Other than participation in the department of highways does not plan any new paving projects of its own, but, despite considerable amounts of money being earmarked for highways paving, the provincial government's 1963-64 budget.

The resources projects would include paving tourist roads and soil cement stabilization programs to prepare roads for paving in the next year, despite the fact that the Roads to Resources unit. A stretch of paving - about nine miles - in the Haldimand's Bridge area - has been tendered on and Friday tenders were opened for 35 miles of soil cement stabilization work.

It is understood that the highway department will carry out general repairs of pavement damaged in the spring breakup, hot-patch sections, highway and resurfacing potholes of highways.

### Rebel Thrust Belittled

MIAMI, Fla. (AP)—Both the state department and a rival exile group have belittled the Cuban Revolutionary Council's commando thrust inside Cuba as a minor and harmful operation.

# County Holstein Exhibits Proposed For Exhibition

A county exhibit of Holstein cattle at the Provincial Exhibition that would enable breeders with only one or two show animals to get into the competition was proposed to the P.E.I. Holstein Breeders Association in annual session here Saturday by J. Lincoln Dewar, New Perth.

His idea is to have the exhibits alternate among the counties, with one county having an exhibit each year.

The idea is that two capable fitters and showmen would be hired to look after the exhibit, as it would not pay a man to spend an entire week in the city just to show one or two animals, and in this way additional breeders might be encouraged to enter at the provincial fair in future years. The idea was recommended to the attention of the executive.

Other speakers included Ernest P. Jarvis, Maritime Holstein Fieldman, Parker Newsom, Kingston who is national director, Dr. H. H. Kelly, provincial director of veterinary services and director of artificial insemination for the province; Frank Jardine, M.L.A., Freeport; Nelson Ball, Canada department of agriculture, Charlottetown; and Dr. D. G. Moore, Freeport, director of the N.B.-P.E.I. Artificial Breeding Unit.

The meeting was presided over by Vice-President Donald MacLeod, Victoria Cross who is the new president, John R. Thompson, Freeport, named as the new president, Ken Walker, Summerside, the new secretary-treasurer.

### They Say Life Begins At 40, cracks Champ

By DON WEISS

BROOKLINE, Mass. (AP)—"They say life begins at 40," he grumbled. "I maybe don't show it. But I'm human I guess."

He said he thought Capt. who had a 73, played well for a youngster under such pressure. And when asked what was the trouble with Palmer, he cracked:

"All the bogies and double bogies he made."

"No, actually," he said seriously. "Arnold told me he had a bad night last night and didn't feel well. He felt weak out there."

### Building Tax Could Curtail Construction

Soaring costs as the result of the recent Sales Tax Act brought down in the federal budget may have drastic effects here and could conceivably bring a halt to several building projects.

Reid Sangster, chairman of the co-operative housing development, stated that if he has interpreted the act correctly, that the tax would be imposed on all building materials, housing development could be brought to a standstill.
