INTERESTING TO SHIPWOMERS.—An Ottawa despatch says an order-in-council has been passed amending the general regulations for the government of ports in the Dominion, to which the act respecting harbor masters applies, so that the scale of fees mentioned in regulations shall hereafter apply to any ship or vessel engaged in trading between ports and places in Canada or in the fishing trade within the ports of Chatham, Newcastle, the ledge of St. Stephen, Richibucto or Little Glace Bay, as there does not appear to be any sufficient reason why coasting and fishing vessels should be exempted from payment of dues under the Harbor Masters Act at ports mentioned.

FIRE.—Last night, shortly before seven o'clock, smoke and flames were observed issuing from the livery stable of Mr. James Sullivan, Pownall Street. The alarm was at once given, and the firemen were quickly on the spot, but before the fire could be extinguished the building was completely gutted. Some of the horses were rescued with difficulty. Everything in the loft was destroyed, but the property on the ground floor was saved. During the progress of the fire one or two citizens were injured, but not very seriously. SPECIAL DESPATCHES TO THE EXAMINER.

Trouble in Havana.

HAVANA, Dec. 26. At Jessup yesterday chief marshal Leggett and assistants attempted to arrest Bob Brewer, a notorious negro outlaw and fugitive. Brewer shot assistant marshal Barnhill and Leggett, killing the former and wounding the latter. Brewer and ten or twelve of his crowd fled to McMillan's swamp, followed by several citizens. One citizen was killed and another was seriously wounded. The negroes escaped. One hundred armed men soon gathered and the swamp was closely guarded. Brewer is familiar with the hiding places in the swamp, which covers 400 acres. It is rumored Brewer has gone to Lumber City for reinforcements, and a posse of 200 men have been sent to intercept him. A crowd of armed men who returned from the swamp report that four negroes were found dead. The jail was broken into this morning and two negro prisoners riddled with bullets. Negroes are quitting their homes and moving to other towns. A crowd of white men went to several houses this morning, compelled the negroes to leave and punished some of them. The swamp where Brewer's gang is hiding will be searched, and if negroes are found lynching will probably follow.

SAVANNAH, Ga., Dec. 26.

The most reliable information is that ten people were killed at Jessups, five whites and five negroes.

Island, with an assorted cargo consigned to E. C. Outerbridge, Hamilton, Bermuda. Dec. 22, after passing Canoe light, we took a south-east gale, which carried away the bowsprit, headgear and mainboom, tore sails to pieces and sprung leak. The pumps became choked, and the crew were unable to keep the vessel free. When Capt. Bohlin and his crew rescued them, they set fire to the vessel.

Victims of Liquor.

HALIFAX, Dec. 26.

Soloman Kellum, a colored barber, went on a drunk Christmas Eve and died from its effects yesterday. Geo. WHY IS IT?

PEOPLE WONDER why it is that SANDERSON & CO. have, in such a short time, built up a business and reputation second to none in the city. Ask their Creditors.
