus MacLean" as Wood Island is in the Belfast district of Queens County where the Fisheries Minister and his forebears were born.

EMBEZZLER MAKES GOOD

SYDNEY, Australia (AP) A bank teller embezzled $78,400, won a big lottery, then confessed and paid the bank back too much money, a Sydney court was told Wednesday.

John Corcoran, 25, pleaded guilty to embezzling and will be sentenced later. His lawyer told the court this story:

Corcoran took the money from the bank at various times and lost it playing the horses and greyhounds. He covered the embezzlement so well that the bank knew nothing until he won $224,000 in a government lottery and confessed. The prosecution said he gave the bank $85,-120 for good measure.

Steel Official Talks With JFK

WASHINGTON (AP) —Roger M. Blough, chairman of U.S. Steel Corporation, spent 45 minutes with President Kennedy at the White House in what was pictured as an effort to clear the atmosphere after their head-on clash last week.

The only official comment came from assistant press secretary Andrew Hatcher. All he said was that the meeting was "cordial" and "useful."

Blough's visit followed by exactly one week another call on the president by him, to break the news that U.S. Steel was going to increase its prices $6 a ton.

Many of the larger steelmakers followed the lead of U.S. Steel, but rescinded the increase under pressure from Kennedy and other administration officials.

Teachers' Three-Day Annual Opens Tuesday

The three-day annual convention of the Prince Edward Island Teachers Federation gets underway Tuesday at Prince of Wales College auditorium. It will last through Thursday.

The morning of the first day will be taken up by registration, an address by the president, Mrs. Marjorie Dover and an address by Hon. L. George Dewar, MD, minister of education. Deputy Mayor W.J. Cox will bring greetings from the city.

In the afternoon study groups will be held at Birchwood High School for primary, intermediate and high school teachers. Subjects to be studied include phonics, physical education, elementary science, conversational French, music, vocational guidance and reading disabilities.

Group leaders are Rev. Sister St. Mary Ian, John Ready, Thomas Hall, Mrs. Violette Leger, Rev. Sister St. Honora, Mrs. Nancy MacFarlane, Dr. Malcolm Beck, Russell Ewing, Miss Thompson, Miss MacDonald.

While study groups are held at Birchwood, Charles Fillmore of Truro will lead a group on physics and general science in the science room at PWC.

MAJOR ADDRESS

Rev. Sister St. Michael, dean of studies, Mt. St. Bernard College, Antigonish, will give the major address Wednesday morning at PWC. Her subject will be "Survival and New Arrivals in Education".

Between 9 and 11 a.m. on Wednesday at Birchwood Mrs. Doris MacKay, art supervisor of Charlottetown schools, will lead study groups in art and a panel on mathematics will be held featuring Rev. E.J. Roche, Ivan Dowling, Gerald Arsenault and Charles Read. Dr. J.J. Coyle will lead a group on English.

Study groups will continue Wednesday afternoon and in the evening a dinner will be held at the Charlottetown Hotel at which Mr. Fillmore will be guest speaker.

Major addresses on the final day, Thursday, include those of the deputy minister of education, Malcolm MacKenzie and Hartwell Daley, director of research for the province.

New officers will be elected at a board meeting in the afternoon.

Redistribution Bill Introduced In House

OTTAWA (CP) — A government formula for non-partisan redistribution of electoral boundaries was introduced in a Commons on the brink of dissolution.

Four senior judges and the chief electoral officer will comprise the commission to be appointed by the cabinet, Prime Minister Diefenbaker said. Its recommendations would be the basis for government legislation.

The bill, given first reading Tuesday, will get no farther at this Parliament but is intended to invite comment and suggestions, he said.

On a return to normal business the Commons began tackling a pile of legislation given priority by the government. It speedily ratified the International Wheat Agreement, fifth since 1949.

The Commons also gave second reading—approval in principle—to amendments extending various deadlines for appeal against Customs appraisals.

TIME LIMIT SET

The electoral boundaries commission bill would require the cabinet to name the five-man commission within 60 days after decennial census results have been turned over to the government.

Only three members are stipulated—the chief electoral officer and at least two judges of a superior court—but Mr. Diefenbaker said he planned to name two additional judges.

The commission would make recommendations "governed" by population shifts in provinces and electoral districts. But as forecast, it would continue the traditional per capita voting advantage given rural areas over the denser urban areas.

The Commons now has 265 members in 263 constituencies —two are double-member ridings.

Mr. Diefenbaker accused the former Liberal government of "gerrymandering" twice and of "cavalier treatment" of Parliament in 1940 when Prime Minister Mackenzie King summoned Parliament and dissolved it the same day.

The Liberals "over and over again" had promised an independent body on redistribution when in opposition but had forgotten the promise when in office.

"Scientific redistribution" would assure "fairness and justice" in the electoral map of Canada, the prime minister said.

Norboro Resident Passes In City

The death of Hugh A. Stewart, aged 90 years, occurred in Charlottetown on Wednesday after a brief illness. Mr. Stewart formerly resided in Norboro and Tyne Valley.

He is survived by three daughters, Mrs. Georgie Stewart, Toronto; Lylie, Mrs. Gordon Baty, Thorold, Ont., and Doris, Mrs. Preston Grigg, Norboro; three sons, Dr. Chester Stewart, Halifax, Layton Stewart, Norboro, and Dr. Brenton Stewart, Moncton, and 10 grandchildren.

He was predeceased by his wife, the former Lucy Bryan of Enmore.

The funeral will be held from the Phillips Funeral Home, Tyne Valley, Friday afternoon at 2 p.m. with interment in the Tyne Valley cemetery .

First Baptist Groups Have Special Guest

Special guest at a combined meeting of the Guides and Brownies of the 9th Charlottetown Company and Pack at the First Baptist Church Tuesday was Mrs. F.M. Latham, Edgewater, Maryland, visiting United States observer from the American Girl Scouts.

Other guests included commissioners, guiders, members of the local association and interested friends of guiding.

Mrs. George Colpitts, captain, enrolled seven new guides. They were Marilyn Acorn, Debbie Ballem, Jan Aitken, Lynnanne Johnstone, Barbara Down, Linda Down, and Donna Stone.

Badges were presented to Margaret Abel, Gale Collpitts, Lois Hansen, Diane MacInnilis, Jeanne Ives, Pamela Partridge, Susan Roberts, Linda Down, Barbara Down, Donna MacInnis and Nancy Nicholson, (laundress badge); Donna MacInnis, (cooks and needlewoman badge); Pamela Patridge, Linda Down, Nancy Nicholson, and Gail Colpitts, (first aid badge). The presentations were made by Mrs. W.J. Rodd, commissioner.

Mrs. Latham presented the second class badges to Gail Colpitts, Jeanne Ives and Susan Roberts.

Maritime Wing Convention In June Slated For Ch'town

SUMMERSIDE — Further plans were finalized last evening for the RCAF Association Maritime Group convention to be held in Charlottetown, June 22, 23, 24 at a meeting of the co-sponsors of the event held at No. 200 Wing Summerside club rooms.

Presiding was convention chairman, Harvey Campbell.

No. 200 Wing Summerside and No. 201 Confederation Wing Charlottetown are sponsoring the annual event which will have its headquarters at the Charlottetown Hotel.

Bud Larabee is secretary of the convention committee.

Members from the Summerside Wing are Ralph Ozon, Dr. Gilbert Gallant and William Young and from Charlottetown, David Lecky, Claude Carroll and Herbert Baxter.

Members of the ladies' auxiliary on the convention committee include Mrs. N.N. Larabee, president of the No. 201 Wing Auxiliary and Mrs. Gilbert Gallant, Summerside.

The program for the convention includes registration Friday afternoon June 22 at the Charlottetown Hotel, followed by evening sessions.

On Saturday business meetings commence at 9.30 a.m. followed by a parade to the cenotaph for a wreath laying ceremony. The annual dinner dance will be staged Saturday evening.

On Sunday the delegates will be given a tour of the north shore resorts in the National Park area which will conclude with a lobster luncheon at either Dalvay or Stanhope.

4-H Delegate To Ottawa

Mervyn McNally, a 4-H club member from Scotchfort left yesterday for Ottawa enroute to Washington where he will attend the U.S. national 4-H Club conference next week.

Mr. McNally, a teacher in Queen Square School, who maintains his active interest in his 4-H Club, represented this province on previous occasion at the National 4-H Club Week in Toronto.

At Ottawa he will meet representatives from all the other Canadian provinces, and will stay during the week at the National 4-H Club Centre in Washington.

The Canadian delegates leave Ottawa by plane Thursday and will spend Friday in New York City where they will have a look at the United Nations centre and have a tour of the City.

They leave Saturday for Washington and the conference where they will be guests of the American 4-H Club organization.

PROPOSED FOR PRESIDENT

NEW DELHI (Reuters) — Prime Minister Nehru Saturday proposed 74-year-old Sarvapalli Radhakrishnan, for the office of president of the Indian Republic as successor to ailing Rajendra Prasad, 77. The prime minister submitted one of eight nomination papers proposing Vice-President Radhakrishnan, whose election is considered a certainty.
